**There are More Bell Long Distance  
Toll Points in the United States  
than there are Post Offices**

These Toll Centers are open for business constantly, 365 days in the year.

A large number of them are open all night.

Through these centers, Seven Million Local Telephones may be reached.

Over each telephone several persons may be reached directly, and by messenger, practically everybody may be put in verbal communication.

Progressive business men are turning these facts to account.

**Mother's Have Your Children Worms**

Are they feverish, restless, nervous, irritable, dizzy or constipated? Do they continually pick their nose or grind their teeth? Have they cramping pains, irregular and ravenous appetite? These are all signs of worms. Give "Kickapoo Worm Killer" at once. It kills and removes the worms. Improves your child's appetite, regulates stomach, liver and bowels. The symptoms disappear and your child is made happy and healthy, as nature intended. All druggists or by mail, 25c.

Philadelphia, Pa. St. Louis, Mo.

**Plan Road Work.**

Supervisor Fred Kirschner of Cuba township attended a meeting of the Lake county supervisors at Waukegan Monday. The supervisors discussed the audit of county books recently made and took up the new road law with an attempt to determine which roads in the county shall be designated as state aid roads. They will ask for more than their pro rata share of the automobile tax, which has been appropriated for road work. The money is to be divided equally among the counties of the state with the exception of Cook county, which will receive a larger proportion. Claiming that Lake county receives the brunt of the Chicago automobile travel, the supervisors believe that it too should be entitled to more than the other counties of the state from this fund.

**The Best Pain Killer.**

Huck's Army Salve when applied to a cut, bruise, sprain, burn, or scald, or other injury of the skin will immediately remove all pain. E. E. Chamberlain of Clinton, Mo., says: "It relieves cuts and other injuries of their tortures. As a healing remedy its equal don't exist." Will do good for you. Only 25c. at Barrington Pharmacy.—Adv.

**NOTICE.**

Anyone having an account against A. M. Landon or George Hattison for labor or material furnished on the septic tank built for the village of Barrington is requested to present the same to the undersigned at once.

MILES T. LAMEY,  
President Board of Local Improvements.

**Minister Preaches This Lent.**

Rev. H. Stubbenvol of Allenton, Ia., is preaching Dr. King's New Life Pills for constipation, writes: "Dr. King's New Life Pills are such perfect pills no home should be without them." No better regulator for the liver and bowels. Every pill guaranteed. Try them. Price 25c. at Barrington Pharmacy.—Adv.

**Whaling at Natal.**

The whaler Eglund the other morning brought in the first humpback whale captured in Natal this season. It was a good whale and very fat. On a second visit to the ocean the same whaler captured a blue whale 70 feet long, which landed in the evening. Apparently the humpback whales are early this year.—Natal Mercury.

**Deviled From Old Legend.**

The Mexican stamp bears the coat of arms of the country, an eagle on a cactus, holding a serpent in its talons. This device is the outgrowth of a legend that the first Aztec settlers chose the site of their city from seeing an eagle so engaged, and situated at that spot.

**Not a Politician.**

If a man is too good to beg and too honest to steal, declares Jerome, he has no business getting into politics.—Memphis Commercial-Appal.

**Fourie Common to All.**

On the whole we make for much of faults. Pardon! The greatest of faults, I should say, is to have none.—Thomas Carlyle.

### Homemade Cedar Chest.

Get a large pine packing box. Hinge on the lid and putty up the cracks if there are any, but it is better to get one without cracks. Purchase a bottle of cedar oil from the druggist and paint the inside of the box with this, being sure that the oil soaks into all crevices. Use the oil plentifully, and when thoroughly dry line the box with cambric. Cover the outside with any preferred material. The cedar oil will retain its odor for years, and is as much distilled by moths as the cedar wood itself.

### Wonderful Human Stomach.

The human stomach as diagrammed in the encyclopedia resembles the map of South America, and as a potentiality exercises the revolutionary characteristics of that realm. It varies in size, in youth being longer than thick, and reaching from the chin to the heels; in ripe maturity being thicker than long, and reaching from the back two feet beyond the natural plumb line.—American Magazine.

### How to Reckon Tonnage.

The method of reckoning a vessel's tonnage, carpenter's measurements, is as follows: For a single-deck vessel, multiply the length of keel, the breadth of beam, and depth of hold together and divide by 95. For a double deck vessel, multiply as before, taking half the breadth of beam for the depth of the hold and divide by 95.

### Chance for Missionaries.

A missionary stationed in a land where the natives were cannibals wrote for assistance as follows: "Our small force of brethren seems to be unable to cope with the distress which prevails in this dark and benighted land. Many of the natives are starving for food. Please send a few more missionaries."

### Why He Bought Solitude.

### No Doubt About What He Meant.

Base—"I suppose you think I'm a fool?" Case—"That's what troubles me. If your supposition is correct, then you are a mind-reader, and therefore you cannot be a fool; and yet—well, you understand."
