During the severe electrical storm Thursday morning, lightning struck the barn on the Gilbert farm, but no serious damage was done.

Elgin boy scouts, who have been encamped here two weeks, returned home Saturday. They were delighted with the outing and plan to spend two weeks here next summer.

Harvey Hewitt, fireman on the Palestine, Lake Zurich & Wauconda road, on reaching here Monday morning was overcome by the heat, falling and cutting his head quite severely.

The Wauconda garage, Brown & Boehmer proprietors, is doing a better business each week, and we predict that before long this will be one of the most popular repair and supply shops on the route between Chicago and the lakes country to the north. Both of the proprietors are faithful, honest and sober young men and when their reliability is once known to automobile users they will be kept busy.

We congratulate our local bankers on their selection of an assistant cashier and hope that persons of this very stable institution will be pleased to meet Miss Fern Hutchinson at the paying teller's window when they present checks for payment or place money on deposit. Fern has long served in a faithful manner as chief operator at the telephone exchange in this village where patrons have a way found her.

Carr, who has been Fern's first assistant, is advanced to chief operator now and we believe her appointment to this position will meet with the approval of the patrons of the office. Our telephone girls are all courteous, painstaking and efficient and we believe that very few complaints ever reach their superiors from patrons here.

Mothers! Have Your Children Worms
Are they feverish, restless, nervous, irritable, dizzy or constipated? Do they continually pick their nose or grind their teeth? Have they cramping pains, irregular and ravenous appetite? These are all signs of worms. Give "Kickapoo Worm Killer" at once. It kills and removes the worms, improves your child's appetite, regulates stomach, liver and bowels. The symptoms disappear and your child is made happy and healthy, as nature intended. All druggists or by mail, 25c.
