trained for this work. These boys receive a valuable education from the work, it was reported, who was reported to the thing for the work of the work on the work of the was reported to the thing for likes best, a derest deal of time is spent in suching all types of work found in this particular project. Deer Grove has always been a beauty spot for nature lovers and when all work is complete the value of the park will be greatly with the work of the park will be greatly with the work of the park will be greatly with the work of the park will be greatly with the work of the park will be greatly with the work of the park will be greatly with the work of the park will be greatly with the work of the park will be greatly with the work of the park will be greatly with the work of the park will be greatly with the work of the park will be greatly with the work of t

ncreased.

Mr. Van Middlesworth stated hat the lake will be ready for wimmers some time in August.

Deer Grove forest preserve is noted the supervision of the coard of commissioners in Cook county.

Barn on B. F. Grigsby Estate Is Damaged by Fire Sunday Morning

Pire Sunday Morning
Prompt action on the pact of
the local community far department and farm hands prevented
complete destruction of a bars on
the B. J. Grigsty and Cuba
township Sunday morning.
The blaze broke out in the hay
mow and was rapidly making
headway through baled hay that
had been stored there. Cause of
the fire was laid to spontaneous
communion due to wet hay.
Communion far the store
to restrict and griders before
the blaze was put under central.
Men working on the grounds
fought the fire but were unable
to stop the flames that were fed
wiftly by the dry hay.
Exact damage does to the build
exitty by the dry hay.

Exact damage does to the build
and present.

Fees on Cars Signed by Henry Horner Wednesday

Cost of license plates for Illinois automobile owners was reduced yesterday when Henry Horner, state governor, signed a compromise bill lowering fees to a \$6.50 minimum and \$22 maximum.
