## REV. SUHR WRITES OF VOYAGE TO CHINA

Sails on Empress of Russia and Encounters Much Rough Weather — 1,300 People on Ship

In a letter to friends here under date of August 21, Rev. T. L. C. Schr. returned from his trip to China. Describes his ocean voyage as follows:

"For nine days we have seen no land while on board the 'Empress of Russia.' Fellow passengers number 337 first-class, fifty of the second-class, 400 of the third-class and 450 in the ship's crew. About 1,300 souls are aboard this floating palace—almost as many people as you have in the village of Barrington, and the best part of it to me is that there are over 100 missionaries who are going to Japan, Korea, China, the Philippines and India."

"For the better part of nine days, ever since we lost sight of land, we have had cold, rainy, misty and even stormy weather. At times the sea was very rough, the great billows rising from the horizon to a height of 12 feet, the water and spray dashed up over the bow of the great vessel. This was especially true of what should have happened on August 21, for on that particular day we crossed the 180th meridian, and that day dropped out of our calendar just as it had never come."

"We went to bed on August 15 and awoke upon August 17. This is due to the fact that the orient is one day ahead of the occident. We were glad to cancel that day because it has been the stormiest of the voyage thus far. We only made 25 miles on that day and ran 60 miles out of our regular course. The day before we made 42 miles so we are now about 200 miles behind schedule time."

"On the first Sunday out, August 13, the sea was so rough and the ship pitched so badly that it was decided best not to have any religious services. But on the second Sunday, August 20, three services were held. The captain of the ship is a Christian and he led in a spiritualistic service followed by others who spoke on China and other subjects. However, you just think that everybody aboard the 'Empress of Russia' is a Christian, for here the pleasures of the world are followed just as though it were on the land. There are those who think, play cards, dance, eat, just as if they were at home, grave to the bone and no eternity for which to prepare."

"Now, of course, you wonder if it was our good fortune not to become seasick. A great many were, however, but I am glad that we did not fare as badly as did some. Theodore Jr., and I came through without any great discomfort, but Mrs. Suhr, although not sick, was glad to sit outside on the deck where there was plenty of fresh air, all bundled up (for it was cold) and she also ate her meals. But tomorrow we expect to reach Yokohama, Japan, and go ashore for a week while. We hope to reach Shanghai, China, on August 27, when we leave the ship for the interior."

On August 24 Rev. Suhr wrote: "We reached Yokohama on the morning of the 22nd, last, and left there yesterday, reaching Kobe this morning. We are ashore looking around the town. All around us are Japanese people with their queer wooden shoes, which make a musical sound as they walk. It is a fine day and we are well."

Miss Pedersen Wins

Miss Ida Pedersen won the medal in the Missionary Oratorical contest at the Salem church last Friday night in which four contestants were entered. The program was a very interesting one and included a piano solo by Miss Almeda Plagge, song by a ladies' quartet, composed of members of the Salem church, Mr. H. H. Hay, the Misses Myrtle and Almeda Plagge, contestant No. 1, Miss Ruth Bruns; piano solo by Miss Mildred Heinlein; contestant No. 2, Miss Ida Pedersen; solo, Miss Louis Theibier; contestant No. 3, Miss Mabel Grebe; harlione solo by Orville Malmers; contestant No. 4, Harold Grebe. Mr. Hoerner presented the medal to the winner.

Illinois Troops Home by November 1

Secretary of War Baker last Saturday gave assurance that all the Illinois militiamen doing patrol duty would be back in Illinois before November 1. Their places will be filled, if necessary, by militiamen from other states now in mobilization camps who have not seen border service.

Card of Thanks

We wish to thank our neighbors and friends for their sympathy and kind assistance during the sickness and at the time of the death of our husband and father and we are also grateful for the beautiful floral offerings.

## MRS. H. A. BOWEN ENTERTAINS CLUB

Members of Woman's Country Life Association Enjoy Hospitality of Hostess—Unique Decorations

Mrs. H. A. Bowen entertained the Woman's Country Life association last Friday afternoon at her home on Grove avenue. The artistic mind of the hostess was well reflected in the unique decorations of her pretty room. Pink gladiolas, asters of many hues, nasturtiums and ferns peeped out at one from every nook. The crowning piece of art was arranged in a corner of the dining room—a table of vegetables with a rose cabbage as a centerpiece. Red, red and white radishes, corn, carrots, cucumbers, muskmelons, tomatoes and a border of the leaves and luscious clusters of fruit of the grape vine will grape vine.

