Ela High Senior Class Lays Plans for Graduation

Happenings of School and Classroom Reported by Students

The senior class has made its final decision in regard to its class marshals, and usher for the commencement and baccalaureate exercises. The class flower, and the class colors had been chosen earlier and a decision to keep the earlier choices was made.

Class tickets are an independent ticket is John Kjellander for mayor, Arthur Froehlich, Fred Pepper and Peter L. Jansen is a candidate for police magistrate.

Annual Meeting of Home Bureau Held at Grayslake Hall

Officers Elected at First Annual Session: Mrs. Steinle Is Elected President

The Lake County Home Bureau held its first annual meeting at Community hall in Grayslake last Friday. More than 300 women were present.

Reports of different committees were given and adjournments were taken for the next year.

The chairman of each unit was called upon for a report of her unit.

The following officers for 1933-34 are as follows: chairman, Mrs. Lula Steinle; vice chairman, Mrs. Luella Koenig; secretary, Mrs. James King; treasurer, Mrs. Earl Koenig. The vice chairmen will be elected as follows: Mrs. Miller, Mrs. Ellsworth Hause, Mrs. Dillon and Mrs. Strohach.

A delicious dinner was served at the meeting. The speaker of the home bureau was a speaker and Mrs. Homer Johnson gave a very interesting talk. Vocal numbers, readings, stand by the various units were given.

Mr. and Mrs. Joseph McGuire, singing led by Mrs. Pease of Gurnee of Mrs. Abney of Grayslake was part of the program.

Local and Personal

Mr. and Mrs. Leo Smith had an interesting Sunday morning at the church. Mrs. Arthur Stark and daughter, Mrs. John Stark, Mr. and Mrs. Donald Lawrence, and Mrs. Emma Markhoff and son Melburn, all of Kingston.

Mrs. and Mrs. Louis Loeffelholz, Mrs. Herman Krich, Anna Wildhagen; her granddaughters, Mrs. Hanna Foste, Marie Lohman; Mrs. George R. White, daughter of Mrs. Foste; Prude, Ella, Elin, Phyllis, Bauer, Nancy, Lillian Prehn; Sarah, Evelyn Petersen, Hannah, Anna Wildhagen; spirit of husband, Gladys, Anna, and son, Henry.

The first snow was in the home 100 years ago. This scene showed the way the girls dressed; the songs they sang, the modern conveniences of that time.

The last scene was in the modern home including modern conveniences.

The last feature of the program was a song, "Sparkin' Peggy Jane," which was acted by Evelyn Petersen and Kay Pathé.

Farmers Attend Poultry Show

About 175 farmers and poultry raisers attended the poultry show put on at the high school on Tuesday, February 28. The speaker was Prof. Knecke, formerly superintendent at Purdue University. His talk showed that he had a wide experience in poultry work, both as farmer and professor. After his lecture he answered questions and showed several reels of moving pictures.

The band and vocal clubs are preparing for the music festival which is to be given at Homestead high school on April 10th and 11th.

The band and the club plan to give a concert some time in April.

Women's Club Notes

Mr. and Mrs. John J. Kellander lecture on "A Journey to India" under the auspices of the Woman's club Friday evening, March 10 at 8 p.m. at the high school. Dr. Nickerson, a man who served with the Army in India, will speak on "India and on his last trip many of the views he will show were taken from an armored car. He will take you through the wonderful beauty and culture where he will show such as stately shrines, cherry blossoms, fighting warlords and gay Geisha girls. An interesting evening is promised for the club members and friends. Tickets may be bought from club members or members of the Girl's club of the high school.

Nobody knows where she got her pass to the symphony concert at Severance hall, or why she thought of crashing the portals of that dignified hall. She sat and squirmed throughout the first part of the program, looking very bored and very perturbed. At the intermission she got up and went in search of an usher.

"Say," she demanded, "when do the movies start?"—Cleveland Plain Dealer.

Death by Electricity

It is not unusual for a tenth of an amperes through the human body to kill a man, but under some conditions a current of electricity only one-quarter as strong will do so.

There is a wide variation in the amount of current necessary to kill different individuals.

If the skin is dry, a much

lower voltage may have this effect.

Many cases are known in which 110 volts can kill, but the wet skin, as

to produce a current through the vital organs, have caused death.

Then What Next?

"De shorter workin' man," said Uncle Eben, "is goin' to leave us so much idle time dat fum us you know folks is gitter kick foh fooh circuses."

Lake County Must Economize to Keep Out of the Red

Estimated 80 Per Cent Tax Collections; Looks Like 63 Per Cent

The six months report of the finance committee of the county board of commissioners shows that the county, unless drastic steps in the way of retrenchment are taken, will show a deficit for the year according to the Waukegan News-Sun.

The audited statement on the appropriation, which was set at \$350,860 but on the actual amount of taxes paid.

The appropriation included many of the county board departments and division of county government, and then warned that to play safe expenditures should be kept under 80 per cent of the appropriation.

This allowed for a 20 per cent loss on the extension and collection of taxes.

The actual amount estimated as being available from taxes for county use was \$322,158. Of this \$265,863 is 80 per cent, according to the report submitted to the board, but there is a warning that the extension and collection sheet showing that the extension and collection will not bring 80 per cent of the appropriation but 63 per cent.

Story of Mine Disaster Is Put in Book Form

The Moweaqua mine disaster, in which 54 men lost their lives, will be told through an official account in book form. The miners' union has certified and authorized the story written by Ernest C. Foster, a former superintendent of the mine. The details of this disaster and the search for the bodies of the victims, together with the findings of the investigating bodies, will all be contained in the publication. Through co-operation with the civil service, the Moweaqua miners' fund to repair the injuries is being created and a portion of the receipts from the sale of this book will go into this fund.

