

# "Yours for the Asking" Sunday Bill at Catlow

Shirley Temple Show Closes Friday; Bobby Green Starred Saturday

"The Poor Little Rich Girl," now playing the local theatre, reveals little Shirley Temple in her most winsome role as she dances and sings her way through this delightful picture.

Motherless, lonely and unhappy in her palatial mansion, little Shirley Temple walks away from it all; gets lost on the streets of New York; is befriended by an organ-grinder and finally is adopted by a vaudeville team.

Shirley dominates every scene in the picture; her grace and charm keep her on the wings of adventure.

Shirley's picture finishes its run Friday night. Another youngster, Bobby Green, already known to millions of radio fans who have been thrilled by his singing on Eddie Cantor's weekly broadcasts, will be introduced to movie fans Saturday night, in "Let's Sing Again."

The story in brief is of a father and son separated for seven years, who are reunited through Bobby's singing of a lullaby known to his father.

Henry Armetta plays the father role, with Vivienne Osborne and George Houston in support.

Short subjects for this bill include Pathe news, Sportlight, cartoon and the P. M. girls.

New honors are won by both George Raft and Dolores Costello. Barrymore, co-stars in the light-footed comedy-romance, "Yours for the Asking," which plays the Catlow Sunday and Monday.

Raft appears as a gambling house proprietor seeking to start the social climb; to exchange his "tough guy" mannerisms for the manners of the drawing room.

"Yours for the Asking" is a balanced combination of romance and comedy, blended skilfully into a fast-moving plot. Perfectly suited to the best abilities of its principals and rounded out by smooth acting on the part of its excellent supporting cast, it provides entertainment of a high order.

A color cartoon, musical in color, late news and community

singing are added subjects for the Sunday-Monday program.

The Jones Family in "Educating Father" will be the bargain night offering Tuesday.

Jed Prosty, Florence Roberts and Shirley Deane have the leading roles in this story of "Dad" who is allowed to wear the pants, but even the baby tells him what to put on!

Major Bowes and his stars of the air appear on this program in a two-reel subject.

Barbara Stanwyck, Gene Raymond and Robert Young head the cast of "The Bride Walks Out," coming next Wednesday and Thursday.

This bright comedy number tells the story of a young bride struggling with an unbalanced budget, and a millionaire in the offing ready to pay for her divorce and marry her.

A late issue of the March of Time and other short numbers will precede the showing of "The Bride Walks Out."

**YOU SHOULD BE AFRAID OF THE DARK**

■ Because it feels an obligation to continuously explore and demonstrate new and worth while developments in the use of electricity for personal or public welfare, the Public Service Company of Northern Illinois has undertaken a new and unusual installation of highway lighting, extending for about a mile on Skokie Highway, south of Dundee Road in Northbrook, Illinois. This lighting, installed by the Public Service Company of Northern Illinois in cooperation with the Village of Northbrook as a contribution toward safety on the highways, is a practical demonstration of the fact that proper illumination is a positive influence in the lessening of automobile accidents. It was turned on for the first-time this week, under the auspices of

**THE CHICAGO SAFETY COUNCIL**

Although much good is being derived from the attention given to the appalling toll of fatalities resulting from automobile accidents generally, it is not widely known that the hazard is about six times greater in driving a car after nightfall than it is during the day. Lack of proper visibility, whether from glaring headlights, insufficient lighting of the street or highway, or from other sources, is the major cause of 60% of the automobile fatalities now occurring throughout the Country. Proper highway illumination, of which our new Skokie Highway demonstration is one of several approved methods, can help eliminate this mounting tragedy.

We invite you to see this new lighting and judge its value for yourself.

