Attorney General Otto Kerner has announced that he will cut the numer of inheritance tax districts in the tate from 30 to about 25, with a corresponding reduction in his staff of insertinuce tax attorneys. He has estimated the staff of the

Modernism's Beginnings

Moderaim's Beginnings

We call those things modern
which are widely characteristic of
our contemporary western type of
modern times modern are in general
those which distinguish our day
from medieval Europe. Fenulal government gave way to national
states, the unity of medieval Christiantly was broken by the Protestant
states, the unity of medieval Christiantly was broken by the Protestant
states, the contemporary of the protiantly was broken by the Protestant
states, the contemporary of the proparary a new world commerce bevaloped, the Reinstssance put new
vajor in at and different period
tage value of the contemporary of the
states of the contemporary of the
protestant protestant period so
the Statestant contemporary
to the modern period so far as western Europe is concerned.—Chicago
Tribune.
