

Make Your Word Your Bond

What a feeling of satisfaction it is to have our fellow townsmen say, "His word is as good as his bond."

CREDIT, the basis on which present day business is built, is one of the greatest assets any man can have. Keeping his **CREDIT** good is a duty every man owes to his community, his family and to himself.

Past due accounts reflect upon a man's business ability. They mark him as a man unworthy of confidence in any business activity. No one likes to be associated in a business or even in a social way with a "dead beat."

[**CREDIT** may be kept good by paying promptly as agreed. Almost
[any immediate sacrifice is well worth while to maintain good **CREDIT**.]
