

FATHER JOSEPH L. GIES DIED LAST WEEK

Passed Away Saturday Evening at the Columbus Hospital, Chicago—Funeral Held at Cary Station.

WELL LIKED BY HIS PARISHIONERS

Was Pastor of the Catholic Church Here and at Cary—Took a Leave of Absence Last Year.

Rev. Father Joseph L. Gies, former pastor of St. Ann's church in this village, and St. Peter's and St. Paul's at Cary Station died at the Columbus hospital, Chicago, Saturday evening at 11 o'clock after an illness of several months. His illness was the cause of death. May 5 of this year, on account of ill health he was granted a year's leave of absence and entered the Columbus hospital for treatment in hopes of recovering sufficiently to return to his home in Newton, Canada.

Complying with his request the remains were brought to Barrington Sunday evening and lay in state in St. Ann's church, until Monday morning when they were taken to Chicago, where the funeral services were held at 10 o'clock. Solemn requiem mass was celebrated by Rev. J. M. Loran, organ of Crystal Lake, assisted by Rev. M. A. Schumacher of Sublette, dean and Rev. F. A. Kilduff of Aurora, sub-deacon, Rev. E. A. McCormick, pastor of St. Ann's church, was master of ceremonies. The music was under the charge of Rev. William Reitz of Rockford. Rev. Kilduff delivered the funeral oration. (Burial was in Berlin, Canada).

Joseph L. Gies was born in Newton, Canada, December 8, 1884, and was ordained a priest at Buffalo, N. Y., June 11, 1911. He came to Barrington as assistant to Father Lowery, July 11, 1911. At that time the parsonage at Barrington, Cary Station, Crystal Lake, and Algonquin were under the charge of Father Lowery. July 21, 1914, division was made in the parish and Father Gies was appointed pastor of the churches at Barrington and Cary.

Station. On May 1st of this year, when he took a leave of absence, Rev. E. A. McCormick was appointed as his successor. A great deal of credit is due Father Gies, in his efforts in building the parish church edifice at Cary Station. He was a hard worker, and greatly admired by his parishioners, who deeply mourn their loss. He is survived by his mother, Mrs. Catherine Gies, two brothers and three sisters, who reside at Newton, Canada.

Reception. There was a reception given to him Thursday evening at the home of Mrs. J. W. Kinsley, and Miss Carrie E. Kinsley, to Miss Kinsley's table. It was in honor of Mr. and Mrs. Henry Roloff and family, who for a long time have been members of the church and Sunday school. There were between 30 and 40 present and a very enjoyable informal affair was had. Before closing all joined in singing several pieces, suggested by the occasion. Nice refreshments were served, and every one seemed glad to be part of such company.

Mr. and Mrs. Roloff and family will this week, remove to Park Ridge, to make their future home.

ARE UNDER FEDERAL QUARANTINE

Order Affects Cattle in the Five Counties of Lake, McHenry, Kane, DuPage and Cook.

All cattle in five counties in northeastern Illinois will be under federal quarantine for bovine tuberculosis after September 1, 1931. The government and the sanitary officials of Illinois will co-operate actively with the federal authorities in making this quarantine effective. The five counties affected are Lake, McHenry, Kane, DuPage and Cook.

Under the terms of this quarantine no cattle can be shipped from the five counties for dairy or breeding purposes unless they are accompanied by a certificate showing that they have been subjected to the tuberculin test and found free from disease. These certificates must be issued by an employee of the bureau of animal industry, United States department of agriculture. The necessity for this quarantine, which has been recognized by the state authorities, arises from the prevalence of a limited number of cattle owners and shippers of the privilege of inspection by private veterinarians. In some cases it has been found that health certificates have been issued for cattle which were obviously diseased. As a result twelve states now refuse to accept Illinois cattle unless accompanied by a certificate of federal inspection.

In order, therefore, to protect the live stock in Illinois and neighboring states from the danger of tuberculous infection it has been found advisable to do away altogether with private inspection and to place in the hands of the Department of Agriculture, the regulation of the entire interstate movement of cattle from the quarantined area, and in the hands of the State Board of Live Stock, the enforcement of the regulations of cattle from the quarantined area to other parts of the state.

