

Libertyville Wins N.W. Conference Basketball Title

Libertyville high won the unopposed Northwest conference basketball title when the Wildcats heavyweight swamped Arlington Heights, 41 to 16, on the loser's court Friday night.

The Big, powerful Wildcats won all 11 regular scheduled games and also capped the conference tournament four weeks ago.

In winning both titles, Libertyville has established a record since the Wildcats are the first team in the history of the conference to win both the tournament and season championships in the same year.

Libertyville's mainstay has been Del Jaeger, George Madden, Howie Isaacson and Jimmy More.

The Wildcats are accorded a fine chance of winning the Waikewan regional of the state prep case tourney next week.

As champions Libertyville succeeds Barrington and Palatine who tied for the title last season.
