**Promoting Play as a Factor in Our Community Life**

As the time of the year draws near, the Festival Home, and the River are taking and planning summer camps.

"That," says Fred, W. L. Wadsworth, the Festival Home, "the great spirit of the summer, the great fact that the Festival Home is a place where the children of the community can have a good time, and where they can learn to play and to live together in a community."

We believe that we can do this, and we believe that we can do it in a way that will be of benefit to the community. We believe that we can do this by promoting play as a factor in our community life.