With rigid Federal inspection healthy Illinois cattle will be freed from any suspicion and upon them by the practices of the small percentage of cattle men who have misused the privilege of private inspection in the past.

Paul Looking Machine. William Green went to Chicago Monday and brought home from the machine, the reader which the Cusson-Green company have built this summer from one of their McFarland farms. The car is built for and is painted a light lemon yellow and is striped with black and is a class car in appearance. The boys have rebuilt several machines this summer and have the reputation of building good looking as well as strong cars.

Cuba Boy Wins Scholarship. Frank Kraus, son of Mr. and Mrs. Conrad Kraus of Cuba township, was one of the 15 successful pupils of this (Lake) county for a Lindley scholarship which entitles the pupil to a course in one of the normal schools of this state. The four years scholarships awarded in this case are free, the only cost to the student being board and room. All the winners this year averaged 60 cents or better in their work.

Raymond Helm Dead. Raymond Helm, the three months old son of Mr. and Mrs. Clarence W. Helm who reside on the old Barrens farm, died Friday morning of brain fever. CAMPMEETING CLOSED ON MONDAY

The Meetings Were Very Successful and Well Attended—Pans Hauling and Hauling Will Also Open Monday.

The forty-first Barrington Park Campmeeting came to a close Monday morning at 10 o'clock when all met for the closing services and farewell. The meetings were well attended and a success in every particular.

At the Sunday morning held last Thursday Rev. H. H. Thoren offered the following set of resolutions, which were adopted by unanimous vote, and he was requested to send a copy of them to President Woodson Wilson.

"We highly appreciate the delicate and important position of our church country, the president of these United States at this time when international tension and strife demand the most careful precautionary measure to keep our nation free from the entanglements to which we are exposed in many ways."

"That we approve the declaration of neutrality of the United States and that we were honest and sincere and sincerely support you in your efforts to keep out of the struggle."

"That we urge upon the President to continue the effort of the use of the good offices of our country with a view of securing favorable responses looking forward to an early declaration of peace among the belligerent nations, and pray that this effort may soon succeed to stop the fearful course of war."

"That we parents' day, when honor was given to the aged people. Rev. C. J. Fry of Chicago preached the sermon. Rev. C. A. Meek of Lehigh, Iowa, delivered a certain rebuke to certain members of the church who are engaged in young people for life but who are not members of the church. Our grateful thanks to Lord. H. H. said: 'There is a difference between the foolishness of preserving the old and the foolishness of the new. The new thing is best by all false philosophy. God's plan is not the survival of the fittest and the neglect of the weak, but the saving of the up; those who are down and out. Jesus came to save the lost. Christ goes into the slums, into the circles of crime to give the people who are down a new heart, and hope for life.'"

The Bible school closed with a successful meeting Saturday. One hundred and fourteen students attended. The following official committee was elected to arrange the program for next year: Reverends B. R. Schutte, Chicago, C. G. Thompson, Naperville, H. H. Thoren of this village. The Sunday school had an attendance of 510 and was addressed by J. F. Rogers of Chicago and H. Thomas of Peoria. The offering amounted to more than \$200.

Sunday, free will offerings were taken and the tabernacles of the household were visited. The value of the property now owned is estimated to be fully \$25,000. A number of new lot purchasers will be added next year. High praise was heard on all sides for the success of this year's meetings. The spiritual success during this season has been very pronounced.

Paul Looking Machine. William Green went to Chicago Monday and brought home from the machine, the reader which the Cusson-Green company have built this summer from one of their McFarland farms. SCHOOL WILL COMMENCE MONDAY

Only Short Session on That Day—Real Work Starts Tuesday—Sears' School of Music Will Also Open Monday.

School will open Monday, September 7, at 9 a. m., for both high school and grade pupils. The session Monday will be short, lasting about an hour, the closing services and farewell. The sessions will be arranged, lessons assigned and pupils given lists of books to be read for the full day of work. Children 14 years of age and over at this time.

Each time and effort has been given to securing a teaching corps. All teachers were employed and assigned their rooms. Since our last issue Miss Lind of the high school failed to be released from her contract having been offered a more lucrative position near her home. At present no one has been secured to take her place but we are informed that several are under consideration and one will be employed before Monday.

Our special janitor has been very busy getting the building in best possible shape. Let all look forward to and wait for the best school year possible.

