

BACK TO SCHOOL

Barrington Locals Have Open Date Sunday; No Game Scheduled

The Barrington Bears emerged on the lead end of an 4 to 4 score against the Elgin Parkides at Lord's Park, Elgin, Sunday afternoon.

The local took the lead in the first inning and held it until the eighth when the game was tied at 3 all. The Bears then scored five runs to Elgin's one in the ninth, winning the game.

Charley and Willie Altenburg shared the pitching honors for Barrington.

Emmie Altenburg led the field in slugging, connecting with three safeties. Reuss was the high scorer for the Bears, bringing in three runs.

No Game Sunday

There is no game scheduled for Sunday and less some team steps in to fill the opening, the Bears will have a rest.

Lineups:

Bears, 3.....	AB	R	H
Reuss, 1b.....	3	3	2

Football Candidates to Receive Physical Examination Friday

Candidates for the football squad of Barrington high school are requested to be present at the bathhouse in Northside park Friday afternoon or evening for physical inspection. Coach Paul Clark announced Wednesday.

A physician will be in attendance from 1 o'clock on in the afternoon and again at 7 o'clock in the evening.

Coach Clark also stated that football uniforms and equipment will be issued to the candidates for the team at that time.

be back on the heavyweight squad. They are: Eugene Kind and tackle, Jack Mountain tackle, Art Conrad guard, and Bob Cadwallader and Norris Grabenkort in the backfield. Len Moller and Chuck Mier were sub on the second team last year and are expected to be on the starting lineup this season. Paultime will have no team this year so the local boys will have only the larger schools to compete against which will make it a little bit tougher on the Bronks as Paultime seemed to always yield, giving the boys that much needed confidence.

Coach Hoeford's lightweight prospects are also rather few and far between.

Some of the prospects are: Bill Tichy, Art Castle and Jack

New Instructors Begin Season on School Faculty

Teachers Return to Classes After Various Summer Activities

Two new instructors completed the roster of teachers on the faculty for the Barrington public grammar and high school. Miss Adelaide Ewing of Forest Park will be the supervisor of music and Miss Irene Freeman of Newark, Ill., will teach English and dramatics.

Miss Ewing has a B.S. degree from Drake university and Miss Freeman has a B.S. degree from Wheaton college. Both have taught their respective courses at other schools.

Following is the list of instructors who will teach this year:

Ruth Johnson, kindergarten.
Verna Schlerhorn, first grade.
Ester Brazler, first grade.
Mary Roller, second grade.
Louise Laird, second and third grades.
Mildred Miller, third grade.
Beulah Beckley, fourth grade.
Ardis Catkins, fourth and fifth grades.
Eunice Shola, fifth grade.
Beatrice Dean, sixth grade.
Fern Nichola, seventh grade.
Willard Watson, eighth grade.
Adelaide Ewing, music supervisor.

Althea Christenson, commercial.
Eather McKecher, foreign languages.
Berton J. Kemp, mathematics and bookkeeping.
Robert Kennedy, mathematics and physics.

Grace Wandke, mathematics and physical education.
T. C. Hoeford, history and dean of boys.
Agnes Welch, librarian and dean of girls.
Paul E. Clark, science and director of athletics.
Irene Freeman, English and dramatics.
Annabel Leonhard, English.
Mary Husey, home economics.
Lee T. Smiley, industrial art.
Charles H. Roselle, building trades.
Walter N. Sears, band and orchestra.

Census Figures of School District No. 4 Show Increase of 99

Census figures compiled at the close of the spring school term last June show an increase in the male and female population in Cook county in school district No. 4 over the previous year and a decrease in Lake county for the same school district. The population of both Lake and Cook counties

combined increased 99 over the year before.

The total population in Cook and Lake counties in school district No. 4 for 1936 is 3331 while in 1935 the total was 3230. Cook county has 968 men and 1001 women in the school district while Lake county has 677 men and 685 women for 1936. In 1935 there were 822 men and 949 women in Cook county of district 4 and 749 men and 741 women in Lake county in Lake county of the district.

Children living in school district No. 4 between the ages of 6 and 21 in 1936 number 410 boys and 358 girls. For 1935 the total was 393 boys and 377 girls.

Enrollment Gains for High Schools Add to Cost Rate

Slash in Assessed Valuations Reduces Income Needed To Meet Load

High school enrollment has increased as much in the past eight years as in the first 98 years of Illinois statehood. The load has become so heavy that many school boards, faced with dwindling incomes, are doubtful of their ability to provide an education to all the children, according to a bulletin received by E. S. Smith, superintendent of schools.

The increase in high school enrollment has been 40 per cent during the eight year period from 1927 to 1935. In 1935 the enrollment was 2259, making an increase of 65.9 per cent. In 1936 the enrollment will probably still be larger.

With this increase and with the assessed valuation taking a 37 per cent drop during the last eight years, cutting in half the assessed valuation back of each pupil in high school, the high school education of thousands of boys and girls in Illinois is endangered. The high school is entirely dependent for its support on the general property tax levied on property found in the local school districts.

Most board members feel that the high school is discriminated against by the state government since the high school is the only unit of the public schools from the first grade through the state university not given state aid. It is argued by many board members that the high school should receive the same treatment as all other parts of our public school system, the article further relates.

During the past few years high school education has suffered severe retrocements. From 1919 to 1934 17 days were cut from the high school term and expenditures for new equipment were more than cut in half. Classrooms have been crowded and the teaching load has been increased. Several schools have been unable to pay their teachers for long periods of service, the statement points out.