**Install Officers of Grove Legion, Auxiliary Groups**

Mrs. Myrtle Nance Presides Installation of Woman's Unit Wednesday

Installation of newly-elected officers of the Fox River Grove American Legion post and American Legion Auxiliary took place last week. Installation of the Auxiliary heads took place in the village hall Wednesday evening with Mrs. Myrtle Nance, past 1111 district director, vice president of the 2nd division and department of Illinois by-laws chairman for this year, as installing officer. American Legion officers were elevated to their new positions at a meeting held in the village hall Friday night.

Mrs. Nance inducted Mrs. Ed Nagel into office as president of the Auxiliary in the installation ceremony. Other officers to take their seats with Mrs. Nagel were as follows: Mrs. Dagmar Oltstad, first vice president; Mrs. Martha Strand, second vice president; Mrs. Sylvia Kyril, chaplain; Mrs. Alice Catronna, secretary; Mrs. Berghilde Wagon, treasurer; Mrs. Josephine Perenc, sergeant-at-arms; Mrs. Emily Voksek, assistant sergeant-at-arms; Mrs. Anna Koop, historian.

Mrs. Alice Catronna, retired president, was presented with the past president's pin and Mrs. Bertha Cerny and Mrs. Martha Strand each received a secretary and treasurer's pin respectively.

Mrs. Nance was presented with a beautiful flower corsage of roses from the unit.

The Junior group of the unit was also present at the meeting. Mrs. Nance presented the group with an American flag which was awarded as second prize of a Junior Activity award contest conducted by the 11th district.

Gertrude Bartol, past president of the Junior unit, presented Mrs. Frances Grahlis, Junior Activity chairman of the Auxiliary, with a gift from the Juniors for her sustained interest in the Junior group during the year.

Those taking office with Mrs. Nance were as follows: Mrs. Nagel, vice commander; Mrs. Voksek, adjutant; George Wang, treasurer; George Grahlis, secretary; Joseph Varbank, sergeant-at-arms; Louis Strand, chairman; Max Perenc, historian.

## Install Officers of Grove Legion, Auxiliary Groups

Mrs. Myrtle Nance Presides at  
Installation of Woman's  
Unit Wednesday

Installation of newly-elected officers of the Fox River Grove American Legion post and American Legion Auxiliary took place last week. Installation of the Auxiliary heads took place in the village hall Wednesday evening with Mrs. Myrtle Nance, past 11th district director, vice president of the 2nd division and department of Illinois by-laws chairman for 1936, as installing officer.

American Legion officers were elected to their new positions at a meeting held in the village hall Friday night. Mrs. Nance inducted Mrs. Ida Sogol into office as president of the Auxiliary in the installation ceremony. Other officers to take their seats with Mrs. Nance were: Mrs. Dagmar Olund, first vice president; Mrs. Sylvia Kryl, chaplain; Mrs. Alice Catronotta, secretary; Mrs. Josephine Perone, sergeant-at-arms; Mrs. Emily Vorka, assistant sergeant-at-arms; Mrs. Anna Rupp, historian.

Mrs. Alice Catronotta, retiring president, was presented with a new president's pin and Mrs. Bertha Perry and Mrs. Martin each received a secretary's and treasurer's pin respectively. Mrs. Nance was presented with a beautiful flower corsage of ten roses from the unit. The Junior group of the unit was also present at the meeting. Mrs. Nance presented the group with an American flag which was awarded as second prize of the Junior Activity award contest conducted by the 11th district. Mrs. Nance, past president of the Junior unit, presented Mrs. Frances Grahls, Junior Activity chairman of the Auxiliary, with a gift from the Juniors for her sustained interest in the Junior group during the year.

Mrs. Sylvia Kryl, Mrs. Helen Wood and Mrs. Amy Jones, representative committee for the installation meeting, prepared a supper which was served at the conclusion of the business meeting. Mrs. Jones was seated as the new commander of the American Legion post. Carl Olundstad was the retiring commander. Those taking office with Mrs. Nance were as follows: Frank Sogol, vice commander; Victor Evers, adjutant; George Wagner, treasurer; George Grahls, sergeant-at-arms; Louis Strnad, chaplain; Mrs. Marie Perone, historian.