The Sears' School of Music will open Monday.

NEIGHBORHOOD ITEMS. Commencing September 1, Dundee post office will be closed. For the past 18 months the citizens have been enjoying what is called experimental free delivery and the scheme having worked to the satisfaction of the post office department at Washington, orders have been issued for the change, by which the carrying of mail will be discontinued in East and West Dundee.

Thomas Carey, remanufacturer of the "Barber" State Board of Examiners' is in Dundee last week and caused the arrest of four barbers for very bad cutting and shaving. A hearing was had last Friday and all the men were discharged. The Daily News in recording the case called it a "police court farce."

The terrible tragedy of a few weeks ago when a telephone lineman met his death by the breaking of a telephone pole for the first time in many years, happened last Saturday morning.

The accident occurred within 100 feet of the store where Mrs. L. Hinchinson lost her life on June 8 last. The victim of last Saturday's accident was John C. Correll of Chicago, a lineman employed with the Chicago Telephone company. Correll was at work on a pole near the farm owned by Nick Weizgart. While thus engaged, the pole suddenly snapped off near the bottom. Being strapped to the pole, Correll could not jump and subsequently was crushed beneath the heavy timber as it fell to the ground.

Upon examination it was found that Correll was not fastened to the pole and internal injuries, while his right arm and arm were also affected. Mr. Henry Plimack.

C. F. Hall Company, Dundee, Again in Business. We are again in business in Dundee, four doors west of the location from which we were driven by fire on June 30.

TRUCK IS HIT BY FAST TRAIN

August Scheer and Irving Schumann narrowly escaped from Death When Machine Was Struck by Train.

August Scheer, International truck driver, was completely demolished and he and Irving Schumann had a narrow escape from death Wednesday morning at the Main street crossing, when a fast St. Paul train due here as a few minutes before seven o'clock struck them.

The train was running at a madman rate of speed toward the crossing. They heard no warning from the train and as it was before seven o'clock no flagman was there. When they came near the track one of the section men who were near called to them to stop but it was too late. Mr. Scheer got on the brakes and then he and Mr. Schumann jumped just as instant before the engine struck the front wheel.

The train was going about 40 miles an hour and put the front of the machine off to the east, throwing the radiator and other things into the air. The engine in these trucks are under the seat and it was still running a few minutes after the accident.

Double Header. Base ball lovers will have an unusual opportunity next Monday afternoon (Labor Day) when two good games can be seen for an admission at the local grounds. The first game, between the Chicago Vets and the Gray Lake team, will be called at 1:30. In the second game, at 5:00 o'clock, a combination team composed of DuPage club members and high school players will be opposed by the W. J. Butler Paper company team of Chicago.

As the process of the games will be used by the two local teams to help pay the year's rent of the grounds it is hoped that everybody will turn out and watch the strenuous contest help the boys out. The games will be well worth watching.

WATKINSON.

MRS. EZRA M. CANNON PASSED AWAY FRIDAY

Died at Her Home in This Village After an Illness of About 2 Weeks' Duration.

WAS A VERY PROMINENT WOMAN

Took a Very Active Part in Woman's Relief Corps—Funeral Was Held Monday Afternoon.

Mrs. Ezra M. Cannon, one of the well known ladies of Barrington, after a short but painful illness, passed away from the other life last Friday morning, August 28, at a few minutes after 10 o'clock. There were present with her at the time of her death nearly all the members of her family. For some years she had been unconscious so that she could not recognize the loved ones who were so dear to her. For a number of months, Mrs. Cannon had not been in her usual health and during this time had been under the physical care of a physician. It is possible that some of her conforts and restoration to health. At times she seemed better and at other times worse, but she was not able to be entirely eradicated. Her last illness was brief but severe, and took away from among us a good and useful woman, leaving in sorrow and tears a loving husband and children and a large number of friends who had learned to appreciate her worth.

Henry C. Hapke was born July 1, 1850 on a farm near Hagerstown, Maryland, and received his preliminary education in the Washington County grammar and high schools and legal education at the university of Michigan, graduating therefrom in 1888.

He practiced law at Hagerstown, Maryland until 1898 when he came to Chicago and was admitted to the Illinois bar, and later the district and circuit courts and the Supreme Court of the United States.

