

## Plan Lake County Farmer Institute

October 1 and 2

Exhibit to Be Held at Elia Township High School at Lake Zurich

Plans for the annual Lake county Farmers' Institute to be held at the township high school at Lake Zurich October 1 and 2 are rapidly advancing, according to officials in charge of the show.

The exhibit is expected to have a great number of persons competing for cash awards and ribbons in a large number of events.

There is a special exhibit to be held at the schools which will be held during the afternoon and evening of the 1st and 2nd of October.

Mr. J. P. Petty, Lake county supervisor of schools, is cooperating with the institute and a program of entertainment for grade school children will be given through the kindness of Mr. Petty Friday afternoon.

Exhibits will be judged Friday. The schools will be open for instruction at 8 a. m. on Friday and will close at 11 p. m.

Mr. James J. Blaine of St. Charles will be the speaker on the subject of Friday night.

The domestic art class is for practicing needlework, patching, darning, book rugs and applique work. Quits, rug spreads and quilts are in that division.

There are to be cash and ribbon awards in the poultry division. The exhibitors for contestants from the county. Each entry must be a standard pair, either cock or hen.

The flower show will be divided into the following classes: cut flowers, flower arrangement, dried arrangement, artificial arrangement, wild flowers, original centerpiece exhibit, depression bouquet, house plants, flowering plants, table setting exhibit and miniature bouquets.

Check Tires Before Starting Fall Tour

With country byways practically deserted after the summer season, and with cool fall weather in the offing, September offers one of the finest touring opportunities of the year.

To enjoy the season's possibilities to the full, motorists should carefully inspect their cars after the wear and tear of heavy summer driving. J. S. Gieske, Good-year dealer at 110 N. Cook street, pointed local motorists today.

## Rev. C. F. Roloff Feted on Birthday

Rev. C. F. Roloff, long-time resident of this community, and minister in the Evangelical church for many years, was honored at an informal reception Monday afternoon and a family dinner party that evening in celebration of his 90th birthday.

A dividend of five per cent to depositors of the closed First State bank of Barrington, as reported in the Barrington Review last week, will be paid on or before October 1, Louis E. Nelson, deputy receiver, reported Thursday.

The dividend will amount to nearly \$17,000 per cent. Nelson stated, a total of 50 per cent in dividends will be completed with the payment of the 5 per cent dividend, it was reported.

The dividend will come largely from the liquidation of real estate holdings of the closed state bank, Mr. Nelson declared. He further stated that the remaining assets of the bank were very valuable and he anticipated a high percentage of liquidation of them for depositors.

Since Mr. Nelson was appointed deputy receiver of banks in this district last November, dividend checks at an approximate two-month interval have been received by depositors.

## Raymond Motors Is New Firestone Dealer

Announcement has been made by the Firestone Tire and Rubber Co. that Raymond Motor Sales of Barrington, which is a general Ford sales and service garage, has been appointed Firestone dealer for the community.

King Wenceslas "Good King Wenceslas" of the Christmas carol was murdered by his brother in 1035 and is buried in a royal chapel in Prague, Czechoslovakia.

I wish to extend my heartfelt thanks to all the Barrington relatives and friends for their many kindnesses and expressions of sympathy during the illness and death of Simon Ziegler, my father.

## Rites at Evergreen Cemetery Wednesday

Funeral services for A. B. Peden, 75-year-old uncle of Lawrence T. York, 492 E. Russell street, were held at Evergreen cemetery Wednesday afternoon following services in Chicago. Burial took place in Evergreen cemetery.

Mr. Peden who had retired from active business some time ago, died early Sunday morning. He is survived by his widow and one son, Carlton.

## First State Bank Dividend of Five Per Cent Declared

Payment Reported by Review Last Week to Be Made Oct. 1

A dividend of five per cent to depositors of the closed First State bank of Barrington, as reported in the Barrington Review last week, will be paid on or before October 1, Louis E. Nelson, deputy receiver, reported Thursday.

The dividend will amount to nearly \$17,000 per cent. Nelson stated, a total of 50 per cent in dividends will be completed with the payment of the 5 per cent dividend, it was reported.

The dividend will come largely from the liquidation of real estate holdings of the closed state bank, Mr. Nelson declared. He further stated that the remaining assets of the bank were very valuable and he anticipated a high percentage of liquidation of them for depositors.

## Gymkhana Planned at Cardwell Estate

The Barrington Riding club will hold its annual gymkhana at the J. R. Cardwell estate Sunday afternoon beginning at 2 o'clock and it will be somewhat different from the program of other years.

There are to be 15 events, with five-gaited horse competition, three-gaited horse and limited jumpers are listed for adult riders, while two children's horsemanship events are listed, according to reports.

The gymkhana will open with a parade in which a large number of riders are expected to participate. The Barrington Polo team will play a mock game with a beach ball using brooms for mallets.

George E. Vanliefgen Sr. is to judge the events and William Horne is listed to do the announcing. Robert Buckley Sr. will act as ringmaster.

In addition to the horsemanship events the usual games for a gymkhana will be held.

## Fair at Baptist Church Open Now

Judges have awarded ribbons to winners of various exhibits at the old-time fair which is now in progress at the Baptist church. Exhibits will be open to the public from 2 to 10 p. m. Thursday and Friday.

Mrs. W. N. Sears, general chairman of the affair, announced the following judges and their departments: Mrs. R. R. Hammond and Mrs. Fred Record, flowers; Mrs. Lester Higgins, Mrs. Harold Grebe, quilts and needlework; Mrs. E. A. Beerman, rugs; Willard Watson, airplanes and wood carving.

Additional exhibits which will interest spectators include oil paintings by Kathleen Beech-Granger, "ahuayos," brought from South America by the R. A. Benjits, specimen blooms of gladioli, and unusual handicrafts by John Dawson.

A hot dog stand similar to those at county fairs will be operated at the church corner Friday noon, according to Mrs. Sears.

## Suburban Building Continues Increase

New building in the Chicago suburban region shows again in the survey for the month of August the same large increase over last year which has been recorded in every month of 1936. The figures are \$2,018,115 for August 1936 and \$1,588,357 for August 1935.

Suburban building thus far in 1936, roughly speaking, has doubled that for 1935, the totals for the eight months of each year being \$20,622,000 for 1936 and \$17,000,000 for 1935.

It is again apparent that the construction of new homes is responsible for the tremendous improvement in suburban building.

Forty-six of the 56 suburban communities reported their August figures and report the beginning of construction on 138 new homes for which permits were issued in amount of \$1,665,288.

These towns also report repairs, alterations and addition to homes valued at \$44,192, so that approximately \$1,600,000 of the \$2,000,000 August total represents new homes and work on existing homes.

Barrington kept pace with comparative averages of other communities when building permits issued were greatly higher than August of last year and July of 1936. The figure for the month was \$10,457,839 and August 1935 was \$1,665,288.

Table with columns: City, Aug. '36, Aug. '35. Lists various cities and their building permit values for August 1936 and August 1935.
