Diamond Sport to Be Revived After Six Years' Lapse

A championship match between the winners of the two leading bowling teams of Barrington will climax the season's bowling season. The match will be played at the Lipovsky alley on Thursday evening at 8:30 o'clock.

The Sasa Hardware team has secured its victory of the Barrington District League and the Jefferson Ice team has clinched the title of the Barrington Bowling League. Although these teams have not yet completed their schedules.

The Barrington League will end its season Thursday night and the district league will wind up its season Friday night.

Langdale's Team Wins Pin Title in Lions League

The leading Langdale bowling team defeated the close runner Pohlman team Monday night for the 1933 Lions League title. The second place was held by a margin of 17 pins last week but when the last miniature had been rolled the winning team held a margin of 105 pins for the season.

Langdale's team also proved to be superior in other respects. The team held the high game score of 774 pins for the season, Earl Schewman won the leading individual score of 2065 per game average of 172. The six highest scores and their averages are: Schewman, 173; J. W. Langdale, 167; P. H. Pohlman, 161 and A. D. Church, 161.

Pohlman Bowlers Give Leaders Close Race But Lose in Last Leg

The leading Langdale bowling team defeated the close runner Pohlman team Monday night for the 1933 Lions League title. The second place was held by a margin of 17 pins last week but when the last miniature had been rolled the winning team held a margin of 105 pins for the season.

Schreiber's Team Again Wins From Lakers' "Supers"

Schreiber's Specials, Barrington's second bowling aggregation, won the second special bowling match with the so-called Adams' Super-Specials at Crystal Lake when they completed the last of the two three-game series Wednesday night. The local Lakers score was 5450 and the Schreiber team was 5222 which gave the Barrington players a victory by 222 pins.

The following challenges were issued to Schreiber's Specials through the columns of the Crystal Lake Herald last week:

Crystal Lake's first team against Barrington's first team to be played on the Schreiber alleys in Elgin.

A ten game singles match between W. Pohlman of Crystal Lake and W. Stone of Barrington, the games to be played on the Schreiber alleys.

A ten game doubles match between Stone and Conn representing Crystal Lake, this match to be divided between the two towns. In regard to the challenge, the Crystal Lake players hold that in the last two games the Lakers have not shown themselves capable of ending with the local team. A "change of venue" is necessary as the past two matches have been played alternately at Crystal Lake and Barrington.

Perhaps if the Crystal Lake players could offer a little more opposition to the Barrington team another contest could be arranged.

In reference to the other two challenges of the Crystal Lake players, the indicated Wednesday night is the deadline for the match. It is reported, Schreiber's "Specials":

Where Helium Is Made

The government's helium plant at Amarillo, Texas, and the government plant at Fort Worth, Texas, are the largest producing plants in the United States. The output has been limited to the demand of the army and navy for helium rather than by the capacity to produce.

The Royal Neighbors met Monday afternoon at the home of Mrs. Henry Krueger. After the meeting, luncheon was played with hours going to Mrs. William Johns and Mrs. Frank Dickson. The next meeting will be held in their hall on May 2.

Sasses First and Phillips Second in District Pin Loop

Phillips 60 bowlers secured titles of second place in the Barrington District League Friday night when they annexed three games from the leading Sasa Hardware team.

The season will terminate next Friday night. The closing games will undoubtedly be uneventful as possibilities of changing the standing do not exist. There is a difference of 11 games between the first and second place teams, four games between the second and third places and 12 between third and fourth places.

Says Her Husband Lost 16 Pounds in 4 Weeks

"I have never found a medicine that says 'you put like Kruschen Salt and water' in the water 'pepp' up'! I take it on three times a week. It reduces but merely to feel good and clean. My husband took it to reduce the last 16 pounds in 4 weeks." Mrs. E. A. Perks, Washington, D. C. (December 29, 1923).

To lose fat and at the same time gain in physical attractiveness and feel good, take one or two half teaspoons of Kruschen in each glass of water before breakfast every morning.

A jar that lasts 4 weeks costs but 17c if at any drugstore in the world. But be sure and get Kruschen Salt the SAFE way to reduce wide hips, prominent front and double chin and gain for the "figure" — minus back if dissatisfied after the first jar.
