Village That Season of Prairie Fires Is at Hand

Prairie Fires Is at Hand
Village trustee Rudolph Kocher discussed a fire hazard that
for the result of the result of the
meeting willage every year at the
meeting will be a successful of the
meeting will be a successful of the
will be a successful of the
will be a successful of the
will grass that cause so many
prairie fire during the hot months.
Mr. Kocher pointed out that
fires have happened in previous
years causing some damage and
there will undoubtedly be another "epidemic" of them this
year.

other "epidemic" of them this year.

Many homes and garagee are unprotected from the fast moving flames when the dry garass is burn-ed and the constant threat of prop-erty loss remains in the owner's mind.

The post of their auxiliary horse, the home of their auxiliary horse, the home of their auxiliary horse, the home of their auxiliary has been applied to Jos Angeles and planned to visit friends in Nobraska and stop at Vellowstone Part serrouts. Mrs. and Mrs. Dennis Heferman.

G. Plagge Lewn 45 Grove Avenue

Save in First Cost

To the owner who would build under a long term To the owner who would build under a long term mortgage, careful material selection is necessary. Specifications and plans of this home have been produced with this point in mind. The window frames and shutters are of treated wood; copper water tubing for hot and cold water; copper gutters flashing and down spouts; approved plumbing and heating systems; these eliminate early repair costs!