He has practiced law in Chicago constantly for the past 31 years excepting the time he occupied the position of judge of the Municipal Court of Chicago.

He was elected to the Illinois Legislature in 1898 and served three consecutive terms, when he was appointed Cook County Civil Service Commissioner, which position he held until his election as Judge of the Municipal Court of Chicago in 1901.

In 1908 he was nominated by the Republican party and elected for the second time, his present term expiring this fall.

His record as a Judge of the Municipal Court is one of the best, having tried upwards of 50,000 cases of every possible nature, involving in some cases large amounts of money, and many cases the liberty of our citizens.

He has always been a steadfast Republican.

TIDE OF WAR CONTINUES TO FAVOR GERMANS

Official Reports Tell of Backward Movements On the Part of the Allies.

DEFEAT FOR AUSTRIA

Russian Claim to Have Won Important Victory, Though Conflicting Reports Make it Difficult to Tell Truth of the Matter.

London.—Once more the army of the allies, wavering under the German attack on the extreme left, retired to the south and southwest, and the Kaiser's legions were another step nearer to Paris.

This movement, according to information reaching this city Wednesday, has been the case with similar ones almost daily recently, with the result of the amazing turning movement of the German army, and the allies decided not to accept battle under unfavorable conditions.

Report of Czech Fates.
The official statement issued last night in a report from Paris that day before that the German advance had been checked. In addition a Paris dispatch quoted a dispatch from the front stating that the German advance had been checked by their terrible losses during the last few days. They even asked an armistice to buy their food.

French Official Statement.
The official statement issued from the French war office is as follows: "On our left wing, as a result of the terrific movement of the German army and in order not to accept battle under unfavorable conditions, our troops retired toward the south and southwest."

Hide Progress of Battle.
The military authorities here and to Paris have been more reticent in the last 24 hours than at any time since the invasion of France was begun.

The Anglo-French army corps have had to give ground, but nowhere have they been broken through. The official statement given out at the French war office is as follows:

Based on this same statement, military experts in France maintain that the position of the allied armies in general is not so serious as it was. They point out that the Germans have attempted a movement which, if it fails, will leave them in a dangerous position with their troops exhausted.

German Victory Bids.
London.—Results of two great battles in the Russian-German-Austrian campaign were announced in the dispatch from Constantinople.

In one battle the Germans are said to have defeated the czar's troops and captured 70,000 prisoners, including 200 officers. In the other the Russians inflicted a "colossal" defeat on Austrian troops, capturing 30,000.

The report of the capture of 70,000 Russians came from the Constantinople correspondent of the Russian Telegram company. He telegraphed that there had been received in Constantinople a dispatch from Berlin declaring the German general staff had published as a result of the battle, which was fought at Glogowitz.

Battle Near Allenstein.
The correspondent said Glogowitz was in east Prussia, 25 miles north of Königsberg. This evidently is a mistake, as the only Glogowitz found on the maps is in east Prussia, about thirty or forty miles southwest of Allenstein.

Aside from capturing 70,000 Russian soldiers and 200 officers the German staff reported that the Russian artillery was destroyed in the battle.

Russian Capital's Name Changed.
London.—A dispatch to the Russian Telegram company from St. Petersburg says that by imperial order the city of St. Petersburg, capital of the Russian empire since 1712, will henceforth be known as Petrograd. This change eliminates the Russian construction in the name.

Japan Asks \$20,000,000.
Tokyo.—Announcement is made that the government will ask the aid for an appropriation of \$20,000,000 yen (about \$28,000,000) for a war fund and \$10,000,000 yen (\$14,000,000) with which to build destroyers.

The Chinese minister to Japan said that the Chinese government had decided to send a fleet of 10 battleships to the Philippines.

emphatic denial of the report that he had promised to the Japanese foreign office concerning Japanese military movement in China directed against the German leased territory of Kiaochow.

Breakable in this connection the minister said that the relations between China and Japan had never been more cordial.

Win Appeal to United States.
Paris.—While Paris was discussing the dropping of two more bombs from an airplane into the city's streets the French war office gave out a statement showing the United States would be asked to protest to Germany against such a method of warfare.

The correspondent of the London Express at The Hague wins his paper that Emperor William has gone to the Russian front.

