## **Government Aids** Locate Alcohol Still Near Carv

Still Found on Zogus Farm by Federal Men Early Tuesday

Government aids and McHenry

Government aids and McHenry county authorities searched the country-side Tuesday afternoon for the country-side Tuesday afternoon for the country-side and the country-side and the country-side at the Arnes Country and a still at the Arnes Country and the country and a still capable of turning out 1009, gallons a day A quantity of mash, and grain alcohol was discovered on the premises.

The two men made their escape through a 100-foot tunnel from the barn to a field. The barn has a field which took the attendants by surprise and it is understood they did not have an opportunity to be fully clothed.

Inside the barn agents found a modern still for manfacturing train alcohol. Eight huge vats, most of them filled with mash, a large cooker and all the necessary that the contraction.

Mr. Zogus lives on the premises but was at a loss to explain how a still happened to be in his barn.

Whale and sperm oil, guano used for tankage, baleen, whalebone, bone meal, frozen whale meat for dog food, and a small quantity of ambergris are commercial products derived from the whale.