Leath Company is Enlarging Service One of Elgin's largest furniture firms, Leath and Company, announced this week through Robert L. Hall, manager, an expansion program involving occupancy of part of the second floor, formerly

occupied by the Elk's club, of the building occupied by the Swan department store at the corner of DuPage and Spring streets in Elgin. The large additional space leased will be occupied by a new department of the Leath business to be known as the Leath Studio, where a complete home furnishing and decorating service will be rendered. This new venture, supplement-

ing the present Leath store at 185 DuPage street in Elgin, is planned in response to a growing demand in Elgin and the Fox Valley for complete selections in advanced style and decorative character, Mr. Hall announced. Mr. Hall pointed out that this additional space will permit a considerable broadening of the selections in price and style range and facilitate service in the present Leath store.

### Preparations for

Fall Bulb Planting The preferable time to plant tulips is between October 1 and October 25, although plantings made until the ground freezes. Hyacinths, narcissus, and crocus may be planted in September or October. While the fall is the best time to plant tulips, these early, particularly tulips, as this season too much growth before winter sets in, yet they must be planted sufficiently early to permit of some fall root-growth.

White tulips and similar bulbs are not exacting as to their soil requirements, avoid either extremely light sandy soils or heavy clays. However, moles and mice are not so troublesome in the stiff soils. Where moles and mice are troublesome, sprinkle about a half-teaspoon of naphthalene flakes over each bulb after it has been set and before it is covered with soil.

The soil must be well prepared and drainage must be good. If drainage conditions are not good, one method of correcting is to raise the beds six inches above the surface of the lawn. Plow or spade to a depth of 8 inches.

Bulbs are grass feeders and must be supplied with an abundance of plant food if they are to thrive. As the available food supply is exhausted the quality of the bulbs deteriorates and they become dwarfed. To be sure there is an adequate food supply available, after the soil has been carefully prepared, a complete balanced plant food should be well mixed with the soil at the rate of 4 lbs. per 100 sq. ft. of ground.

Bulbs are planted in rows. Where the bulbs are planted in single rows for borders, plant food should be supplied at the rate of 4 lbs. for each 100 feet of row. This should be put in the bottom of the row, mixed with the soil, and then covered with a half-inch of soil before the bulbs are set.

When the bulbs are set in the spring and then it is almost impossible to apply plant food because of the condition of the soil. Then, too, the bulbs are planted by means of which two Barrington high school graduates are attending college this year.

Plans for the afternoon include cards, with a prize for each table, and dainty refreshments. Playing will begin at 2 p. m.

Proceeds from the party will be added to the scholarship fund by means of which two Barrington high school graduates are attending college this year.

—Press Committee.

### Barrington Woman's Club

Brookway's Milk Store To Move to E. Main Street

Brookway's Milk store, now located along south Northwest highway, will be moved to the Lamey block, 242 East Main street, Friday night so as to be open for business Saturday morning.

Mr. and Mrs. Brookway have conducted a milk and cream depot at the present location since July 1 and are now preparing to move to the more central location.

As announced by page 5 of The Review, the store will retail all dairy products.

The trend in local business improvement is reflected by the fact that with the milk store moving, every downtown store space in Barrington will be occupied by a retail store except one which is now being used as a storage room. Three years ago there were 13 empty store spaces.

"Tortoise-shell," Cat The tortoise-shell is a type of cat carrying a distinct marking. One-half of the body is black, the other half orange. This is known as the black. The coat is black with streaked markings of orange and cream and is clearly defined and not blended. The standard of general conformation is the same as other Persians.

TREAT "Summer Hair" NOW We specialize in treatments to repair summer's damages to the scalp and hair by stimulating the muscles and glands of the scalp, adding life and luster to dull, unattractive hair. This treatment is ment including shampoo and wave, \$1.50.