The Rome Messenger publishes a telegram from Sofia, Bulgaria, which says the Austrians have suffered an irreparable defeat at Zamosa, a city of 12,000 inhabitants just over the border.

operations have been obtained in Berlin from an official Austrian source: "In the Austro-Russian border of war, a decisive battle has been in progress for several days. Our forces, which were victorious near Zamosa, pursued the Russians in the direction of Lublin. The Austrians advanced also into the enemy's territory between the rivers Bug and Vistula, and we have taken positions in front of Zamosa."

Forces Near Lemberg.
"Other contingents of the Austrian army held their positions northeast and southeast of Lemberg. After crossing the Zolotser they encountered great forces of the enemy."

The Austro-Russian battle front stretches for a distance of 700 kilometers (435 miles).

A correspondent of the Berlin Telegraph at the Austrian headquarters, telegraphing under date of August 28 regarding the events subsequent to the defeat of the Russians at Zamosa, says the Austrian army advanced in the direction of Lublin with the object of making impossible the reunion of the 12,000 inhabitants just over the border.

in Russian Poland, 60 miles southeast of Lublin.

It was officially announced at Berlin that about thirty thousand Russians had been taken prisoner by the Germans during the fighting in east Prussia, particularly at Orlowka, Koenigsberg and Tannenberg. They included many officers. High war prizes were across swamps and lakes.

Austrian Advance on Lublin.
The following account of Austrian operations has been received at Berlin:

The German general Jagow, however, stated out of the harbor and first eight shots into the strangled ship and returned unscathed by the Japanese vessels blockading the port.

The Jaguar reported the crew had abandoned the stranded steamer, which can be seen from Tientsin Bay breaking on the rocks.

Four Japanese destroyers and one cruiser now form the blockading squadron.

German List Leaves.
The leading list of German losses was made public at Berlin Tuesday. It contains 1,000 names.

The total of German casualties made public up to the present time is as follows: 1,151 dead, 2,270 wounded, and 1,761 missing.

As an evidence of the enthusiasm of the German people to the war it is announced that 2,000,000 volunteers have presented themselves for service.

Baron Kurt von Lermer, second secretary of the German embassy at Washington, has reached Berlin by way of Ghent. He ran great danger of being arrested by the British and detained during the war. Nothing has been heard here of Lieutenant Baron Horst von Lermer, a brother of Baron Kurt, and also attached to the German embassy at the American capital.

Hails from the United States, which during the first days of the war were sent from the border, are now being received in the city.

The army now seems to have retired from the border. The expenditure of what humanly can be done in this line has evidently diminished.

as if he had his legs in the heart. But he was really better for his own cause, since a wounded man at once becomes a much greater burden to the army than a healthy one. The latter needs no more food, but the former must be helped to a field hospital, doctored and nursed.

The chief aim is a battle in not to win a battle, but to win a battle. A battle is a battle, and it is no more fighting than a dead one, so that an effective measure when one soldier shoots another through the leg he gets rid of an enemy as effectively

Tires at Before-War Prices

Goodyear Prices

It is Folly Today to Pay More

| | |
|--------------------|---------|
| 30 x 3 Plain Tread | \$11.70 |
| 30 x 3 1/2 " " | 15.75 |
| 34 x 4 " " | 24.35 |
| 36 x 4 1/2 " " | 35.00 |
| 37 x 5 " " | 41.95 |

There exists now a new, compelling reason for buying Goodyear tires. It results from War conditions.

These leading tires—built of extra-fine rubber, in the same way as always—are selling today at June prices.

You will find today a very wide difference between most tire prices and Goodyears.

Due to Quick Action

Early in August—when war began—the world's rubber markets seemed closed to us. Rubber prices dropped almost overnight.

Men could see no way to pay for rubber abroad, and no way to bring it in. We, like others—in that panic—were forced to higher prices. But we now have gone back to prices we charged before the war, and this is how we did it:

We had men in London and Singapore when the war broke out. The larger part of the world's rubber supply comes through there. We asked them to buy up the pick of the rubber. They bought—before the advance—1,500,000 pounds of the finest rubber there.

Nearly all this is now on the way to us. And it means practically all of the extra-grade rubber obtainable abroad.

