Open Examination Called Again for Job of Postmaster

Third Time Applications for Office Called; Closing Date July 21

For the third time the United States Civil Service commission at Washington, D. C. has announced an open competitive examination for the office of postmaster of the Barrington post office.

Application blanks may be obtained from Joseph Robertson, secretary of the local commission or from headquarters in Washington.

The closing date for receipt of applications is July 21.

The first examination was held in February, 1935, and 17 applicants were received. From the list applicants C. C. Snyder was named acting postmaster. In January, 1935, the second examination was announced for a permanent appointment. From the list of the United States, must reside within the delivery of this post office and have no record for at least one year prior to the date of receipt of application and be in good physical condition and within the prescribed age limits. Both men and women are admitted.

Applicants will not be required to appear in an examination to receive a certificate, but will be required to attend the examination, business and fitness. The civil service commission will make appointments representative local business and professional men and women concerning the experience, ability and character of each applicant and the evidence thus secured will be considered in determining the list. Extra points are given to military service.

Chicago Woman Is Hurt in Head-on Collision Sunday

Miss Helen Golon, 1733 Hermon avenue, Chicago, was injured Sunday when a car driven by her brother-in-law, William Golon, 1200 Commercial avenue, Chicago, was struck head-on by a machine driven by Warren E. Pugh, 1235 N. Paulina avenue, Chicago, on the 25th mile east of Lake Zurich early Sunday evening.

Information given by Patrolman William H. Pugh had attempted to stop a line of cars and struck the Golon car in the front when he was unable to get back in line.

Miss Golon was riding with her husband, August, their children, and Mr. W. Golon. Mr. Pugh was accompanied by his family. Miss Golon was taken to a local doctor for examination and then removed to the Sherman hospital in Chicago. A possible skull fracture being feared. She was released when no further examination showed no injuries.

Mrs. Emma Seidler Celebrates 88th Birthday at Grove Thursday

Mrs. Emma Seidler, who lives at the home of her son, John, at 881 Hill in Fox River Grove, will celebrate her 88th birthday July 2.

Mrs. Seidler is the daughter of John Rudolph Blattner who emigrated to this country as a lad of 11 with 240 dollars in his pocket. When they pooled their money for three years and chartered a small vessel from France, believing the Mississippi river to be a rich source of wealth. After three months they arrived at New Orleans, bringing with them cows, horses, wagons, goats, chickens and camping equipment. At New Orleans they formed a party and moved into Missouri, following the Mississippi river to St. Louis. They then moved 29 miles east of the Mississippi where they settled.

Eight years later John Blattner met and married Mary Heitz, then Miss Seidler, recalls when the Prairie Path was in the hands of the railroad was completed by the whites and Indians joined in the celebration. The location

E. Lindl to Open Grocery and Market

E. Lindl, manager of the meat department of the A. and P. store, announced this week that he will open a combined grocery and meat market at 119 E. Main street July 19. The opening dates have been set for July 19 and 21.

Mr. Lindl has been in Barrington for the last five years as manager of the local A. and P. meat department and has been connected with the firm for the last six years. He has been engaged in the meat business all his life, learning the trade from his father, Alois Lindl, who operated a market many years.

Mr. Lindl plans to handle a national brand of merchandise furnished by the Leadway company and will have fruits, vegetables, meats and groceries.

The new store will be located in the public service company building which is undergoing repairs and renovations at present.

A complete announcement will be made next week.

Foods Course for High School Voted by Board Monday

New Class in Home Economics Will Be Started in Fall

Trustees of the Barrington public schools voted today to fund a class in the home economic division of local high school work, at a meeting held in the school building Monday.

Present plans call for equipment of a classroom sufficient to accommodate 16 students at one time according to E. S. Smith, superintendent of schools, more than 60 girls had requested a foods course be added when they registered for the coming term.

Miss Mary Huey will be class instructor. At present she is in Barrington arranging for purchase of necessary equipment which will include four or five stoves in addition to other items.

Eventually home economics classes may handle the running of a cafeteria. In Chicago, an instruction will be available to girls from sophomore, junior and senior classes.

Smith stated that the ultimate aim is to offer courses in clothing to freshmen, foods to sophomores and home management to the junior and senior classes.

Two New Teachers

The list of faculty members for grade and high school classes next fall has been completed and included on a very close margin.

Local Irish Setter Wins at Puppy Match

Building Activity Strong in Village and Estate Area

Fourteen New Homes Erected in Country Since First of January

Building activity in and around the village of Barrington since the first of January has been on an increase with prospects that it will continue on that basis for some time.

