ising at a red light smiled

Bocky positing at a red light smiled down on her.

"Warm enough?"
"Ob, yes."

'Light me a cigarette, will you?'
'She me him the lighted cigarette,
'sreat' you?'

Somebout the sting had gone of
er fled any antiquenism toward him.
'Fred any antiquenism toward him.
'sreat' tenderness.

Found the properties of the lighted him to be a server tenderness.

Diwn bride as they left New
York. Deris snilled the Iridescent
his that ross from the fields.

A truck was driving up to a garhi rossibile rosort. Men were unloading clams fresh from the ex.

"Caul' weig."

"You Know Everybody is Staring at You."

Ing at a red light smiled, rough?"

From the star red light smiled, rough?

From the star red light smiled, rough r

"Tönt' be, a fool, Böris," un-reasonable words poured from looks: This is no time to strain looks: This is not time to the looks of lo