Today we have our own men in Colombo, Singapore and Paris. (These are the world's chief sources of rubber. So we are pretty well assured of a constant supply, and our pick of the best that's produced.)

We were first on the ground. We were quick—

est in action. As a result, we shall soon have in

storage an almost record supply of this extra grade of rubber.

And we paid about June price.

Now Inferior Grades Cost Double

About the only grade of rubber available now for many makers is inferior. In ordinary times, the best tire makers refuse it. Much of it had been rejected. But that "off rubber" now sells for much more than we paid for the best.

The results are these: Tire prices in general are far in advance of Goodyears. And many tire makers, short of supplies, will be forced to use extra-grade rubber.

Be Careful Now

In Goodyears we pledge you the same grade tire as always. And that grade won't for Goodyears the top place in tirehood—the largest in the world.

And, for the time being, our price is the same as before the war. We shall try to keep them there.

We accept no excessive orders, but dealers will be kept supplied. And we charge them, until further notice, only anti-bulldozing prices.

That means that Goodyears—the best tires built—are selling way below other tires.

ARRESTED AS A SPY

James A. Patton Tells of His Escape From Europe.

Chicagoan and His Wife Suffered Hardships in Their Thrilling Flight From Germany Through Belgium.

New York.—James A. Patton, the former wheat operator of Chicago, who was one of the American refugees returning by the Red Star liner Finland, told a thrilling story of his escape from Germany after war had been declared.

With Mrs. Patton he left Carlsbad on August 2 and traveled via Herberstein and Leipzig, where they arrived just as hostilities had begun.

"We left Carlsbad for Nuremberg by train, as the authorities took my automobile," said Mr. Patton. "We did not know the war had broken out then as to some of the situations was given out by Carlsbad."

"Possible began as soon as we reached the German border. We reached Nuremberg at 7 p. m. and were promptly turned out of the train and

arrested as spies. My wife and I were taken to the police station and cross-examined. I showed what credentials I had, but it was not until the American consul there showed up that we were released, two hours later. A great crowd which had gathered outside, expecting possibly to see us as captives, looked us as we left the station."

"We were able to get a train to Cologne. However, into which city thousands of troops were pouring when we arrived. We got a train apparently for Ostend, but we were stopped at Herberstein on the Belgian border. We had to get out of the train at 10 p. m. It was raining and we had nothing to eat and no place to go to."

"There was no chance to get another train, but about one o'clock the next morning I managed to get hold of a one-horse cart driven by a peasant, who said he would take us to Vertrie, where he thought we could get a train for Liege. He gave us some bread of bread which was the first we had to eat for 18 hours."

On the road we passed the most pitiful procession of German refugees I ever saw from Belgium. Some were in vehicles, but the majority were trudging in the dust, pushing or pulling their baggage in carts. Women with babies at the breast were walking in the rain.

One Argument.
"In your car or good one?" "Overhauling people choose them," said the automobile salesman. "None of our cars stolen then any other make."

Chances in Divorce.
Maid—Would you recommend the lawyer who got you your first divorce? Hostess—Well, his charges are reasonable, but I've enjoyed more relief with others—Life.

AMERICAN REFUGEES FLEEING FROM WAR ZONE

American refugees, with their baggage, on a bay wagon making their way along the highroad above Arrived, a French village near Louvain. This party, which was without food from early in the morning of August 1, until August 3, reached the railway at Embrechthal half an hour before all train service was discontinued.

ISLAND THAT PROTECTS KAISER'S FLEET

The island of Heligoland has been powerfully fortified by Germany since its acquisition from England, and now is a practically impenetrable guardian of Germany's part of the North sea and the Baltic canal, where the Kaiser's fleet is believed to be sheltered.

JAPANESE INFANTRY IN TRENCHES

Illinois Brevities

Litchfield.—A lone bandit held up the cashier of the Bank of Alton, near here. He obtained \$200 in currency.

Pana.—Larry Jackson, sixteen years old, son of Mrs. Jennie Anderson of Turner Hill, east of Pana, was drowned in Lake Michigan at Chicago.

Savanna.—B. J. Wooten, a deputy special agent, employed by the Burlington railroad, was shot in the heart by one of four robbers who refused to obey his command to leave the right of way.

