Mrs. Stella Strobach and Miss

Stop wasting costly

HEAT

Keep warm these frigid

normalized. Line your attic

with this unique "Wool"

from Wool

COLD, drafty, hard

to heat this frigid

weather—or warm

and cozy no matter how

wintery it is... Which

kind of house is yours?

Here's a simple way to

protect it no matter how cold

and windy the weather.

Simply tuck in this thick,

flexible Balsam-Wool

between the top story ceiling

joists or roof rafters.

Balsam-Wool is the most

efficient house insulation

known. It actually approaches

sheep's wool in warmth.

Installing Balsam-Wool is

not a remodeling job. A few

hours work and the job is

done. Ask us how many feet

your attic will require. Come

in today.

Pays you money! Insulating

your attic with Balsam-Wool soon pays

for itself in fuel savings. Within a few

years Balsam-Wool pays you a definite

annual dividend in fuel savings over

and above its original cost.
