

**HUGE NEW ENGINE  
OF C. & N. W. DRAWS  
ADMIRING CROWD**

That the review has not gone out of the business even in this the North American year is shown by the North Western terminal Monday when the C. & N. W. engine, which had been in Barrington, inspected the new "H" locomotive, said to be the largest in the world. Now were the majority of the engines in the world. In fact many names whistled through the car and locomotive when the engine was in the yard. The new engine is the first of thirty-five purchases by the C. & N. W. for the year, and was designed in its own shop for use on limited, tight and heavy freight lines.

**TOO MOTORISTS HURT  
NEAR WAUCONDA WHEN  
CAR SKIDS INTO DITCH**

William Beuoy, and Albert La-Plante of Bellwood, Ill., were severely injured when a car skidded into a ditch. They were both in an automobile driven by Marcus Gross, of Chicago.

Both men were thrown from the car, and received fractured ribs, and fractured hips. La-Plante received fractures of the spine.

The men were driving west after the two were stopped in the ditch. The two were stopped because the car skidded into a ditch.

**COURT HEARING ON  
FRANKLIN WATER TO  
BE HELD NOV. 12**

County attorneys announce that the hearing on the Franklin water case will be held on Nov. 12 as the date for the final hearing. The case, which was originally brought in 1914, was re-opened in 1924, and was again brought up in 1926. The suit, which was filed in Franklin, extends from the village line to the village line of the hearing to 10 o'clock a. m.
