once infested.

Icobergs an Anneyance
Small Icebergs are often quite a
nuisance to a whaling ship in the
Atlantic, writes E. D. Sutton, Maison, Wis, in Collier's WeeklySometimes they will follow a vessel
for days, even after they have been
pushed away and the ship has
changed its anciorage several
times to get away from them. If
they persist, the whaler's crew, out
of patience, takes old cable and
the them to rocks or bigger berge—
for the rest of the enano.

Foreigners in England
Among the foreigners living in
England, the greatest number are
Poles, followed by Americans and
Russians.
