BARRINGTON, ILLINOIS, THURSDAY, MAY 6, 1915

15 CENTS PER YEAR IN ADVANCE

STREETS TO BE OILED WITH VILLAGE FUNDS

Trustees Appropriated \$1,000 for the Work—President Appoints Committee and Officers.

The board of village trustees held a lengthy session Monday evening and did some interesting things, such as taking care of the street oiling proposition, and ordering some sidewalk bulbs. The president appointed the attorney, marshal, nightwatchman and health commissioner, making no change from last year's officials. H. P. Castle, Edward Peters, Fred Jahnholtz and Dr. W. A. Shearer being the respective holders of these offices.

Before adjourning the old board heard the treasurer's annual report and allowed the following bills:

Walter Lageschulte, material	\$ 80.27
Jencks & Rohmeyer, wire fencing	12.00
Public Service Co., water	12.00
Public Service Co., street lights	12.00
Public Service Co., electric	12.00
Public Service Co., current for picture machine	12.00
Ed Peters, salary for April	20.00
Fred Jahnholtz, salary for April	20.00
William Peters, attendance at meeting	4.50
Joe Nighlengale, labor	10.00
August Gotschick, rebate on cement walk	14.26
L. E. Schroeder, water tap	35.00
John Jahnholtz, labor on street	43.00

After adjourning sine die, Mr. Peters gave up his chair to A. W. Schernd and the trustees were organized for the coming year without further delay, adopting the rules and a new business governing the previous year. The salaries were fixed without any change from last year with the exception of the salary of the village treasurer and collector. Arguing that the work in these offices had increased so materially in the past few years, some of the trustees were in favor of increasing the salary while others thought that it should remain the same, \$200 a year. A motion was made to set the salary at this amount and the trustees were evenly divided. Trustees Martin, Hager and Schernd voting in favor of it and Trustees Lageschulte, Pancy and Sutherland voting against it. This left the deciding vote to the president and he voted no. The matter was then referred to the committee on finance with instructions to report at the next meeting. The president withheld his appointment for this office until the matter of salary shall have been fixed, but made the other appointments as given above. He then appointed the following committees:

ROADS AND POLICE—Schewen, Sutherland, Martin.
DRINK AND SWEETS—Hager, Lageschulte, Sutherland.
FINANCE—Lageschulte, Pancy, Schewen.
FLOR, WATER AND LIGHT—Lageschulte, Sutherland, Hager.
JUDICIARY AND ACCOUNTS—Martin, Lageschulte, Pancy.
LICENSING—Sutherland, Hager, Martin.
ORDINANCES—Schewen, Martin, Pancy.
STREETS AND SIDEWALKS—Hager, Schewen, Pancy.
TRUCKS—Hager, Schewen, Pancy.

This put each member on the following committees:

ROADS—Drain and Sewer, Fire, Water and Light, Licenses, Streets and Sidewalks.
FINANCE—Finance, Drain and Sewer, Fire, Water and Light, Judiciary and Accounts.
FLOR, WATER AND LIGHT—Finance, Drain and Sewer, Fire, Water and Light, Judiciary and Accounts.
JUDICIARY AND ACCOUNTS—Finance, Drain and Sewer, Fire, Water and Light, Judiciary and Accounts.
LICENSING—Finance, Drain and Sewer, Fire, Water and Light, Judiciary and Accounts.
ORDINANCES—Finance, Drain and Sewer, Fire, Water and Light, Judiciary and Accounts.
STREETS AND SIDEWALKS—Finance, Drain and Sewer, Fire, Water and Light, Judiciary and Accounts.

Property owners on Grove avenue presented a petition requesting the board to use its influence in securing property owners to build sidewalks on the street. The board decided that while they were about it they would do well to order other walks in the village which should be constructed. A motion was passed instructing the clerk to notify the following property owners to build sidewalks on the street: On Grove avenue, the Hutchinson property on Main street, property owned by Alfred Landwehr, John Brummeckamp, H. S. Lageschulte, Henry Bauman and J. J. Kramer; on Walnut street, the O. W. Spunners property. If these walks are not built within the specified time, the village authority is given that they will be constructed soon, an ordinance will be prepared and submitted by the board at the next meeting providing for the construction of the walks by special assessment, according to the motion made Monday evening.

