Oldest Craft

In ancient times there were gold-beaters who could produce gold leaf 100,000th of an inch thick, but though the modern British gold-beater still adheres to ancient methods, he can make gold leaf 200,000th of an inch in thickness.

Appointments Made for Federal Census Takers Throughout Lake County

Appointment of five men this week started developments in the 1936 census of American business, an 18,000,000 undertaking of the Federal government, in five districts in Lake County.

Girl Scout Notes

Troop 3 has been inactive over the holidays and will have its next regular meeting Tuesday afternoon. Miss Marion Schroeder has been elected to the local council and troop 3 will have a new leader to assist Miss Grace Wank.

Barrington Hills

Sunday night the Barrington Hills Country club was again the scene of a gay and friendly party for Mr. and Mrs. Reichman who were saying a last goodbye to their many friends who came from four o'clock until seven.

Meaning of "Infants"

The name "Infants" was the title formerly applied in Spain and Portugal to a prince of the blood royal except the oldest son, who was his father's heir and who had a special title. Infants of the feminine form of infants was applied to the princesses of the blood royal.

First to Divide Circle

The Babylonians, who for some reason had a predilection for 12 and multiples thereof, were the first to divide a circle into 360 degrees. They decided to divide the day into 12 hours, the hour into 60 minutes, the minute into 60 seconds.

Catcombs Lighted

The great Catacombs of Rome, where it is estimated over six million Christians who died during the first three centuries are buried, are lighted with electric lights.

Barrington Hills

Historical society at Dearborn and North avenue. These plays are done by children and are most delightful. Renaud Smith was one of Mrs. Thompson's guests.

How many times have you written it "1936" already?

There is a sign in a restaurant near here that says: "If you don't see what you want, ask for it!" We'll go to them one better. If we don't have what you want, we'll get it for you.

Propose to you before we were married!

"Yes." "I wish to goodness you'd married him." "I did!"

Good equipment makes a good farmer better.

Service and repair all makes of oil burners. In trouble just call 225.

MILLER BROS. FUN & FACTS

VOL. 7 Barrington, Ill., Thursday January 9, 1936 NO. 3

How many times have you written it "1936" already?

There is a sign in a restaurant near here that says: "If you don't see what you want, ask for it!"

We repair and sharpen all makes of power and hand lawn mowers. Bring them in now and avoid the rush when grass cutting time comes.

If you don't know what to do with your Christmas present, use it for a bridge prize.

Running water for only a few cents per day... with Myers Self-Oiling Water Systems.

Myers Water Systems are the last word in practical conveniences—self-oiling, self-starting, and self-stopping.

This space is yours as well as ours. Use it. Maybe we can help you sell something.

Good equipment makes a good farmer better.

Service and repair all makes of oil burners. In trouble just call 225.

—a coal expert will answer these questions for you

BRING your heating troubles to our office any time during the day. Your problems will be solved here—free!

All day we are to be visited by a Combustion Engineer from the Bell & Zoller Coal Co.—which produces Genuine Zeigler Coal, operators of the famous Zeigler mine in Franklin County.

This man will tell you how to save coal—how to cut the amount of ash—how to get more heat. Don't pass up this opportunity of laying your troubles before a man who knows. Stop in!

Ask for your free copy of our furnace card. Hang it beside your furnace. It will tell you how to fire economically.
