Our Eyes Tint the World.
We view the world with our own
eyes each of us, and we make for
within us the world we see. A weary
heart gets no gladness out of sunshine;
a selfish man is skeptical about friend-
ship, as C. man with no ears doesn't
care for music.—William Makepeace
Thackeray.

Altogether Too Literal.
Boarder (tackling a tough steak to
boarding house keeper):—"When you
undertook to provide me with board,
madam, I was unaware that you meant
to do so literally!"

Mother! Have Your Children Worms
Are they fussy, restless, nervous,
irritable, dicky or constipated? Do they
continually pick their nose or grind
their teeth? Do they cry, or have
pains, irregular and ravenous appetites?
These are all signs of worms. Give
"Kickapoo Worm Killer" at once. It
kills and removes the worms, improves
your child's appetite, regulates stomach,
liver and bowels. The symptoms dis-
appear, and your child is made happy
and healthy, as nature intended. All
druggists or by mail, 25c.

Suffered Eczema Fifty Years

Seems a long time to endure the
awful burning, itching, smarting, skin-
disease known as "Itch" or "Eczema."
To realize, also, that **DR. HOBSON'S
ECZEMA OINTMENT** has proven a per-
fect cure.

Mrs. D. L. Kenney writes:—"I can-
not sufficiently express my thanks to
you for your Dr. Hobson's Eczema
Ointment. It has cured my letter,
which has troubled me for over fifty
years." All druggists, or by mail 50c.

Unreasonable Men.

"You know, my dear, men are quite
impossible. If I accept Jack's pro-
posal, he will expect me to marry him,
and if I refuse it he will expect to
be allowed to marry someone else,"—
Bystander.

The Best Pain Killer.

Bucklen's Arnica Salve when applied
to a cut, bruise, sprain, burn, or scald,
or other injury of the skin will imme-
diately remove all pain. E. E. Cham-
berlain of Clinton, Me., says:—"It re-
moves and other injuries of the skin."
As a healing remedy its equal don't
exist." Will do good for you. Only

Like Many Other Women.

Mrs. Gasip—"That romantic Miss
Passe says there is a secret connected
with her birth." Miss Pickles—"So I've
heard. It's the date."—New York
Globe.

Always a Way to Do It.

Mrs. Eze—"Some husbands win
their wives by sheer audacity." Mrs.
Wye—"Yes, and many others by
sheer mendacity."

Explains a Mystery.

"It has always been my idea," re-
marked the Man on the Car, "that
something fisted Nature's elbow
when she was pouring the seed into
the watermelon."