The matter that caused the greatest amount of discussion and deliberation was the street oiling proposition. P. A. Hager moved an ordinance for the village to oil the streets and sidewalks at least six feet from curb to curb. It is claimed that this kind of oiling can be forced to weigh 1,500 pounds at the age of three years and are considered one of the most profitable for market purposes.

Naggett-Mavis

Max Naggett, aged 23, and Miss Marie Mavis, aged 23, were married last evening at St. Paul's Evangelical church, the Rev. Mr. Bierbaum of Arlington Heights performing the ceremony. Only near relatives were present, and Will Meier of Lake Zurich, nephew of the bridegroom, and Miss Tillie Mavis, sister of the bride, acted as best man and bridesmaid. After the ceremony a wedding supper was served at the new home of the young couple on South Hawley street.

Miss Mavis is a daughter of August Mavis, a prominent farmer living in the northern part of Lake Zurich, and is well known in the village. She is a member of St. Paul's Evangelical church and having attended St. Paul's parochial school. She is a talented housekeeper, the best thing that can be said of any young woman, and will without doubt prove a real helpmeet to her husband. Mr. Naggett was born and grew to manhood in this village and has many friends here. He is at present employed at the local plant of the Bowman Dairy company.

Chauteau Coming

Important events for Barringtonians are beginning to cast their shadows in advance.

The editor has been informed of some of the extensive preparations being made by the management of our coming Chauteau assembly.

First among these is the extensive necessary campaign being planned which is intended to make this city and its assembly a household word in every home in the country. The home paper has a ways been the most valuable means of bringing the Chauteau home to the people. Without the support of the local press the Chauteau movement would have died in its infancy. So naturally in planning an assembly the press is given a prominent place.

An abundance of souvenir programs will be furnished as an order was placed some time ago with a large paper mill for twelve tons of a special grade of paper for these programs. These should be ready for the presses in a few days. The printers and engravers are unparading in their efforts to make this program a work of art. All the details concerning programs and banners have been planned on the same lavish scale.

It will probably be two or three weeks before the dates can be definitely assigned. The routing clerk is busy making up the route on which the dates depend, and these cannot be announced definitely until the work has been completed and checked.

We are assured of an unusually strong and well balanced program. Here are some of the attractions booked to appear:

Hon. Fred S. Jackson, former attorney general and congressman of Kansas; Harold Morton Kramer, author of several books, soldier and reformer; Dr. Cole and a band of eight Polish Indians; Harry Bland with his orchestra; Mrs. Annie Curtis, the "Texas Gypsy"; Denis C. C. Crowl, of San Jose fame; Nellie Hummel, singer of songs we all know and love. These are a few of the forty or more people who will appear on the program.

More extensive notice of the assembly will appear in these columns from time to time on the opening date.

Dr. Barber, optician, will be in Barrington, at Dr. Shearer's office, Tuesday, May 11.

THE ALGONQUIN HILL CLIMB

Thursday, June 19, is Date for This Annual Auto Event.

The amateur section of the Algonquin hillclimbing contest, which is to be held on Thursday, June 19, this year, will embrace two features—a free-for-all and special events for cars of specified piston displacement. The winner of the free for all will get the winner of the second place a \$50 cup and a \$25 trophy. In event two for amateurs a \$25 cup will go to the winner of each class, there being two classes.

For professionals, event one is a special feature, the Standard oil trophy being especially valuable. This is for cars under 600 cubic inches piston displacement. A fuel test will be one feature. In the morning climb the cars must operate on gas testing about 34 per cent. In the afternoon the cars may be operated with a fuel so long as it tests below 50 per cent. The winning average will entitle the driver to the \$100 purse offered by the Standard oil company. Event five will be a non-stop climb with different divisions for cars of different classes.

WATCONDA

Will Harris was a recent visitor here. He is employed by the telephone company and has been working in Indiana.

Mrs. C. A. Golding and children spent last week with relatives here. Clyde Golding accompanied them home Sunday.

