Mrs. Henry Golding visited her son, Dr. Golding, at Libertyville last week and attended the War concert Friday evening.

The "Old Black Jo" concert given by the young ladies was a decided success, about \$40 being realized. The young ladies looked charming in their old-fashioned costumes and powdered hair.

They will be at home to friends at Meadowview farm after December 20.

Mrs. Laura Cook, Miss Natalie Stoen, A. C. Stoen, Mr. and Mrs. J. W. Cook, Mr. and Mrs. Emerson Cook, Wilbur Cook, Mrs. Lucy Clough and Miss Bowles, Mrs. A. S. Powers and H. T. A family gathering was held at the home of Mr. and Mrs. H. L. Grantham Sunday in honor of a brother of Mrs. Grantham, Frank VanNatta of Amundson, Minnesota, whom they had not seen for 22 years. Those present were: William Grantham and son, Walter; Edward VanNatta and family, Chicago; Victor Shales and daughters, William VanNatta and son and the Ritt family, Crystal Lake; William Jaynes and children, Woodstock, and Mr. and Mrs. Morris VanNatta, McHenry.

William Nicholls, who lost his left hand and suffered a broken arm Wednesday of last week is doing as well as could be expected and is hopeful for the future with a splendid courage. The accident which resulted so disastrously to him occurred when he attempted to adjust the drive belt to a pulley on a screwdriver, his hand slipping and going through the clutch which was revolving rapidly, tore his hand off and broke the humerus. By this time a brother succeeded in cutting the belt and Will was thrown 10 feet from the screwdriver machine. Dr.

McCormick was telephoned for and arrived by auto in less than 10 minutes. He brought the injured patient back to town where the arm was set and the wound dressed after which Mr. Nicholls was taken to the home of his father-in-law where he still stays to be near the doctor. A fortunate feature in the case is that he is a Myself Worker and will receive about \$600 from the lodge. He also has Workmen accident insurance and will draw about \$300 on that policy.
