People of the Ukraine
 The people of the Ukraine are for the most part descended from the Russian immigrants from the North who, to flee the oppression of the Polish and Lithuanian nobles, "escaped to the frontier" where, though nominally under Lithuanian rule, they formed free democratic communities, and came to be known as Cossacks.

Thermometers Vary
 Every thermometer, even the best, varies. This is due to the imperfect elasticity of glass, which causes variations in the volume of the mercury bulb, and to inaccuracies of glass blowers.
