According to W. P. Shahan, executive secretary of the Illinois tuberculosis association:

"Figures of the state department of health show that T. B. worked a rise in death from tuberculosis in Illinois recently." Mr. Shahan said.

The mortality from the disease in June this year was higher than in any previous month since it is known, the experience in other years. As a rule the seasonal trend of deaths from tuberculosis shows a decline in June. This year it was upward, preceded by an increase in May.

Over four million dollars in taxes had been collected by Lake County Treasurer Jay B. Morse up to September 15. If this amount represents the current tax the maximum amount of the tax will be \$750 per cent of the entire income. However, the amount includes some back tax for other years.

The amount of 1932 taxes expected for collection totaled \$5,255,336.73. The amount collected this year up to September 15 is \$4,600,000.

In comparing the figures for September 15 to 15 of the last two years the showing is as follows:

1931—\$4,261,514.44.

Received in 1932—\$106,014.50.

Morse explained that the collections for September this year have been improved for two reasons: one, the tax is higher and the other, collection is easier due to the fact that the other is imposed and more of the obligation is met.

That the collection this year will be better than in 1932 is almost certain, as the final figures for 1932 are not yet in.

Mr. and Mrs. Harold Kelsay and children, Mrs. Harold and Mrs. Mrs. Frank Kirby, and Mrs. Mrs. of Seattle returned home with the Kelsays for a few days' visit.

1931—\$4,261,514.44.

Received in 1932—\$106,014.50.

Morse explained that the collections for September this year have been improved for two reasons: one, the tax is higher and the other, collection is easier due to the fact that the other is imposed and more of the obligation is met.

That the collection this year will be better than in 1932 is almost certain, as the final figures for 1932 are not yet in.

Mr. and Mrs. Harold Kelsay and children, Mrs. Harold and Mrs. Mrs. Frank Kirby, and Mrs. Mrs. of Seattle returned home with the Kelsays for a few days' visit.

Mr. and Mrs. Henry Wilson of Shady Hill motored to Chicago Monday.

Mr. and Mrs. Frank Blaske of Chicago visited with Mr. and Mrs. Louis Krueger.

H. L. Weimer and Melvin Eide attended the Cubes' double header in Chicago Saturday.

Over four million dollars in taxes had been collected by Lake County Treasurer Jay B. Morse up to September 15. If this amount represents the current tax the maximum amount of the tax will be \$750 per cent of the entire income. However, the amount includes some back tax for other years.

The amount of 1932 taxes expected for collection totaled \$5,255,336.73. The amount collected this year up to September 15 is \$4,600,000.

In comparing the figures for September 15 to 15 of the last two years the showing is as follows:

1931—\$4,261,514.44.

Received in 1932—\$106,014.50.

Three Legs and Two Arms Broken in One Game Evidence of Rough Sport of Football 35 Years Ago

The Barrington Bears went on a batting spree last Sunday and trounced the Elgin Parkside by a wide margin, 13 to 2, at Ledge Park in Elgin. The heavy artillery of the Bears cracked the two Elgin pitchers for 18 hits, including six for extra bases.

Shuey and Wicks headed the home team with two triples and two doubles, respectively, while Dray thrilled the fans with his flashing fielding. Gary Morton, a former minor league star, was knocked out of the box in the sixth inning after yielding nine runs to the Bear slugger.

C. Altenburg pitched good ball for the Bears, allowing only six singles and two runs, while chalking up 11 strikeouts.

This was the deciding game of a 3 game series, each team previously taking a decision by a one-run margin.

With all available daylight used in working, signal practice was often held by lamplight in an old livery barn that stood on the corner of Main and Park streets.

The game, played at 3 p.m., thrilled the crowd to the third of the pigskin 35 years ago just as we are thrilled by this fascinating game today.