A pleasing program of readings and musical numbers was given by home talent, with one exception, a vocal solo by Mrs. Tregelis, of Chicago Highlands, formerly on the chauncay platform.

A dainty luncheon of tea and cake was served.

A short business meeting followed, in which plans for the October "Harvest Home" meeting were discussed.

The following ladies were appointed chairmen of committees: Decorating, Mrs. Bowen; Fancy Work, Miss Ida Schroeder; Aprons, Mrs. Laura Stelzhofer; Vegetables, Mrs. Ida Barry; Bakery Goods, Mrs. Mary Schwemm.

Every member is requested to bring something to display in some one or more of the lines mentioned.

The meeting was probably to be held in the school building, but will be a joint meeting of the Woman's Country Life Association, together with the pupils of the Barrington school.

The record of the Pupils' Garden club will also be given this time.

The afternoon will be given over to the display in the different booths of the fruits of the harvest, canned goods, bakery goods, fancy work, aprons, etc.

A program in the evening, for which a speaker will be secured, will be made interesting for both young and old alike.

## COOK COUNTY FAIR WELL ATTENDED

All Speak in Praise of Exhibits—Races Created Great Interest for Lovers of the Turf—Boy Scouts Drill

The Cook County Fair at Palatine closed Saturday after a successful run of five days, the attendance being large. The president, Charles Dean, while unable to boast of a fine agricultural display, can proudly say that the race events were far better than was expected, and indications for next year point to a still larger and better fair. The fair has added attractions for handling the crowds and an account of the location, it being no near Chicago.

Mr. Lyman Powers of Barrington was a judge in the ladies' department, which proved to be one of the most interesting displays on the grounds. Miss Jeanette Thorp, also of this village, took first ribbon on embroidery and crocheted work. Mrs. Arthur Mundt received first for her hand-painted chintzes. The Hawthorne and Otis farm companies were well represented with blooded Holsteins, while many of our citizens helped to swell the crowds every day.

In connection with this movement our merchants will offer attractive bargains as evidence of their intention to make the week a great success. Take advantage of them. Help our community to pass prosperously and get your share of it by way of these bargains. Tell your friends about it and the big advertisement on page eight. It will pay you.

Lake County Exhibits at State Fair

The Lake County exhibits were there in good numbers and gave exhibition drills Friday and Saturday. County Life Director C. A. Far, President Huse of the Cook county board of commissioners and a number of prominent men from all parts of the United States were in attendance one or more days during the session and had nothing but praise to offer those who successfully managed the association this year.

Lovers of sports found ample opportunity to show their enthusiasm in the ball games, races, free attractions and other numerous kinds of amusements.

Peat Juries Drawn

A panel of "peat juries" to report in the circuit court at Waukegan on November 13, for the October term has been drawn. Those from Elgin township are Charles Hirschberger and Fred Grimm; Wauconda, A. J. Vasey; Cuba, Louis Brandt. There are a number of Lake County juries to come up at the State fair, probably to be drawn at the fair, they were successful only in landing the second premium, due to the fact that the judges favored their home county.

Thus this year, Messrs. Miller and Wells proposed to surpass in beauty anything that they have ever attempted and in this way bring back the high honor and everyone knowing the perseverance of these two gentlemen believes they will do so this time.

## THE PROOF IS IN THE SACK

The above is a picture show worth while. A crop can be no better than the land on which it grows, which is another way of saying that fertilizing pays.

## NATIONAL PAY UP WEEK

## MONTHLY MILK PRICES

Local Merchants Plan For New Movement of Nation-Wide Prosperity—Oct. 27

Borden Company Want Producers to Contract for Month Only Future Milk Figures

Dairymen in northern Illinois were surprised when notices were issued at the Borden factory stating that the company would publish monthly prices for milk instead of letting out short-months' contracts as heretofore.

The notice at the factory read as follows:

For the present until further notice, we will publish monthly prices which we can offer for milk for the following month.

(Signed) Canned Milk Dept.

Because of the unsettled conditions and the impossibility to determine for a six months' period what the company can pay for each month, it is said this action has been taken by the officials of the Borden companies.

The company is said to be that quantities on the market are not being sold.

## DEATH OF BENJAMIN B. CASTLE

Former Barrington Citizen Succumbs to Attack of Malaria While on a Business Trip to Florida

Benjamin B. Castle, fifty years old, well known Chicago banker, and at one time a resident of this village, died on Thursday of last week at Tampa, Fla., following an attack of malaria fever, for which he contracted while on a trip to the southern state.

