The Tippler Pigeon
The tippler pigeon is by far the motivation of the tippler pigeon is by far the motivation of the tippler pigeon is by far the motivation of the tippler pigeon in the fancy varieties of first pigeon of the tippler pigeon, in the respect that they can be sold to fanciers living in distant cities and towas, and after a few months as prisoners in the lofts of their new owners, they are given their new settle and fly there. Many of them settle and fly there. Many of them settle and fly there. Many of them settle and fly there, was promisely to some lost the tipple pigeon to settle there, but some enver can recognic themselves to a new loft, and return as soon as they are illustrated to their former dwellings.—Rural New-Yorker.

What's Going on in Washington

Continued from page 6 ditions persisted, but 360,000 or persons were added annuto the population in the orary course of nature.
The result: Fewer children in, and milk producers have ally feit the ebb of demand: few-

ready felt the cibb of demand; few-er children to educate, and the schools will shortly note the dif-ference; more adults in propor-tion to the population, and a shift in type of goods which consumers will insist on having manufac-tured.

ing study.

It is a report from the interstate Commerce commission which
purports to show how the Nary
could save 20 per cent of the cost
of its huse preparedness expenditures by doing its own manufacturing instead of buying from private firms.
