

### 90 Gleaming Birthday Candles for Mrs. Johanna Krueger Saturday

MRS. JOHANNA KRUEGER  
Mrs. Krueger's many friends to visit with her.

A host of friends and relatives gathered to celebrate the birthday of Mrs. Johanna Krueger on Saturday, August 6, when she will be their pleasure to celebrate the 90th anniversary of her birth. Mrs. Krueger was born at Weinszheim, Germany August 8, 1846 and was six years of age when her parents died. She was reared and educated by her uncle and aunt, Mr. and Mrs. Theodore Meyer. She was united in marriage to Gustav Krueger at Kirchensdorf October 15, 1869.

The couple moved to America in 1868, arriving here April 23. They settled on a farm near Barrington where they remained until 1890 and then moved into the village.

With the exception of six months spent at Champaign, Ill., the couple lived near or in Barrington until the time of Mr. Krueger's death March 24, 1916.

Ten children were born to their union. Mrs. Krueger now has 12 grandchildren and 12 great-grandchildren.

She enjoys good health and constantly reads or does crocheting. In spite of her many years, it is necessary for Mrs. Krueger to wear glasses for fancy work.

Mrs. Krueger is one of the founder members of St. Paul Evangelical church as well as being a charter member of the Women's Union in which she now holds an honorary membership.

To prove her sprightliness she attended the annual outing of the Women's Union in Barrington held at Bensenville Thursday.

club, the latter players being intercollegiate doubles champions. It is expected that exhibitions in men's and women's singles will also be held but the card has not been arranged as yet.

Three Prairie Fires Are Extinguished by Department This Week

Barrington volunteer firemen were called out three times during the last week to extinguish prairie fires. Two calls were received Thursday, one for a blaze in the acreage on the east side of the Chicago, Northwestern rail road tracks between Wool street and Northwest highway and the other for a prairie fire in Cooper's subdivision that was threatening an empty gasoline station on the Northwest highway on the north-west side of the village.

The apparatus was called again Sunday afternoon to extinguish a fire that was burning off brush on the Beckley property in Cuba township.

Delta Alpha Class of Salem Church to Hold Ice Cream Social Friday

The Delta Alpha class of Salem church is sponsoring an ice cream social to be held on the church lawn, 115 W. Lincoln, on Friday evening, August 7, at 7:30 o'clock. In case of rain, the affair will be held in the church parlors.

### Village to Accept \$10,000 to Help Pay for Outfall

Continued from page 1  
natural condition during the summer months. This area will in all likelihood become prairie.

"If the sanitary sewage were to be emptied into the creek at the village would be blamed at all times in the future for illegally causing the putrid condition of the stream waters west of the plant when, as a matter of fact, such condition when it exists will be due to causes over which the village will have no control. By separating the outfall and by carrying the effluent further down the stream this condition can be removed.

"The construction of the outfall sewer provides a permanent improvement. Condemnation of the right of way along the creek would be a temporary expedient until such time as the growth of the community would require a change.

"I further say that the outfall sewer is a better improvement because it is more economical. The village has, or will, receive approximately \$42,000.00 as recently changed. Of this amount, the village has, or will, receive a grant of between \$16,000.00 and \$20,000.00 in addition to the \$10,000.00 provided to be paid by Mr. Cardwell, representative of the estate owners.

"If the village were to empty its sewage effluent into the creek at the plant it would be necessary to condemn the right of way. It is also reasonable to suppose that any jury would award for damage to the property at least \$10,000.00 and upwards. It is also reasonable to estimate that the cost of this condemnation by legal fees, expert witnesses, etc., would be at least \$3,000.00 to \$5,000.00 and possibly more. The village would be even then probably facing continuous litigation concerning the emptying of the effluent into the creek leading into the estates for the reason that the ponding of the waters and the insufficiency of the outlet as such would be a source of continuous litigation.

"Therefore, if we reasonably estimate the relative costs of these two improvements I believe we will readily realize that the building of the outfall is cheaper for the village. As to whether it is better, I am sure that any one must agree that building of the outfall provides a better and more desirable improvement than emptying the effluent into the creek at the plant.