## Plan Lake County Farmer Institute

### October 1 and 2

Exhibit to Be Held at Elia Township High School at Lake Zurich

Plans for the annual Lake county farmers' institute to be held at the township high school at Lake Zurich October 1 and 2 are rapidly advancing, according to officials in charge of the show.

The exhibit is expected to have a large number of persons coming for cash awards and ribbons in a large number of events. The schools are expected to have school projects, a school and a poster contest, and the schools will be held.

Also attending the institute are the three outstanding students by the committee in charge. Mrs. Arthur R. Williams, president of the institute, is expected to have a topic of interest to both young and elderly.

Mr. P. J. Lake county superintendent of schools, is cooperating with the institute and a program of management for grade school children will be given through the agency of Mr. P. J. Lake county superintendent of schools.

Exhibits will be judged Friday. The exhibits will be open for inspection at 10 a. m. and will remain open until 10 p. m.

Mr. James J. Blaine of St. Louis will be the speaker on the program Friday night. He is a nationally associated with farm boys and is expected to deliver a valuable talk.

A special list of items to be seen at the institute will give interested persons an idea of the wide field of exhibits. The exhibit class will be open to all farmers, and prizes for corn, beans, soybeans, pumpkins, and a large list of awards for vegetables. There will be a class for poultry and pigeons, rabbits and water fowl. Exhibits of children art will include breads, cakes, muffins, cookies and doughnuts.

The domestic art class is for selecting, needlework, patching, darning, book rugs and applique work. Quilts, rugs, aprons and towels are in that division.

There are to be cash and ribbon awards in the poultry shows. Divisions for contestants from the county. Each entry must be a standard pair, either male or female. Any member may enter one or more classes as desired.

The flower show will be divided into the following classes: cut flowers, flower arrangement, dried arrangement, artistic arrangement, wild flowers, original, landscape exhibit, depression bouquet, house plants, flowering plants, table setting exhibit and miniature bouquets.

Check Tires Before Starting Fall Tour

With country highways practically deserted after the summer vacation, and with cool fall weather on the offing, September offers one of the finest touring opportunities of the year.

To enjoy the season's possibilities to the full, motorists should carefully inspect their cars after the wear and tear of heavy summer driving. J. S. Gieske, Goodrich dealer at 110 N. Cook street, reminded local motorists today.

Naturally the mechanical features of the car should be carefully checked, for no scenery can be enjoyed when the motor is "acting up." Next the condition of the tires should be carefully considered, for tire trouble is often far more serious than motor trouble, with far greater implications of damage to car and driver.

Mr. Gieske pointed out: "A smooth tire, with no center crack, is the best safety feature of a tire. It is almost impossible to slip and skid in an emergency."

Considering the present level of prices in the tire industry, and the wide range of lines, a new set of tires is the best single investment a car-owner can make from both the safety and the convenience standpoint. —Adv.

Three Parishes in One Church

The chapel at Tumbidge Wells holds the distinction of being the only church to stand in two counties and three parishes, observes a writer in Pearson's Weekly. It is partly in Kent and partly in Sussex. When the clergies leave the vestry he comes out of the parish of Frant, Sussex. If he is going to officiate at the altar he walks into the parish at Tumbidge, Kent, while in the pulpit he stands in the parish of Speldhurst.

## Rev. C. F. Roloff Feted on Birthday

Rev. C. F. Roloff, long-time resident of this community, and minister in the Evangelical church for many years, was honored at an informal reception Monday afternoon and a family dinner party that evening in celebration of his 80th birthday. Both affairs were planned by his daughter-in-law Mrs. Milton Roloff, who was assisted by other members of the family.

Rev. Roloff received many greetings in the form of cards, gifts and personal calls at his home on West Lake street, throughout the day and in the evening. A birthday dinner was enjoyed by his entire family, all of whom had gathered to help their father and grandfather celebrate the happy event.