East St. Louis.—John H. Roman was hit East St. Louis for bettering his native country, which has issued a call for the immediate mobilization of her army. He will resume his former rank as lieutenant.

Bloomington.—Thirtieth annual reunion of the thirty-fourth Illinois infantry, famous for its part in the Civil war of which John McNeill, Chicago, was colonel, was held here with 100 survivors present.

Ottawa.—Miss Zane Duffy, thirty years old, a daughter of C. S. Duffy, clerk of the Illinois appellate court, committed suicide by jumping from the bridge in the Illinois river, near her home.

Galena.—Representatives of the University of Illinois college of agriculture have arranged down on Galena and will exhibit the display from the area show at Chicago at the local fair.

Elmhurst.—The business district of Elmhurst was destroyed by fire. The loss was \$15,000. The cause was unknown.

Springfield.—Robbers blew open the post office safe at Auburn, fought the police and escaped in an automobile. They obtained no money. They fled several times at N. P. Nichols, the night marshal.

Panama.—Mrs. Floyd Remington, twenty-three years old, committed suicide by shooting. She had been despondent since her baby was born the week ago. The husband is the son of J. D. Remington of Springfield.

Bloomington.—Bloomington druggists met to drop up new scale of prices on drugs, war advancing numerous articles and requiring radical changes in nearly everything handled by pharmacists.

Springfield.—George W. Wilcox of Mechanicville was elected president of the State Normal Teachers' institute at the meeting in the statehouse. Other officers are George W. Hays, vice-president; Sherman W. Derry, Auburn, secretary; T. J. Carberry, Springfield, treasurer.

Dequits.—After many harrowing experiences Dr. A. C. Cox and Frank J. Wicks, general superintendent of the United Mining company, have arrived from Europe, the former from England and the latter from France. Doctor Cox attended the International Medical congress in London. His return in the steamer.

Deville.—Miss Helen Cannon, daughter of former Speaker J. G. Cannon of Danville, arrived in New York from Europe, where she had been spending the summer. The news of her arrival in New York was the first information Mr. Cannon had as to her whereabouts since the breaking out of the European war. Miss Cannon had been in Munich, but made her way to Berlin and thence to New York.

Chicago.—Gerrard J. Smith, who, his friends assert, was the oldest native Chicagoan, is dead at his home, 1417 Racine avenue, from a stroke of apoplexy. He was a member of Apollo Commandery and of the Royal Arcanum, of which he had been grand regent. Mr. Smith was born in 1841 at North Clark and West Erie streets.

Chicago.—Brig. Gen. Charles Truman Hotchkiss, inventor for distinction service in the Civil war, died here at the age of eighty-two. Since the loss through unfortunate investments of the considerable fortune he once possessed and the death of his son several years ago the veteran resided at the James P. King's home for aged men. With P. W. Hotchkiss, his father, General Hotchkiss constructed what is said to be the first telegraph line out of Chicago, when they started west to Milwaukee in 1844. In 1861 Mr. Hotchkiss enrolled in the Eleventh Illinois regiment as a lieutenant. When the railroad brigade was organized in August, 1862, he was elected lieutenant colonel. In January he was promoted to the head of the regiment. He took part in every important engagement in the Atlanta campaign and on March 15, 1865, was brevetted brigadier general for his services. He was appointed pension agent in Chicago by President Johnson. His acceptance of this appointment precluded him in the eyes of General Grant, who, when he became president, refused to appoint him.

Marion.—Will Brigham, nineteen years old, of this city, was caught by a fall of mine in a mine at Zougar, Franklin county, and killed instantly.

Taylorville.—After a suspension of six months the Christopher County Coal company's mine at Taylorville resumed operations with a full force of 400 men.

Springfield.—Plans for the largest gathering of teachers at an institute month excepting the state teachers' meeting were laid by the Sangamon County Teachers' association at the institute meeting. Three councils will be invited to join next summer.

1915-Buick Cars-1915

The Car of Power, Speed, Dependability and Durability

The Promise

"WHEN BETTER CARS ARE BUILT, BUICK WILL BUILD THEM"

The Fulfillment

IS FOUND IN

the Buick Line of Four and Sixes for 1915—the greatest line of Cars the Buick organization has ever built. 1914 Buick success has kept the talk of the motor world—a reputation merited by an abundance of power—faultless design—perfect performance and efficient Buick service. The five splendid models comprising the Buick line for 1915 is up to their promise to all buyers of Buick cars—and make certain a continued satisfaction and uninterrupted use.

