happily write to you if I can.

I am going to write to the

not affect the Elberry Lions Club

Don't Risk
Paying With Cash

When you want to pay a bill or purchase something do you pay cash?

Or do you check? Cash is a risky way to handle money. Errors in charge are always possible. Receipts are very easily lost. A bank check is proof that you have paid.

Real Charity
In a recent service the pastor said to the congregation, "As we grow more charitable, let us as individuals grow more charitable, make up more of the want of the world, of our fellow men, more kind and patient, more considerate, more give of. If the rents are to have no increase, let us give more. If there has been one of the most dependable girls on the team, the girls are the best, and the hardest tackler, to be will be missed."

Dog Attended Funeral
Quite recently a brother followed his master's funeral to the parish church. The dog had been a owner's half-starved and had become a great pest to the other parishioners. When he was refused admittance to the church, he was allowed to enter. After attending the service the dog gazed at the casket and lay beside it, and the coffin and wailed to the cemetery—Leader.
