Eleven men have been nominated by the nine Lake county and two Cook county locals to serve on the district board. The following seven men are former members: A. J. Weidner, Buffalo Grove; H. A. Pfeiffer, Prairie View; D. J. Sway, Waukegan; Joe Wieser, Wauconda; C. W. Wray, Grayslake; Leo Huson, Ivanhoe and Louis Poshman of Palatine. The four new men selected by their locals are: George W. Van Bessene in place of Frank Faulkner; Clarence Smetinger, Lake Zurich, in place of H. D. Kelsey; James Crowley of Antioch, in place of Ralph Fields; and Henry Davis of Round Lake, in place of Roy Davis.

From the eleven men so named,

there will be elected a president, vice president, secretary and treasurer.

District Director of WPA Assures Funds for Lake County Projects

Although federal allotments for most WPA projects operating in Lake county have been reduced to only a portion of the amounts needed for completion of work as originally planned, assurance that additional funds will be released for each project as needs arise was given this week by Mogens Olsen of Rockford, district director of WPA.

Present federal allotments for WPA work in Illinois, totaling \$62,000,000, will keep the work program operating until about March 15. It is expected. From this sum, the state WPA has allocated nearly \$4,000,000 for projects in district one. Since many projects were originally assigned enough money to operate them a full year, it has been necessary to reduce allotments in recent weeks to the sums needed for operations up to March 15.

Olsen explained, however, that this does not mean work will stop March 15. As the federal government releases more money to Illinois, additional funds will be allotted to projects throughout the district which have used up their existing allotments and it is contemplated that present federal funds will suffice to carry the program until the close of the current federal fiscal year July 1.

Committee Report Shows Number Persons Eligible for Security Pensions

The Lake county committee of IBERC extended relief during September of last year to 173 residents of Lake county who would be eligible for old age pensions. It was learned the week from William F. Kirkham, chairman of the committee.

In addition to these cases, a total of 429 cases would be eligible for such pensions were cared for through the local fund during July, August, and September of last year.

Data on the cases were compiled under the direction of the statistical department of the Illinois Emergency Relief commission, which made a statewide survey of its own and of local relief rolls to determine how far social security might effect the relief problem. The figures were obtained by direct studies of case records of those being aided.

The figures should not be considered as an estimate of the number of cases which will receive or apply for old age pensions since the relief rolls constitute only a relatively small part of the unemployed group in the state. Many of those unemployed who are not on relief could prove themselves eligible to receive pensions.

Girl Scout Notes

The new commissioner of the local council is Mrs. Edwin Parke and not Miss Josephine Parke, as previously announced.

Troop 3 has a new meeting date on Friday afternoons from 3:30 to 5 o'clock. The date still conflicts with those scouts who have G.A.A. at school but every effort will be made to adjust matters.

Troop 3 held its regular weekly meeting Tuesday afternoon at 3:30. The captain, Miss Grace Wandke, was assisted by Miss Helen Parke. Some scouts passed their second class first aid tests and some passed the test on knots. The attendance was good. Will all girl scouts attend to their annual registration as it is now overdue.

A long felt need for a janitor was satisfied this week when Henry Melow fired the furnace in the cabin. The leaders are greatly helped and the cabin is reliably warmed for all scouts by this assistance and even better meetings will result.

Two Palatine Residents Injured When Shotgun Is Accidentally Fired

Mrs. Mary Goracio and her son, Anthony, 356 W. Slade street, Palatine, were injured by a shotgun

blast that was accidentally fired by another son Joseph when he was cleaning his gun after a hunting trip Sunday. Joseph had been hunting and upon his return home he began cleaning his shotgun in the kitchen. It was accidentally discharged, and the shot tore through the kitchen wall into the dining room, wounding his mother and brother.

The mother and son were taken to the Cook county hospital in Chicago for treatment.

Tuberculosis Association to Select Board Members at Meeting February 5

The annual meeting of the Lake county Tuberculosis association will be held Wednesday noon, February 5.

Mrs. Mabel McCullough of Geneva is chairman of the nominating committee and will present names selected to fill vacancies of nine board members whose terms expire this year.

A very interesting and profitable program is being arranged to follow the luncheon.

The election of officers will be held after the meeting. After serving the association as president for four years, Mrs. Austin

H. Niback has resigned from her office. The vacancy will not be filled until the annual meeting. Dr. E. H. Smith, first vice president, is assuming duties of the office until election of officers.
