The Sign of Service

## Good Laundry Work

Science in the laboratory has contributed its bit to better laundry service—and it has been this policy of "always better service" which has built our business. Laundry rates are now so low that no housewife can afford to persist in home laundry. Let us explain the six distinct branches of the laundry services we feature. You will find there is a saving to be enjoyed.

# NEW FORD V-8 for 1934

THE UNIVERSAL CAR

The New Ford V-8 for 1934 is now on display at the showrooms of Ford dealers. Surpassing even the great Ford of 1933 in economy, beauty and comfort, it is truly the car of this modern age—the culmination of thirty years Ford progress. It combines the proved performance of the V-8 cylinder engine with two important new features-Dual Carburetion and perfected Clear-vision Ventilation. See this car today and drive it at the first opportunity.

### OUTSTANDING IMPROVEMENTS IN THE NEW FORD V.8

ing economy and reduce maintenance cons. NEW VENTILATION SYSTEM permits de-vision, prevents draftn and provides desir-amount of fresh air in any weather. Individe control for front and rear side vindows. Who ventilation is desired the vindow glass is rais to the top. Then the handle is given an ad-tional half-turn. This slides the glass ba-horizontally to form a narrow slot. Through

DISTINCTIVE NEW APPEARANCE enhanced by the newly designed chromium-planet radiator shell and prills, new hoof lourners, new hub cape. Lateriors are intenctive, with new tuffed uphol-stary, new mondings, new coverype headlining, new international panel, new arm reets, new hard-ware. Swind-type and vinces in De Luzze bodies prevent glare from front or side.
