

Barrington Bears Beat Roselle Merchants 14 to 3 in Season Opener

Algonquin Owns to Play "Grudge" Game Here Sunday

Local Nine Collects 19 Hits to Score Easy Victory Sunday

The local bats of the Barrington Bears opened the season Sunday by demolishing the Algonquin Merchants to win by a score of 14 to 3. A revamped lineup of new talent made its debut appearance of the season for Barrington and played a steady game of ball. C. Altonberg was on the mound for Barrington for the first five innings and allowed one run and struck out two. He was replaced in the sixth to give a new man, Mike Yeary, of Fox Sheridan, a chance to show his wares. In the first inning pitched by Yeary he gave up two runs, struck out five and gave two bases.

Yeary displayed a fast ball with plenty of hop and showed an ability to bear down when the going was tough. Lazansky collected three hits and three runs in the first and was safe on a fielder's choice. John O'Neil, who formerly took over the right field post and collected three hits and two runs in five times at the plate and also collected the second strike and should hit the lineup. George Smith, teammate of Reese, was in the catcher's position and showed some nice comments for the manner in which he handled his pitchers, Randall of the Paton, Iowa, Merchants worked out at second base. The ball club played well and was hitting hard and safely. E. Altonberg scored the first home run of the season and also collected a few barrels offered by the Park Avenue Barber shop for all citizens during the year.

Next Sunday, the Algonquin team will come to Barrington for the annual "grudge" game. Altonberg plays a hard game when ever meeting with the Bears and the next Sunday should prove highly interesting.

Heavy Scoring Is Made in Softball Games at Jewel Tea

The first round of the softball league at Jewel Tea was completed last week with various exhibitions of pitching and a high and low in runs scored. Tuesday night's games were played on Wednesday due to wet weather.

Brinkman's bees beat Hjort's Yankees in a well scoring spree by the score of 25 to 2. The bees collected 26 runs and 19 hits in the total of 48 trips to the plate while the Yankees had 24 runs and 17 hits in 44 attempts. Five home runs were made.

Rumie's Reds clipped the wings of Sandford's Cardinals to the tune of 25 to 7. The Reds managed to score their runs on 7 hits due to the difficulties the Cardinals pitcher had in finding the plate. Numerous walks plus timely hitting bolstered the score. The Cardinals scored 7 times while out hitting the Reds with 10 hits.

Sandford's Cardinals came back Monday night with a vengeance to trounce Jamison's Comets 8 to 1. The Cardinals made 8 runs on 9 hits while at bat 20 times and the Comets made 1 run on 8 hits in 24 attempts.

Conference Title Race in Baseball Nearing Finish

Lake Forest and Leyden Tied With Ek Figuring as Possible Upset

By pouncing out 19 hits to score 19 runs while holding Attonch to six hits and two runs, the baseball team of Leyden Community high school of Franklin Park proved that it is still a contender for the championship honors of the Northwest conference.

Antioch proved no match for the Leydenites as its team is composed largely of freshmen and sophomores with little experience in the baseball. Crandall, Sequoit left fielder, played a good game, getting two hits in four times at bat and showing speed in the field. Marzullo, right fielder for the Antioch twillers, getting two home runs, a double and a single in five times at bat.

Wauconda upset Warren, conference champions last year, by a score of 4 to 2 behind the steady pitching of H. Dowell. The Indian pitcher allowed six hits, one more than his teammates could get off the delivery of Hodson, low ball hurler for the Blue Devils, but Dowell kept the hits scattered and was not touchable with men on the bases.

Lake Forest now leads the conference race with four victories and no defeats. Leyden, which has been forced to postpone several games, is also undefeated, winning the two games played. The two teams meet Friday to battle for the championship.

Attonch beaten by Lake Forest Friday, Ela township high school is still in the race. The Blue and Josing ones and if Leyden wins from Lake Forest can throw the three teams into a tie by trimming Leyden.

The 1936 De Luxe Eight 4-Door Sedan, \$812*

For thrills, thrift and smartness—no EIGHT on earth like the new Pontiac

EXPERTS call Pontiac the smoothest eight in the world. And here's why: Thanks to a short-stroke crankshaft, overlapping bearings, a harmonic balancer and accurately balanced parts, Pontiac has no vibration point at any speed!

That's Pontiac fine-cut engineering and it's matched by everything else in the car. You can't get better brakes than Pontiac's big hydraulics. The solid steel "Turret-Top" Bodies are the safest money can buy. And this big eight has delivered, under official supervision, 22 miles per gallon. Look around before you buy your eight. Get all the facts. You'll come back to Pontiac convinced that it's the best buy of them all!

*List prices at Pontiac, Mich., begin at \$615 for the "4" and \$730 for the "8" (subject to change without notice). Safety plans glass standard on De Luxe "4" and "8". Standard driver's accessories extra. Monthly payments from your purchase on the General Motors Installment Plan. A General Motors Value.

First Post Office in Canada
Hullifax had the first real post office in what is now the Dominion of Canada. This was established in 1765, and sailing vessels, plying between that port and Boston, proved a link connecting Halifax with the British American postal system which had been in force in the colonies since 1639.

Production of Cars Highest in April for Pontiac Motors

Pontiac Motor Co. produced 21,046 cars in April which was the biggest month the company has had since 1929, says H. J. Klingler, president and general manager. This compares with 18,749 cars built in April 1935 and 14,666 cars built in April 1934.

Klingler is very optimistic over the new few months. Production schedule calls for 21,000 or more in May. Last year 19,408 Pontiac cars were built in May.

Although the figures for retail sales in the United States for April are not complete, he expects the number to reach 20,000 which will beat the March record-making month by some 2500 cars.

The adequate stocks of new cars with which dealers were provided early this year as a result of the fall announcement dates and for the very purpose of preventing a car shortage at this time of the year, now seem to be about exhausted," said Klingler.

"Although many dealers are faced with the difficulty of making prompt deliveries due to our increasing sales, I do not contemplate anything like the shortage we have had in former years. We increased the capacity of our plant last fall to take care of just such a contingency and as events have turned out it is a fortunate thing for us and for the additional thousands of purchasers of Pontiac cars."—ADV.
