## Engineering and Legal Expense of Sewer Explained

Showing how literature may release one from the stress of present day conditions and how beauty may be found where it is least expected, Dr. Ralph Dennis of the school of speech at Northwestern University addressed the Barrington Women's Club on "Salvaging Beauty" at the Methodist church, yesterday afternoon. Other clubs of the district were entertained at the reciprocity day program.

Dr. Dennis read a number of memorable selections from prose and poetry, revealing humor, pathos and human nature. The fascinating manner of his presentation added considerably to the program.

## Board Postpones Decision to Buy Rural Fire Truck

Continued from page 1  
The \$300, was asked to have the money available in case a decision by the truck be reached.

Gen. More Protection  
If the village decides to order the truck Monday night it will shoulder the responsibility of collecting the balance of \$1054 during the next year for the fire truck. An immediate increase of village fire protection through the new truck was pointed out as a compensating feature to the proposition.

Other district officers who attended the meeting in spite of the village president's appeal, daily of enjoying her duty of visiting the local club.

## Efforts of American Missions in China Are Told by Former Teacher

Continued from page 1  
five nations to improve the working condition for the 16,000 Chinese men in Nanking was started by Dr. Smythe. He also introduced the art of wool wearing, woolen clothing having been unknown in China to the present time. The last two projects are now being taken over and extended by the mayor and government of Nanking.