Mrs. Hutchinson has been quite ill for the past week with acute rheumatism. Her daughter Mrs. Brown is with her.

Attended "railroad day" at Wauconda Tuesday, May 10. There will be numerous attractions, including games, races, music, parades, fireworks, etc. Plan to be there.

Miss Myrtle Randall was taken to the sanitarium at Waukegan on Tuesday. She had recently suffered a heart ailment. It is hoped the change may prove beneficial.

Want a Marsh Harvester

A farmers' society, which has recently been organized at DeKalb, is attempting to get good models of all the old farm machinery, and among other things wanted is a Marsh harvester.

Carl Littlejohn, who is at the Normal school at DeKalb, has written the Review about it, saying that while around here he heard some of the farmers speak of these machines and think it is possible that one may be found in this vicinity. If any farmer has one, he says, he may address Prof. E. C. Page, DeKalb, Ill.

Post Attendance at Dance

The attendance at the dance given at the village hall last Thursday evening by James Foreman and J. A. McClincy was too small to insure the boys a profit, although those who attended had a good time.

Right House Made

Sales of butter were made on the B. & N. road at DeKalb on May 27 and 28.

One of Them

We wish to thank the many friends who have been so kind to send us so many letters and cards since our departure.

AUTO LAW IS INVALID

Technical Point Found in the Measure Now in Force.

The discovery was made last week Wednesday that the automobile law of Illinois is unconstitutional and that the \$500,000 now reposing in the state treasury, representing the license fees paid by automobile owners, is held without legal warranty.

It has been found that the main automobile law, under which the state licenses automobile owners at so much per horse-power was not passed in accordance with the constitutional provision.

It has been discovered that amendments to the automobile law, as well as conference reports, were not printed and read according to the constitution, and that, therefore, the entire law falls.

To meet any emergency Representative Homer Tilton of Mendota introduced the identical bill passed at the former session, with the exception of one slight amendment providing for the pro rata distribution of the automobile fund to the several counties for use in building good roads.

LAKE ZURICH

F. P. Clark made a trip to Chicago Monday.

Emil Frank is handling Gibbs' good ice cream this year.

Work on the new school house was commenced this week.

Vobe Pansen and a friend of Chicago were callers here Sunday.

Several Chicago people spent Sunday in and around Lake Zurich.

Miss Anna Schmeicher visited Barrington friends the first of the week.

Albert Prehm has the contract for painting John Schneider's residence.

Mrs. H. G. Hillman spent Saturday with relatives in Chicago.

E. A. Fiske is having his residence and the cottage near by freshly painted.

Froelich & Hirt will sell a carload of Wisconsin cows at auction here Saturday.

John Koffen, who has been very ill the past month, is now able to be out again.

Fred Hoeh, F. C. Selp, August Froelich and Carl Ernst took an auto ride to Roselle last Thursday.

Walter Prehm went to Chicago last Tuesday to make a special service examination for railway mail clerk.

Mr. and Mrs. Pestilone returned to their home in Jefferson Park after a week's visit at the Hoff home.

Mr. and Mrs. J. C. Whitney spent last week at Bancroft, Wisconsin, with their granddaughter, Mrs. Fred Adams.

Prussia & Piche have opened their cement-hop again, and are erecting a building for Chicago parties in the Hillman sub-division.

Everyone in the village is planning to attend the "Railroad Day" celebration at Wauconda next Saturday, when the last spike in the new railroad will be driven and a general rejoicing will take place.

The dance given at Oak Park pavilion last Saturday evening by the baseball club was quite well attended, about 45 tickets being sold, and the young men cleared about \$12 to add to their club fund. New tungsten electric lights had just been installed at the pavilion, lighting it in fine shape and eliciting numerous complimentary remarks. Socially the dance was a thoroughly enjoyable affair, but the members of the club were considerably disappointed because they did not receive a larger attendance from Wauconda and Palatine. Since the new railroad has been running Lake Zurich people have been attending Palatine entertainments in goodly numbers, but because they did not get a little return patronage, they they will not be so ready to go there again.

