Miss Mabel Wolhausen

Bride of Edwin Stumpf
A simple but beautiful wedding ceremony was solemnized at Salem church early Saturday evening when Miss Mabel Wolhausen of Barrington became the bride of Edwin Stumpf of Ontarioville. Rev. Judson Perkins of Kalona, Ia., a uncle of the bride, officiated using the impressive single ring service. Rev. Perkins was assisted by Rev. W. A. Stauffer. The bride was lovely in white satin and lace. Her veil of tulle was held in place by a band of pearls and she carried a beautiful arm bouquet of call lilies and lilies of the valley.

Miss May Perkins in pale blue and Miss Elizabeth Macke in orchid dress served as bridesmaids. Miss Perkins is a cousin of the bride.

Clarence Stumpf, a brother of the groom, was best man. Miss and Honorable guests of the bride played an organ prelude as the guests were being seated by the ushers, Hubert Bergborn, Wesley Schaefer, Willard Graben, Kurt and Harvey Bierman. Raymond Glesie sang "The Sweetest Story Ever Told" and the wedding party entered at the strains of Lohengrin's wedding march. Mr. Glesie sang "Because Just before the service was read, Mrs. Edson's march was played following the exchange of vows and the bride and groom returned to the entrance of the church where they received congratulations and good wishes.

A reception was given at the home of the bride's parents, Mr. and Mrs. Henry Wolhausen, to which relatives and friends present. The bride and groom left for a honeymoon trip of several days. They will make their home in Highland Park.

THE PRISONER OF SHARK ISLAND

For a long time, the commission has been receiving complaints from different parts of the country which indicate that opportunities for obtaining federal employment have been greatly curtailed.

No school can guarantee government employment and none is given information regarding examinations, or any other information, which is not available to the general public. The commission stated that it does not recommend any school, and explained that it is not necessary for anyone to take a course with a so-called civil service school in order to compete in a civil service examination.

Sewer Changes Approved - A series of change orders in the PWA sewer project were approved by the village board Monday night with a net saving of \$565. These change were small in detail and were mostly on the sewer lift contract.

Auditor's Report Shows Closed Bank Matters Improved

Anticipate Large Payments to Depositors During Next Period

The financial condition of closed banks in the metropolitan area of Chicago, as revealed in a statement by Edward J. Barrett, state auditor, indicates an improved position in liquidation as result of a rise in real estate markets and sounder security ratings.

It has been predicted by William L. O'Connell, receiver for banks in this district, that a total of \$125,000 will be repaid to depositors in six banks in the near future. During the last period \$200,000 was paid out from closed institutions. The First State Bank of Barrington was one of the four to make a payment. The others were: Des Plaines State Bank, Forest Park Trust and Savings bank and the Hubbard Woods. Trust and Savings bank.

The state auditor's report shows that in the majority of cases collections were higher during the period which ended March 31 than during the quarter which ended December 31.

With the securities market generally improving, bank collateral held against personal notes has risen to almost the full value of the notes, according to Mr. O'Connell. It was also pointed out in the report made by State Auditor Barrett, that the rising real estate market has released sums of money advanced to protect real estate assets.

Below are individual analyses of two banks in the northwest district.

First State Bank of Barrington—Receipts, \$247,754; with \$23,050 collected last quarter, an improvement. Paid on prior claims, \$130,250; RNC \$38,450 loan paid in full; paid to depositors, \$34,200, or 30 per cent. Excess liquidation in the bank made possible repayment of the RNC loan to depositors last quarter. Fifteen per cent more may be expected continually. Costs received, \$1,200; legal, \$11,250; clerical, \$23,100; interest, \$2,800; advanced to protect assets, \$42,250—\$25,900 refunded.

Des Plaines State Bank—Total receipts, \$791,859, with \$32,150 collected last quarter, an improvement over the previous quarter. Paid on prior claims, \$145,850, and paid to depositors, \$148,400, or 45 per cent. Small additional return is anticipated in time, possibly 10 per cent. Costs received, \$5,100; legal, \$10,400; clerical, \$11,250; interest on borrowed money, \$750; advanced to protect assets, \$100,150, with \$51,500 refunded to the bank.

Correspondence Schools Cannot Guarantee Jobs With U.S. Civil Service

The United States civil service commission has sent notice to the post offices, warning that misleading information is being given the public by representatives of some of the correspondence schools which sell "civil service" courses.

For a long time, the commission has been receiving complaints from different parts of the country which indicate that opportunities for obtaining federal employment have been greatly curtailed.

No school can guarantee government employment and none is given information regarding examinations, or any other information, which is not available to the general public. The commission stated that it does not recommend any school, and explained that it is not necessary for anyone to take a course with a so-called civil service school in order to compete in a civil service examination.