The deceased is the son of Lester D. and Angelina Castle and was born on the home farm, about one mile east of Barrington, September 7, 1865. He spent his boyhood and young manhood on the farm, attending the public schools and graduating from the high school in Barrington. Later he attended the Jefferson Park high school for a number of years. He then entered the employ of J. V. Farwell & company, wholesale drygoods merchants of Chicago, where he remained for many years.

On September 3, 1891, he was married to Miss Claude E. Flakins, only daughter of Dr. and Mrs. Frank Flakins of Barrington. Following their marriage Mr. and Mrs. Castle moved to Irving Park, Chicago, several years ago, moving to Arlington Heights in 1902 when Mr. Castle helped to organize and became the first cashier of the Irving Park National bank, of which he was also one of the organizers. Later he became cashier of the Logans Square Trust and Savings bank, with which he severed his connection in August, 1915. At the time of his death he was vice-president and a director of the Arlington Heights State bank.

On August 1, he left for Florida on a business trip. After spending a few days at Orlando, in that state, he started on his return trip, and upon his arrival all charter members will be enrolled as such. By being recognized as a state organization, it is thought better results and added prominence will be gained for the association. Heretofore, with cities where these organizations exist, indicate that a state charter is by far the best measure to take in organizing a new association.

The regular monthly meeting night of the merchants was set for the first Friday of each month. It is thought that at least thirty-five members will have signed the constitution and by-laws by the time the charter gets here; then a campaign will be launched for additional members. Perhaps a committee consisting of ten men will have this in charge. Five men will be represented on each side and the side having the smaller number of members will have to give a banquet for all members of the association.

## A NEW MOVEMENT

Now, National Pay-up Week is coming to our town. It is going to pass prosperously around here. It is going to help clean up our books and start with clean slate for a new business year. Join in and help out by paying the other fellow so this fellow can then pay you. The whole community will be benefited and every individual will be helped.

## BANNER YEAR FOR G. O. P.

After a test of four years under democratic administration, returns indicate that the people in general have turned and will make 1916 a banner year for Republicans. The first indications of this came in the startling announcement that Milne, a supposedly strong democratic stronghold had turned Republican by 13,000 majority. Another indication is that in the tenth precinct, Waukegan township, only one woman voted at the primaries. Wednesday, September 13, and she voted a straight Republican ticket.

## TIME TO BE CAREFUL

The dry season has again emphasized the great fire danger present in rubber, spark, a carelessly thrown match, cigarette or cigar stub easily ignites dry rubbish and may start a bad fire, even a conflagration. At times of drought it is especially important that basements, alleys and yards be free from combustible waste and rubbish. Why jeopardize perhaps your all for a few cents worth of waste paper or excursion? Fire chiefs should be especially vigilant in having rubbish removed from the premises of the careless ones.

Right now do you have started your furnace or stove fires. Has the chimney been properly cleaned and is it free from cracks and defects? Is the stove sound and resting upon a metal stoveboard? Is the stove pipe sound, well jointed and rigidly wired? If it passes through a partition or door, is it surrounded with a double thimble and heavy asbestos? Is the stove or smoke pipe close to any unprotected woodwork?

Just a little care action now may save a great sorrow later.

## DO IT BEFORE WINTER

Paint up your house, repair the leaks in the roof, put the eaves troughs in proper condition, and make any other repairs necessary. It is your castle, the place where your happiness moments are spent; and a winter of pleasure will be assured if you attend to these things now. Your wife wants you to do it, whether she tells you so or not.

Clean out your well—if you have one—and see that it is in sanitary condition. The health of your family should be your first consideration. And then, too, it saves doctors' bills.

Perhaps you need a walk or two around the house, or leading to the front gate, or to the barn, or elsewhere. Build it. Women should not be compelled to spend five or ten minutes scraping mud off their shoes every time they step out of doors, for it is an uncomfortable job in cold winter weather.

Don't forget to take care of your stock. If there are any holes in the sides of your barn,

repair them, too. A shivering animal does not think much of its owner, and neither do most people.

Get busy on the roads. They need it and you need the results of better ones. Just how would you like to be a horse and strain every muscle in an endeavor to pull a load through a lot of sticky mud the long and wearisome road to town and back? Wouldn't like it, would you? Neither does the horse.

## TO HAVE FRIENDS—BE ONE

The only way to have a friend is to be one."—Emerson.

There is no reason for a suspicion, but more than a suspicion, that the art of friendship is dying out among us.

The friendship of the ancients were very exacting. In modern days we should look a long while for such mutual regard as that of Damon and Pythias.