In the village, a total of 160-125 in building included the WPA school addition. For the same period in 1935 a total of 218,055 had been reached. The month of June totaled 144,450. Permits were issued in June to Frank Kirchman for a residence at 227 A. permit for 140,000 was issued to the school board for the addition and J. M. Gunthorp had a permit for remodeling work valued at \$800.

In the country estate area, 14 homes were erected or are in the process of construction since the first of the year and 9 homes have been demolished. The remodeling work in most cases is in homes that were purchased recently and are being renovated to suit the buyer's taste.

Those having new homes are: Dalstrom, King, Fleming, Farrell, Kohlsaat, Huer, Hodgdon, Norbert, Bateman, Wilder, Babbs, Simpson, Farrar and Weirness.

Extensive remodeling work is being done on the following estates: Manick, Mohan, McVeagh, Dickinson, Harding, Hardy, Thurber, Baker and King.

The site Dickinson home has been leased by Thomas Grier of Connecticut and the family expects to take possession October 1. Mr. Grier has been connected with the firm of Benson and Rixon.

Louis Smith Sr. Injured in Auto Accident Sunday

Louis Smith Sr. of Fox River Grove and Chicago, was injured when his car was struck by a machine coming from a side road on Northwest highway near Palatine Sunday. The impact of the collision caused Mr. Smith's car to roll over three times. The car burst into flames.

Mr. Smith was saved from greater injury by a passerby who broke a window and helped him out. He suffered a sprained back and other body injuries but was able to continue his journey to Fox River Grove.

Occupants of the other cars were not injured but Mr. Smith's car was heavily damaged by the fire and collision.

Meeting Called in Cuba Township to Discuss Relief

A. Grom Issues Notice for July 11; Session at Ela Adjourned

Residents of Cuba township are to meet for purpose of discussing relief and a 30c levy for the payment of relief costs at Schaubel Brothers and Collins garage, 188 E. Cook street, Saturday afternoon, July 11. Notice of the town meeting as called by Andrew Grom, township supervisor, will be found in this issue.

A meeting was held in Ela township last week but was adjourned until July 11 for additional information. The passage of the 30c levy was not completed.

Harry Washo, Ela town supervisor, reported that a set of rules governing the administration of relief were adopted. He stated that the town board will handle the matter and relieve the supervisor of some responsibility as well as making it less of a political issue. According to the program, insurance for relief will be very strict and it is expected that no relief will be paid from relief funds. Single persons will not be granted assistance.

Model Airplanes to Compete at Carnival

Boys interested in aviation will be glad to learn that a model airplane contest will be held one evening during the American Legion carnival, the week of July 13 to 18. The date of the most will be announced next week, also a list of prizes that are to be awarded.

Ray Gibert and Edwin Parke Jr. will direct the contest which is open to all makes and will last approximately an hour and one-half. Invitations are being sent to model airplane clubs in Elgin and Crystal Lake. Prizes will be given to the winning model and a special event is also planned.

Three divisions of planes, mono-plane, biplane and stick model, will compete on a time basis. Appearance of the entry will not be judged. A glider event may also be held.

The meet is being arranged through the cooperation of the American Legion and will be an added attraction of the carnival.

Vacation Reading Club at Library to Start July 6

Prizes Offered to Boy and Girl Finishing Most Books in Period

Miss Olive Dobson, librarian, has announced opening of a vacation reading club for children of second through eighth grade ages. The club, in the form of a contest, will start July 6 and last for eight weeks, until the end of August.

Prizes will be awarded to the boy and girl reading the greatest number of volumes during that period. In a similar contest held last year, approximately 30 children complied with rules sufficient to be guests at a party given in their honor.

In order to be invited to the Barrington Review Wednesday that for each week of the contest, the competition this year will be to read one or more books from the fiction and non-fiction books may be read.

The library will not be open Saturday, July 4, and last for eight days. Miss Dobson stated that books in homes quarantined recently will be destroyed, according to state law. It is estimated that 15 to 18 volumes will be lost through this protective measure.

William Grunau, Oldest Business Man, Retires After 56 Years

Scenes from our cart days to the bustle of the modern, streamlined 20th century have passed before the eyes of William Grunau, veteran barber, who laid aside his clippers Wednesday, finishing a career of 56 years spent on Park avenue in the village of Barrington.

Partial lameness and ill health caused Mr. Grunau to sell his business to Oliver Miller of Goshen, Ind. this week.

Since coming to the village November 1, 1880, he has been located on Park avenue and during that time has moved only once, to his retirement, he was the oldest active business man in the community.

In an interview granted the Barrington Review, Mr. Grunau related a host of interesting events that his alert mind has fondly recalled. Born in Chicago, May 6, 1861, he started in the barber business