Readers of the REVIEW are urgently requested to send in any items of news interest with which they are acquainted.

We endeavor to cover the village and vicinity thoroughly each week, but it is impossible to hear of everything and our readers by sending in the news of which they know each week, will favor us and help us in issuing a better, more complete paper which will better satisfy all of us and reflect greater credit upon the village in the eyes of visitors.

Please send all mail your items or keep them in the "Review box" which is placed near Hager's store.

The Sunday school banquet of the Methodist church, scheduled for the 10th inst., has been postponed until the 17th inst.

The banquet set for May 9 has been postponed for a week. Announcement concerning it will be made on Sunday.

BRIEF MENTION OF NEWS ABOUT TOWN

Representative of the Week Told in Short Paragraphs—What's Doing in Our Hauling Village.

James Young of Chicago spent Sunday at the W. J. Cameron home.

Mrs. William Dault was called to Ohio Saturday and Sunday by the death of her aunt.

The Gem orchestra of Crystal Lake will give a dance at the village hall this evening.

Miss Martha Adams of Arlington Heights visited here at the William Meister home Sunday.

On Thursday, May 15, the Thursday Club will be entertained at the home of Mrs. George Spunier on Lake street.

Julia Robertson, little daughter of Mrs. Nellie Robertson, spent Friday, Saturday and Sunday at Maywood with her aunt, Mrs. Harry Roberts.

R. W. Gracy's moving picture show will be given on Saturday evening this week instead of Friday evening as usual. He advertises some good features.

Mr. and Mrs. William Thion are now living with their son, John Thion of Grove avenue, and have rented their home on South Hawley street to Max Naggett.

V. D. Hawley advertises an auction of books and novelties, stock food and other articles, to take place at the Barrington pharmacy next Saturday afternoon.

The monthly meetings of the high-way commissioners of the townships of Cook and Lake streets, has used her boarding house to the Lacey brick building east of the Commercial hotel on Main street.

A basket social will be held at the Lageschulte school, district No. 5, on Thursday evening, May 15, beginning at 8 o'clock. A cordial welcome is extended to all.

A party of students from The Chicago university came out Sunday and visited the woods near here in pursuit of geological, botanical and entomological specimens.

Mrs. McFarland, formerly located at Cook and Lake streets, has moved her boarding house to the Lacey brick building east of the Commercial hotel on Main street.

The Lacey families received word Saturday evening of the death of a relative, Mrs. Ella Lacey Plankins, of Bernard, Iowa, at a hospital in Duquoin, Iowa. Anna Collins left Monday to attend the funeral.

Bills were posted the past week advertising the moving of the Hagelback & Wallace shows on May 15. A careful reading of the posters leads one to the belief that the "show" will be a motion picture reproduction of this famous circus.

Mrs. William Ryan married Friday from East Orange, New Jersey, where she has been visiting for the last five weeks with her daughter, Mrs. Gus Nelmeyer. She was accompanied at St. Ignace, Illinois, by her sister, Mrs. Arthur Taylor.

Mrs. E. E. Howard writes from Los Angeles, California, that among the people she has recently met there are Mr. and Mrs. Green, who have been doing missionary work in Mexico. The Rev. Mr. Green was a pastor of a local Baptist church 20 years ago.

Plint Greck is now badly crowded with German carp. Wednesday Ed Horan, a plasterer, while on his way to work captured one of the largest taken there this spring—a weighing close upon 25 pounds. His only fishing tackle was a stone, which he landed upon the carp's head, stunning it. Others report as high as seven being taken by one angler at a single sitting.

Arnold Schaub is now making and selling gasoline engines from one to twenty horse power, priced from \$24 up. Anyone needing power on the farm, in the workshop, or in the home would do well to consult him. One of his engines have always found them reliable and he gets many repeat orders—the best testimonials to their worth that can be given.

The Hawthorne Farms company received by express from Canada Wednesday of this week one of the finest brood hogs imported into this vicinity of recent years. It is of the Tankard variety, and apparently should measure at least six feet from tip to tip. It is claimed that this kind of hog can be forced to weigh 1,500 pounds at the age of three years and are considered one of the most profitable for market purposes.