"Negotiations for this money were underway for a considerable period of time. I am satisfied it is the best settlement that could be had from the estate owners at this time. For the reasons above set out I heretofore recommend to the board that this proposition be accepted and I now suggest that the village proceed with the completion of this agreement.

Yours truly,  
DAVID B. MALONEY"

Fire Requires Fuel  
Enthusiasm, like any other fire, needs both feeding and watching.

### American Legion to Elect Officers

Election of officers of the Barrington American Legion post will be held at the club rooms, 133 Park avenue, this evening, Thursday. Officers are to be elected for the coming year.

The nominating committee consisting of Noel Stayer, Hugo Albrecht, George Kuebler and H. W. Blood reported at a meeting held last Thursday evening and recommended that the nominations be left open for additional names from the floor at the election.

Those names placed on nomination by the committee were: K. Shoup, candidate for commander; Arthur Martens for senior vice commander; George Kuebler for junior vice commander; Dr. C. H. Kollan for treasurer; Dr. W. A. Sandell for chaplain; J. Matyska for sergeant-at-arms. Other candidates may be named from the floor this evening.

### 63rd Campmeeting to Start August 21

The grounds and buildings of the Barrington Campground park are being put in readiness for the 63rd annual campmeeting of Evangelical churches of the Illinois conference. The session will open Friday, August 21, and will close Monday, August 31.

Some of the talent scheduled to appear at the religious gathering is as follows: Bishop E. W. Pratorius, D.D., of St. Paul; Rev. G. B. Kimmel, D.D., of Naperville; Miss Rose Pecker, China; Rev. and Mrs. W. Graham, Diversey Parkway church; Clifford Mossom, Joliet.

Birth  
Dr. and Mrs. B. P. Graber, 728 Second avenue, are the parents of a daughter, Joan, born at the Sherman hospital in Elgin Friday.

### \$110 Given Village As State Fire Tax

The village of Barrington received \$110.87 from three insurance companies during July as its share due from the 2 per cent state fire insurance tax payable on all fire insurance sold during the year in the village.

The firm of Critchell, Miller, Whitney and Harbour paid the village \$94.47 as the 2 per cent of its business and \$8.10 was paid by both the Hardware Mutual Fire Insurance company and the Mutual Mutual Implement Fire Insurance company.

### 50 Children Guests of Mrs. Reichmann

Barrington and Dundee children who are members of St. James Episcopal church Sunday school at Dundee were entertained at the country home of Mrs. Alexander Reichmann Tuesday afternoon.

Following the serving of a picnic lunch, Mrs. Reichmann kept her small guests busy with a variety of games, including a treasure hunt, races and pony rides, a pony being provided for the occasion. About 50 children attended the party.

Start School Building  
Ground was broken last week for the construction of the Country Day school building. The building will have four class rooms on the ground floor with recreation room in the basement.

Blue Paul  
A great many years ago a dog resembling a cross between a mastiff and bulldog was quite popular in Scotland. It was called Blue Paul and was used primarily as a pit dog for fighting. The breed is considered extinct.

### Countryside Group Will Help Enforce Conservation Laws

Continued from page 1  
work will help property owners hold down the slaughter of birds. The association is desirous of cooperating with the village in re-opening the old Barrington plant—a comprehensive plan for developing the entire community, rural and village. It will also encourage more interest on the part of citizens in town meetings and other community gatherings. These subjects were discussed at the first directors meeting of the association.

### Construct Storage Space for Green Coffee at Jewel

Jewel Tea company Inc. is now engaged in constructing an additional basement storage space in Jewel to store green coffee prior to shipping it through the roasting and fire processes.

The space is being made from an unused basement at the south end of the building. When completed it is estimated that 20,000 lbs. of green coffee can be stored there.

Work was started this week and it is planned that everything will be done in 21 days. The company is also preparing to have the old Lake Zurich road from the drive leading to the plant to a point north of the railroad crossing.

### Tennis Exhibition at Country Club

A public tennis exhibition is being presented by Louise Fiske, professional at Barrington Hills Country club and Skokie Valley Tennis club, to be held at Barrington Hills Country club Sunday afternoon at 3 p. m.

The feature match will be a doubles exhibition with Mr. Pike teamed with Harold Ingersoll of Skokie Country club against Tom Holman of Skokie and Bill Meinhart of Indian Hill Country club.