The vital factor that built up the enormous demand for Buick cars is the Valve-in-Head motor together with the dependability and durability of construction, fuel economy and power.

Last season the output of 33,200 cars was completely sold out early in March. This endorsement of the Buick by the buying public has justified them this season in increasing the output and made possible the lowering of their prices.

The 1915 Buick models actually offer greatly increased value. The reduction of price is possible because of the volume of business, the improved factory methods, specialized labor and one more year's knowledge of experts in this great factory in new economies of construction.

The 1915 Buick has all the fundamental Buick principles with the addition of every improvement that has been the Buick test of worth. In fact, the three chassis, while the same in all essentials as last year, have been improved where improvement was possible.

The new Buick system of steering, lighting and ignition, with an increased generating capacity of 35 per cent and automatic spark advance. Tungsten steel valves. Carburetor supplied by Stange-Warner gravity feed vacuum system.

Controls conveniently located on instrument board in the cowl.

Non-skid tires on rear wheels.

Improved quality of leather for the upholstery and finer finish.

Black grade stream line hood, fenders and oval radiators.

There are but few of the Buick improvements, regardless of price, that are giving more value than ever before. They always have and still guarantee the Buick Valve-in-Head motor in driving, easy power than any other type of automobile motor of equal size. American or foreign make.

Republican Candidate for Representative.

To the Republican voters of the Eighth Senatorial district:

I hereby announce myself a candidate for nomination for representative in the lower house of the general assembly, subject to the decision of the Republican voters of the district.

Consisting of the counties of Kane, McHenry and Boone, the primaries to be held September 8, 1914.

If nominated and elected I shall vote for and favor:

1. A constitutional convention, to the end that the state may have:

(a) A more adequate and modern permanent law.

(b) A shorter ballot in elections.

(c) An end to minority representation in the assembly, and the (3) vote system.

2. A resolution upon the power of the City of Chicago in the legislature and a greater measure of home rule for the City of Chicago.

(a) An easier method of amending the constitution than now provided for.

(b) Our constitution should be otherwise reworded in various particulars.

3. I shall vote and work for an effective county local option law, as the results of the township law show plainly that the county should be the unit of voting on the saloon question.

4. I shall favor, as I always have favored, such legislation as protects the dairy farmer, and I shall endeavor to secure such a settlement between the state board of health and the Chicago board of health and the dairy interests, so that both interests can live.

5. In the house I shall favor the cutting down the standing committee from 28 to 16 in number and make them all working committees, and shall also favor the doing away with all rules that prevent the house by a majority from sitting at any time as the majority of the house see fit.

A stenographic record of everything said and done in each house of the legislature should be taken and made a part of each day's printed record, and given the widest circulation and publicity.

Very respectfully,
EDWARD D. SECHLEY.

CARL P. WESTERFIELD,
Candidate for County Clerk.

Subject to the decision of the Republican Primary to be held September 8, 1914.

JAS. M. WOODMAN

WAUKEGAN

FOR REPRESENTATIVE

EIGHTH DISTRICT

We are glad to see men of his character come up for election to office.—WAUKEGAN GAZETTE.

The candidacy of Jas. M. Woodman of Waukegan, for Representative in General Assembly is meeting with approval. He has a keen appreciation of what is needed in the matter of legislation for the district and has numerous friends who believe in his integrity and ability to give a good account of himself should he be elected. There is no reason why every Republican voter should not mark his ballot for Jas. M. Woodman.—NORTH CHICAGO TIMES.

All Republicans should make a united effort to support "Jim" Woodman for the Legislature. He is very popular, clean in all his business dealings and will make a record if elected.—ANTIOCH NEWS.

Jas. M. Woodman, candidate for representative is justly receiving the support of the dairy farmers of this country. He is well and favorably known; can be depended upon to safeguard the interests of our people as Springfield, and will undoubtedly receive a splendid endorsement at the primaries, September 8.—GRAYSLAKE TIMES.

The newspapers favor his nomination. The business men can depend upon him. The dairy and cattle interests are for him strong.

Vote for Woodman September 9.