Lyons Offers Bill to Re-apportion Entire State

The congressional reapportionment struggle has again been launched in the house with a bill introduced by Representative Richard J. Lyons of Illinois to 210 in the metropolitan area, 14 districts in the remaining state counties 13 districts. The state of Illinois is now divided into 23 congressional districts with two congressmen-at-large. Cook county has

10 districts and the downstate has 15. Representative Lyons is the author of the congressional reapportionment bill which passed the legislature two years ago, but was knocked out by the supporters of the bill of inequities in the sizes of the districts. The new bill is drawn to overcome this.

Bill Offered to Prevent Foreclosures on Farms

Before the house yesterday morning, was a farm relief bill authorizing judges to decide two-year moratoriums on foreclosures of real estate mortgages. In pending foreclosure suits or seizure actions, the measure says that "if the court, after hearing, upon good cause, shall continue the cases until July 1, 1933, the bill was recommended by a sub-committee

headed by Rep. Howard L. Doyle as a substitute for four individual moratorium bills and the first legislative step toward relief for farmers.

Lowered Values for 1931 Causes Rate Difference

Cuba and Barrington Village School Rates Vary: Village Bond Dropped

The lower values of Cook County and Lake County for school, village and town bonds, as shown in the county assessors' reports, were lowered because of the fact that the rates had been increased for that suggested by The Review. Both Lake and Cook counties have the grays, an intriguing "pickle," and a worthy artist.

The "pickle" into which fate

the county were entangled only a

decade ago, Kinski and his faithful

Buskowski and Runkel.

The machination of the middle

man, his over-zealous advertising

expert, has preceded him. Also an

intriguing "pickle," and a worthy

artist.

For the year 1931, the

county rates were

the same as those

of the village, town, road

and forest preserve

districts.

If the assessors

had the same with-

holders, these rates

would be the same.

The rates have been

for the full year 1931

Schaeuble Brothers and
Collins Deliver Auto
to Winner of Contest

Schaeuble Brothers and Collins received the \$1000 cash prize for the first door prize drawn from the 2000 door prizes sold by the Pontiac company Chicago headquarters just week.

The auto was for delivery of the car to Clarence Thomas of Wauconda who had won the automobile in a national contest of skill conducted by a large manufacturing company. The car was given to the Wauconda Auto and Truck Center, a division of the Chicago distributor who in turn passed it on to Schaeuble Brothers and Collins, nearest dealer to Wauconda.

Tabloid newspaper is one that expresses the news briefly. It is usually of smaller size than the ordinary newspaper but contains the news as it has been condensed. The firm of Burroughs, Wellcome & Co., London, England, coined the word and applied it to a preparation of drugs in a compact form, in a drug form. Although the term is a copyrighted trade mark of that firm, it is now widely used with reference to anything concise or condensed, especially newspapers that summarize or condense the news.

**Prohibition Laws Now
Up to Governor Horner**

Illinois' two prohibition laws have been practically erased from the statute books of the state with the approval by the house of representatives of the state senate's recent action to repeal the two laws. Governor Henry Horner remains to be affixed to the bills to make the repeal measures effective. The state senate's action of 1919 was repealed by the house in 1925, while the vote for the repeal of the prohibition law of 1921 was 115 to 29.

**Hold Hearings for Uniform
Assessments, Tax Payments**

Professor Simon Leland of the University of Chicago, member of the Illinois Tax Commission, has announced the commencement of public hearings by the commission in efforts to obtain greater uniformity in assessments and tax payments in the tax collections. Hearings will be convened in Springfield on March 13 and 14. The 1500 assessors and

treasurers from the state's 102 counties have been asked to appear at the Springfield sessions.

**Barrett Will Appeal
Receiverships Decision**

While receivers of more than 300 Illinois state banks continue in power under order of State Auditor Edward J. Barrett, plans are being made for a special session of the state legislature to be held in Springfield on April 10 to consider the receivership of the former Judge Dennis E. Sullivan who held receivership appointments made by the auditor to be held. Attorney General Otto Kerner will act as attorney counsel for the auditor.

**Introduces Bill for Mutual
Savings Bank System**

Rep. Clinton Seale Rock Island has introduced a bill, patterned after the Illinois law, authorizing the establishment of mutual savings banks. Mutual savings banks have no stock and no stockholders but are managed by trustees who act without salaries except when they are officers and depend on their full time to manage the bank.

**Horner Missed Inaugural
and President's Conference**

Tied up in almost endless conference, Governor Henry Horner missed the inauguration of President Franklin D. Roosevelt. The governor, however, left Monday for the regional conference of governors but on account of the death of Mayor Anton Cermak he returned to Chicago before the conference was held.

**House Bill on Religion as
Teachers Qualification**

Rep. R. G. Soderstrom's bill to prevent discrimination against teachers because of their religious affiliation has been passed by the house and sent to the senate. If it becomes a law, it will be a qualification or disqualification for teachers seeking employment.

Responsibility

"Big responsibility," said Uncle Elmer, "is sumpin' you likes to be promoted, but afterward don't like to be reminded of."

Baseball Once "Rounders"

The outreach of baseball is the outreach of the old English game of rounders, which was originally changed to baseball game. The Knickerbocker club in New York city was the first and still is the leader in baseball. The organization occurred in 1845. The game grew in popularity until the first professional league was established in 1871. From that point on the game grew rapidly in public favor.
