Simplisity Pays.

You know that man who assumes superior airs, talks patronizingly of others, manages to squeeze in quite a dictionary of words in his ordinary talk and conversation, and does not talk the superior airs, and the sound of the part of the superior airs, and immediately got into the deep waters of political debate.

"And now," and the principal speaker, pompously, after an eloquent flow of language, "perhaps you will coincide with me."

"Why, yes, thanks, old man," answered a red-nosed individual, moving towards the door of the inn "I don't care if I do."
