In a wireless dispatch received at New York Rutus W. Gaynor gave the full details of the sudden death of his father, Mayor William J. Gaynor, on board the Baltle steamer. The dis-patch follows: "My father, Mayor Gaygor, died on the Baltle Wedenesday afternoon. Death was due to heart trouble. He was sitting in a deck chair when the end came."

Mexican Revolt

T. J. Johan and Tom Heifrin of the United States customs and immi-gration service were acquitted in the district court at El Paso, Tex., on the charge of having murdared Capt. P. Acosta of the Juarez garrison on Sep-tember 8.

American refugees from Torreon,
Mex., for whose safety fears have
been expressed during their over-land journey to Saltillo, reached the
latter place in safety, according to
official headquarters at Nuevo Laredo.

One hundred Americans, including a number of women and children refugees from Torreon, Mex., are officially reported to have fallen into the hands of rebels while proceeding overland to Saltillo. The authorities at Saltillo decline to take the responsibility of sending a force to their rescue, fearing, they say, that the rebels might commit atrocties upon the refugees, which otherwise would possibly be avoided.

Personal

sporting editor of the inquirer of Philadelphia, Pa., died at his home there.

A public funeral for Mayor Gaynor will take place in old Trinity church in lower Broadway at it o'clock in the morning of Monday, September 22, with Blabog Greer of the New York diocess of the Protestant Episcopal church officiating. His body will be laid to reat in Greenwood cemetery in Brooklyn.

Max Lillie, Chicago aviaior, met quick death when the right wing of his accopianc crumbled and he fell 400 fest at the Galesburg district fair grounds, Mrs. Lillie saw the accident from a box in the grand stand and fainted.

for a St. Louis, Mo, transfer com-pany, who generally was supposed to be poor, made a will dispessing of \$3, 900, mostly to Catholic charittes, short-ly before his death in the city hospital.

BRIDGE WRECKED BY GREAT TIDAL WAVE

Photo by Wootten & Moulton, New Bern, N. C.

The bridge over the Neuse river at New Bern, N. C., was completely wrecked by the tidal wave which accompanied the terrific storm which devastated the South Atlantic coast. Under normal conditions the bridge stood about nine feet from the water, the tide rose eleven feet yew incident working the bridge. The schooner seen in the distance, was left on the bridge when the water began to recede.
