Only A Touch

EV. PARLEY E. ZARTMANN, D.D.

Brout de Emons Demons Mode Bàb Indone, Closen

TEXT—Who touched met—Lukes 14.

The story of this na meles woman and the miracle of healing is found in each of the symptic gospels, in fact, it is not of this examples when the striking in found in each of the symptic gospels, in fact, it is not of this examples when the striking cartoons which this examples were in describing the work of Christ. Of all the most touching, and her attitude to the striking and touched my care to the striking and touched my color and the same and touched the beam of his garnibut. She was a grantal most touch and touched my color and touched my color and touched my color and touched my color and touching and touched my color and touched my color and touching and touching

Dig a hole of the right size to be set to be used to support swith the set of a piece of a house in, and in filling in the set of a piece of a house in, and in filling in the set of a piece of a house in and in filling in the set of a piece of a house in and in filling in the set of a piece of a house in and in filling in the set of a piece of a house in and in filling in the set of a piece of a house in and in filling in the set of a piece of a house in a filling to an a set of the length of the plane, to the spaced the same distance apart in the width of the plane as are the holes in the axies, but it is a good plan to "singer" them, that is, set each pair of it in the axies, but it is a good plan to "singer" them, that is, set each pair of it in the pairs to a house in present of the plane in the axies above in Fig. 3. If it is possible to heljust the tester plane, to set of the plane in the pairs of the set of the plane in the plane

d back to look at that picture. Then on he decided he must have it.

He inquired the price. It was \$65. When will be day down into his trouble the said. "Will you take it was fall the picture for me? I'll have to find d some way to get the rest."

"You bet we will," said Mr. Findlay.

A few minutes later a Kansas City collector we already had purchased three of the little canvases, said to "I'd like to get that cattle sketch I was looking at a while ago."

"I'm sorry, but this young man has just purchased it," was the reply. The collector turned to the young artist. "I'll give you a bonus for the sketch," he said.

But the other smilled and shook his had the said of the rest of the rest.

Stzing It Up.
Bacon—What did you give fo gar you're smoking?
Egbert—Nothing.
"Is it good?"
"Well, it's good for nothing."

Don't Reach That Far.
Bacon—The United States makes
enough paper money each year to
reach twice around the world.

Egbert—That's queer. Very little
of it reaches me.

Of Interest to Investors,
Kelsey, Brewer & Company, Bankers, of Grand Rapids, Mich, have issued for free distribution an interesting leaflet on public utility securities,
their stability and market value.—Adv.

"John," said Mrs. Newlywed, "Tve got to have some money and some new shoes and some for the said some pow shoes and "Gractious!" replied John, 'you don't have to have all that, do you?" "Well, I really do, but I'll compromise on the money."
