**Most Children Have Worms.**

Many mothers think their children are suffering from indigestion, headache, nervousness, weakness, constipation, when they are victims of that most common of all children's ailments—worms. Feverish, ill-tempered, fretful children, who toss and grind their teeth, with bad breath and colicky pain, have all the symptoms of having worms, and should be given Kickapoo Worm Killer, a pleasant candy lozenge, which tones up the system, and makes children well and happy. Kickapoo Worm Killer is guaranteed. All druggists or by mail, Price 50c. Kickapoo Indian Medicine Co., Philadelphia and St. Louis.—Adv.

**Missionary Society Meeting.**

The June meeting of the Woman's Foreign Missionary society of the Methodist church was held at the home of Mrs. John Robertson on Tuesday. There were 28 adults present. The topic for consideration was a review of the work the ladies have been studying called, "China's New Day."

Mrs. Robert Mickey was in charge of the program and Miss Zola Mipkey sang, with Miss Graham at the piano. The devotional services were in charge of the leader.

Quite a number took part in the meeting, embracing besides those mentioned Mesdames Winter, Graham, Cameron, Schwem, Smith, Lytle, Cowen, Wade, Calkins, Pattison, Harnden and Miss Harden. The meeting was very interesting, and made increasingly so by the kindly hospitality of the hostess, Mrs. Robertson, who served dainty refreshments to her guests. There will be no further meetings of the society until the first Tuesday of September.

Mrs. Matison is president, Mrs. E. S. Smith secretary and Miss Hattie Freye treasurer. The ladies of the society raise and turn over each year to the general treasury something over one hundred dollars to help carry on the work in foreign fields.

**Father Lonergan Has Assistant.**

The morning services at St. Ann's church last Sunday morning Father Lonergan announced that Bishop Muldon has decided not to make any change in the parishes of which he has been pastor for the present. He will remain in full charge, with Fathers Gleason and McGuire as assistants. Father McGuire was recently ordained at Chicago. With the help of the additional assistant Father Lonergan will be better able to take care of the six parishes over which he presides.

Among those from a distance who attended Memorial day here we noted: Mr. and Mrs. Arthur Jacobus, Mrs. Mary Whitcomb, Will Whitcomb, Mrs. Marietta Wragg, Mrs. Frank Wragg and children, Mr. and Mrs. Floyd Godfrey, Mr. and Mrs. Frank Harrison, Mrs. J. Grovesor F. Grovesor and Mrs. James Monahan of Chicago; Mr. and Mrs. Ray Smith of Austin, Mr. and Mrs. J. E. Tomasky of North Crystal Lake, Mr. and Mrs. Ed. Senior, Mrs. Lyons and Frank Garland of Waukegan and W. McClain of Libertyville.

**As to Modesty.**

Modesty didn't make dress. Dress made modesty. Only it should be borne in mind that once modesty has developed the conventions cannot be suddenly and radically violated without social degradation. Modesty isn't something that doesn't matter. It does matter.—Exchange

**Took Horse From Church Shed.**

Some person, name is not to a certainty known, though suspected, untied a horse hitched to a buggy in the shed back of the Methodist church on last Sunday night and drove off. The owner did not know of it until some time after the church service was out. Later on the horse was led into Plingle's livery barn, the party leading it stating that it had been found tied on Limbs street road between the water tank and the cemetery. Possibly the person guilty of taking the horse from the shed without the owner's consent did not realize that he was liable to arrest for horse stealing.

Authorities expect a repetition of this offense will be visited with punishment if the culprit is caught.