Friendship in our crowded days covers a wider area, but as is the case of all extensive development it has lost intensively.

Instead of friendships we have visiting lists. Not those whom we love, but those we would propitiate. We invite to dinner. Those who would propitiate us, invite us in turn and permit us to eat.

We live, also, in the suburbs of each other's hearts.

The man without friends can accomplish very little in this world. Depending on his own strength alone, his mightiest endeavors are as nothing. At harvest time he gathers nothing but leaves.

But the man with friends—strong friends and loyal friends—who have confidence in his integrity and ability to do things, has great power. When he leads they will follow him, and all working together untiringly bring victory. This is the reason why men achieve great success with modern abilities, while more brilliant contemporaries fall short.

This is true in every business and profession. It does not matter so much whether a man has enemies or not as that he has true friends who will stand by him and never desert him.

To have loyal friends who can be depended on is to gain success in life.

To have true friends you must be one, the quality of loyalty you get depends on the quality you give.

## NEAR-BY NEWS

About \$200 worth of tires, inner tubes and other goods was the booty of burglars who entered the Genoa Junction garage last Tuesday night. So far no one has not been apprehended. Entrance to the place was gained by forcing a window in the back part of the building.

Woman will no longer be compelled to tell the age of their children to register to vote in Cook County. Commissioner Scully has eliminated the cumbersome ordeal in a ruling made last week and henceforth they, as well as men, will have to attest only that they are more than twenty-one years old.

With a hurling grapple from the Darrington pit here, John Anderson narrowly escaped death in a serious injury last Saturday. He was driving a team and owing to the noise of the wagon failed to hear the approach of a train from Geneva until too late to avoid the accident. The train struck the wagon, killing both horses and smashing the wagon. Mr. Anderson had the presence of mind to jump and thus saved his life. He was severely shaken up but suffered no further injury.

Our Merchants will Offer Some Attractive Bargains Oct. 2 to 7

## PAY-UP WEEK PROCLAMATION

...Whereas, the week of October 2 to 7 has been designated by the Barrington Commercial Association as "Pay-up Week" in Barrington, and,

...Whereas, the plans of the Association and its individual members are extensive for placing our town on a paid-up basis, and,

...Whereas, a spirit of optimism is general throughout our city and country, due largely to the

good crops and favorable prices now in command, and,

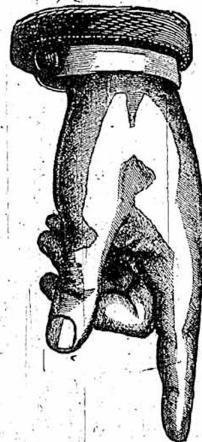

...Whereas, an event of this kind is always beneficial to the city at large, to our bank, and to all our citizens, therefore,

...I, by the authority vested in me as Mayor of the Village of Barrington, do hereby designate and proclaim the week of October 2 to 7 "pay-up week" in Barrington.

Signed: **A. W. Meyer,**  
Mayor of Barrington

**Pay-up week comes in the time of year when business needs just a little added impulse to make it go faster than it ever did before.**

**People everywhere have endorsed this National Pay-up Week. Resolve now to pay your bills, if possible, during the week of October 2-7.**

## Six Days for Paying Your Accounts and Six Reasons Why You Should Pay Now:

1. Your money will help us pay our debts.
2. We have been kind to you, now it's your time to reciprocate.
3. A payment now will improve your credit rating with every Barrington merchant.
4. Your check goes at once to the Barrington bank, thus increasing bank deposits, and assisting them to accommodate their customers.
5. Prices on all farm products are much above last year's prices. You CAN pay if you WILL.
6. If you are a BOOSTER for Barrington pay now and help your town to grow.

### Let's Pass Prosperity Around

Barrington has joined hands with thousands of other communities to increase the country's prosperity and at the same time distribute it so that all will be benefited.

We are all dependent upon each other. No one class can gain at the expense of all the others. The factories cannot run without market for their goods.

The employees cannot live without this market. The farmer can make no money if there is none to buy his surplus products. As the farmer prospers, all prosper. As the other commercial interests of the country prosper, the former prospers. We must look to one another for our living. If we can turn into the channels of business the dollars we owe one another, so that we can again use these dollars to buy more things, we need—every man who is supplying a need will prosper.

This is the object of *National Pay-up Week*, Oct. 2-7. You can help and you can be helped if you will pay up during this week. We, the business men of Barrington, have pledged ourselves to pay our bills at this time. Let's all work together.

Let's pass prosperity around—Resolve now to pay your bills some time during National Pay-up week, Oct. 2-7.
