New Song
Junior had been in school only a
few weeks, and each evening his
mother asked bins wint he had
learned that day, one evening when
asked the usual question, he answered:
"We learned a song about a fox
today."

New Zesland Had No Animals.
New Zesland Is the only country
in the world that did not have domesticable animals until they were
jountries. It was inhabited by large
numbers of birds, some small, religious
litive reptiles and one species of
frog, but the only manusuls that are
religious methods and religious the service of New Zesland are
two species of beats.

Prompt Human Action Sentiment and reason are the chief impulses which prompt human action.
