Business Men to Discuss Limited Parking Proposal

Gas Tax Funds Probably Will Finance East Main Street Widening

Business men have received word from A. C. Burdett, city engineer, to attend a meeting of the business men to get opinion on this matter. It is expected that special regulations on parking will be discussed, although the board members have insisted that the latter must be maintained. The board will be held at the city office in Elgin will inspect Main street Friday to the "Elgin trustees" plan widening the pavement on Main street between Elgin and Park. The board has approximately \$4000 for the motor fuel tax available for widening state aid roads in the city. A plan must be approved and three funds allocated for January 1. The board has decided.

"Marry Dunbar" to Address P. T. A. on "Foods for Health"

Mrs. L. M. Rutledge Carroll, known as Mary Dunbar, director of Jewel Home Makers' Institute, will address the local P. T. A. association at a public meeting in the high school assembly room at 3 p. m. Wednesday, Dec. 11. Mrs. Carroll, a graduate of Mills College, has a degree in science, economics and chemistry. She has been in the field of home economics for many years. She has held the position of home economics specialist in the U. S. department of agriculture. She is the only home economist who has been chairman of both the New York and Chicago home economics women's business. She is the author of a number of books on home economics. She has been used in various schools and colleges. In addition to Mrs. Carroll's Christmas music will be furnished by girls of the Junior high school under the direction of Miss Kate Carter. A prize will be awarded to the group having the largest percentage of correct answers. The local P. T. A. membership list at present according to Mrs. A. M. Wilkins, treasurer of the organization. Final report on the membership drive conducted during the last few months will be announced at the meeting Wednesday.

Grade School Pupils to Give Program for Parents on Dec. 18

Children in the first five grades of the local public school under direction of Miss Marion Evered, education teacher, will present a Christmas program at the school auditorium Wednesday afternoon, Dec. 18. Parents are especially invited to attend. The program will include plays, songs and other articles. The children in the religious education classes will be singing.

L.382 Lake County Workers Off Dole and on WPA Payroll

Replacement of the federal dole with works program administration jobs, effective December 1, found 1382 Lake county family heads with places on the WPA payroll. District Director Mogens Ipsen of Rockford announced Wednesday. In 21 northern Illinois counties of district one, the works program administration itself had 11,969 actually working as direct federal relief ended. Additional thousands were working on WPA, war department and agricultural department projects, and highways, bridge, and grade separation construction supported by the \$4,800,000 work fund but not directly under WPA supervision.

Origin of Chess
The origin of chess is lost in obscurity, says a writer in the Philadelphia Inquirer. Its invention has been variously ascribed to the Greeks, Romans, Babylonians, Egyptians, Assyrians, Jews, Persians, Chinese, Hindus, Arabians, Arabians, Castilians, Irish and Welsh. Some have endeavored to fit upon some particular individual as the originator of the game; among others named are Josephus, Shen, King Solomon, Xerxes, Herod, Aristotle, Semiramis, Zenobia, etc. However, the view which has obtained most credence is that which attributes the origin of chess to the Hindus.

To Sing Here

Mrs. Agnes Cherry to Review Book, Current Plays Here December 12
Mrs. Agnes Cherry, whose fascinating portrayal of "Mary of Scotland" at the opening program of the Barrington Woman's club this fall charmed club members, will give a second program in Barrington—this time a review of another current book, "The Old Maid."
She will be presented by the literature department of the club at the public library at 2:30 p. m. Thursday, Dec. 12. Brief reviews of current plays will complete her program. An exhibition of children's books will be arranged by Miss Madge Sparks as a supplementary number. As in the case of all literature department programs, the meeting will be open to the public.

Child Health Conference to Be Held at Public Library 1-3 p. m. Tuesday
With an average attendance of at least 15 and more often 20 babies each month, the child health conference sponsored by the Barrington Woman's club in conjunction with the rural public health nursing service, is serving families with pre-school children well, according to reports of those in charge.
The December meeting will be held in the public library room from 1 to 3 p. m. Tuesday, Dec. 18. A public health nurse, a doctor, and a representative of the Woman's club will be in charge as usual.
All pre-school children of this community are eligible to examination free. Monthly charts are kept to show each child's progress in height and weight, the purpose of the baby clinic being to "keep healthy babies well." Parents in doubt as to correct diet for their infants may receive advice at the conference.

Pneumonia Is Fatal to Miss Margaret Killian, Short-Time Resident

Miss Margaret Killian, who had been making her home with Mrs. Hill of North Cook street since last August, died at the home of a relative in Chicago Wednesday following an illness of only two days.
Miss Killian became ill while visiting in the city. Pneumonia developed, causing death two days later.
Funeral services were held at St. Mel church, Chicago, Monday morning and burial took place in Mount Carmel cemetery.
Miss Killian had been employed in the office of the North Western railroad for more than 40 years. She is survived by one brother, John, and by two sisters Mrs. Harry J. Baker and Mrs. Ans Pfeiffer of Chicago.

Polynesians Knew Astronomy
Polynesians who inhabit the Hawaiian Islands and whose ancestors are believed to have reached the archipelago from Tahiti had an elementary knowledge of astronomy. They steered their great outrigger canoes by the North star and had the location of four or five planets fixed in their scheme of navigation.

Sequias Old Relics
The sequias are relics of past ages. Long before the towering forests of California were discovered geologists had become well acquainted with these trees through their study of fossils found in various countries. Before the glacial period sequias were common not only in many parts of North America, but also in Europe.

Births
Mr. and Mrs. Paul Boyd of Coolidge avenue, are the parents of a daughter, Mary Frances, born at the Evanston hospital Thanksgiving day. Mr. Boyd and the baby are getting along nicely. It was reported.

Hawaii's Cup of Gold
Solandra guttata, or the cup of gold, the glorious flower of the Hawaiian Islands, is a naturalized southern California plant. It not only grows easily, but actually thrives on a certain amount of incense. The cup of gold is a substance, botanically, giving it a number of surprising relations such as the petunia, the mimosas, the datura and the common parrot, the nightblooming jasmine.
