Smouldering under the surface in congress is a demand for fed-eral control over credit.

Also smouldering under the sur-face among conservative congress-men is a sentiment that the treas-my department of the ifederal gov-erament should relinquish any control that it may now have over

erament should relinquish any control that it may now have over credit.
When this fight breaks into the open there will be seen the impediate hattle over a central bank for the United States.
Inflationists are United the highest behind the central bank or behind the central bank are linking up behind a move to discrete the secretary of the treading from example the secretary of the treading from example the secretary of the treading from example to the secretary of the treading from example the secretary of the treading from each to be secretary of the treading over federal reserve banks.

The issue is whether this influence is to be checked or whether it is to be extended to a point where the federal reserve system is a treasury-controlled system.

Money must be raised some time to pay the bills of the federal government unless they are to be regularled. During the depression the national debt has ron 1323 to 22.500,000.00 at present into 1323 to 123.500,000.00 at present into 1324 to 123.500,000.00 at present into 1325 to 123.500,000.00 at present into 1325 to 123.500,000.00 at present into 1325 to 132

taxes, and dupor taxes, as well as the so-called nuisance taxes. An-other \$298,000,000 is looked for out of customs receipts and mis-cellaneous revenue is set down at \$171,064,834.

\$271,044,834.

But they look for improvement to come in a difference of the second of the second of the second of the second of lavetiment markets and hig picture in the second of lavetiment markets and hig picture in the second of lavetiment markets and hig picture in the second of lavetiment markets and hig picture in the second of lavetiment markets and hig picture in the second of lavetiment in a second of lavetiment in the second of lavetiment i

Talk of what the congress may do if the abroadton of gold contract is not upheld is causing the ressury considerable worry because all over the world there's a suppease now. Dollar discussions are inevitable till they are saying that decision is radious till of the preme court's decision is radious to in that part of the contraversy which relates to private contracts and that the government afgade to lose the suit brought against it to obtain full payment on its own bonds that promised gold. If this happens then the effect of the contracts would will be registed. First was contracts would ay after the decision just as they were the day before. Despite the best efforts of the federal housing administration, building of new homes remains stubbornly at the depression bottom—about 10 per cent of normal. FIAA superson the formal principal per center of normal per ce

Representative Sam Rayburn confers with the president on a bill to regulate holding companies. Mr. Rayburn favore thefr unterestable the shock by extending the process over a period of time. Material for debate is supplied by the fed-rail trade commission, but would present the commission of the process of laxity" in holding company control.

control.

Panama's History Dates

to Earliest Explorers

The Republic of Panama, divided
by the narrow Canal Zone strip, is
one of the least known of the nations on the western hemisphere,
and yet practically every school,
the great American-bulit, Americanowned waterway connecting the Atlantic with the Pacific.
Panama, the republic, is one of
the liftants of the New world, both
the great American-bulit, and is not

Colors of Hemming Birds
The beautiful colors of the humming birds are due to refractions
of smilght, from the frethersduced, and the color varies accordduced, and the color varies accordduced, and the color varies according to the angle of the light. This
is why the colors seem to change as the birds change their postion.
Our common Rubythroat is a bright,
shining, green coles on its upper
parts, and purplish on its wings and
threat. But beautiful are the
colors that Andubon, the great birds
withering fragments of the raishow." Others have called these
"feathered green."

"dithering fragments of the rall-bow." Others have called there "retathere gene."

The Werd "Scamp"

The word scamp originally signified a traveler, but three hands year and with shortened measures. Fortismed years ago when a man traveled being so, for few left house save when containing the provider of the same and the same and

Our Children's Confidences The things we say about our children in their presence may have far-reaching effects upon their characters. seen children re- scaling in one way or another to hearing themselves talked about too much and too often. We know		St. Anne and Baptist Cage Quintets Lose By Small Margin The sub-zero cold wave Monday night did not seem to bother the church basketballers very much as the season resulted in the contest a pair of the "hottest" games of
too-garratious mothers; or they may become the most arrant of exhibitionists. It all depends upon the temperament of the particular child. Then, there is another kind of "too-much taik" which, reacting upon a certain type of character, may change definitely and forever	ment, could not utter a word. Mrs. Burns laughed and released her daughter from torment with a little push that sent have wardly back to her seat! My heart ached for Clare, She bigs so defenseless. That little poem, labored over and shyly offered to the one she lowed best.	iests played at the school gym. Only a handful of spectators saw Salem nose out St. Anne, 33 to 30, and the Methodists last just long enough to beat the Baptists, 22 to 21. St. Anne's improved quintet, led by "Doc" Trestik, pushed Salem all the way and came close to up-
the relationship between parent and child and have a lasting effect upon the child's after life. One day, Mrs. Burns and her small daughter, Clare, came to see me.	was no doubt the expression of pure emotion. And then, to hear it laughed at—before a stranger, tod—no wonder she shrank and suffered. That hour may have marked the beginning of that	setting the slipping Salemites. The Baptist's free throwing ability kept them right on top of the Methodists all through their game and a breath-taking finish almost reversed the decision.
Mrs. Burns is a very talkative woman. It seemed strange that she should be the mother of such a shy,inarticulate little creature as Clare, unless it is true that too- garralous mothers make silent	child's allenation from her mother. I have never forgotten the look of suffering on Clare's pale, sen- sitive face that day. It comes be- fore me when I am speaking of, my own children. It makes me	The schedule for next Monday night calls for Salem to meet the Baptists, and St. Paul to take on St. Anne. A defeat for either Sa- lem or St. Paul will materially high either team's chance for first niges in the league tille race which
thers are apt to make lary ones. At any rate, it is possible for thoughtless mothers to make their children very unhappy as I observed that day.	take care what I say lest I abuse. little confidences or give away se- crets that have been imparted to me in unquestioning good faith.