The following relatives were guests at the dinner: Mr. and Mrs. W. N. Roloff and family of Bloomington, Mr. and Mrs. J. E. Nelson and family of Arlington Heights and Mrs. William Kopitke of Elmhurst.

Mr. Roloff came to Barrington from Germany 64 years ago and after several years of preparation entered the Christian ministry in 1878. He is looking forward to 1938 when he will celebrate his 60th anniversary as a minister. Because of his inability to hear, he has been unable to serve a church for some years but in many other ways has manifested a vital and active interest in the work of the church, teaching a class in Sunday school regularly and preaching in the German language once each quarter.

He has a kindly, Christian attitude and keeps himself well informed on the progress and development of the church in general and in the church in particular through which the church is passing. He is looking forward to 1938 when he will celebrate his 60th anniversary as a minister.

During his active years he served some of the most important churches in the Illinois conference. He seldom misses a service in the church and because of his life his broadening influence, his life this community has become a leading place for churchgoers.

Payment Reported by Review Last Week to Be Made Oct. 1

A dividend of five per cent to depositors of the closed First State bank of Barrington, as reported in the Barrington Review last week, will be paid on or before October 1, Louis E. Nelson, deputy receiver, reported Thursday.

The dividend will amount to nearly \$17,000. Mr. Nelson stated that the remaining assets of the bank will be completed with the payment of the five per cent dividend, it was reported.

The dividend will come largely from the liquidation of real estate holdings of the closed state bank, Mr. Nelson declared. He further stated that the remaining assets of the bank were very favorable and he anticipated a high percentage of liquidation of them for depositors.

Since Mr. Nelson was appointed deputy receiver of banks in this district last November, dividend checks at an approximate two-month interval have been received by depositors.

Raymond Motors Is New Firestone Dealer

Announcement has been made by the Firestone Tire and Rubber Co. that Raymond Motor Sales of Barrington, which is the authorized Ford sales and service garage, has been appointed Firestone dealer for the community.

J. Raymond, proprietor of the company, reported that a stock of Firestone automobiles and truck tires has been added and that the garage is equipped for both sales and repair work.

Announcement of a special Firestone sale is made on page 2 of this issue of The Review.

## Fair at Baptist Church Open Now

Judges have awarded ribbons to winners of various exhibits at the old-time fair which is now in progress at the Baptist church. Exhibits will be open to the public from 2 to 10 p. m. Thursday and Friday.

Mrs. W. N. Sears, general chairman of the affair, announced the following judges and their departments: Mrs. R. R. Hammond and Mrs. Fred Record, flowers; Mrs. Lester Higgins, Mrs. Harold Grebe, quilts and needlework; Mrs. E. A. Beerman, rugs; Willard Watson, airplanes and wood carving.

Additional exhibits which will interest spectators include oil paintings by Kathleen Bush Granger, "ahoyas," brought from South America by the R. A. Benatti, specimen blooms of gladioli, and unusual handicraft by John Dawson.

A hot dog stand similar to those at county fairs will be operated at the church corner Friday noon, according to Mrs. Sears.

Gymkhana Planned at Cardwell Estate

The Barrington Riding club will hold its annual gymkhana at the J. R. Cardwell estate Sunday afternoon beginning at 2 o'clock and it will be somewhat different from the program of other years.

There are to be 15 events, with 5 classes with ribbons this year. Five-gaited horse competition, three-gaited horse and limited jumpers are listed for adult riders, while two children's horsemanship events are listed, according to reports.

The gymkhana will open with a parade in which a large number of riders are expected to participate. The Barrington Polo team will play a mock game with a beach ball using brooms for mallets.

George E. Vanlinsen Jr. is to judge the events and William Horne is listed to do the announcing. Robert Buckley Sr. will act as ringmaster.

In addition to the horsemanship events the usual games for a gymkhana will be held.

## Suburban Building Continues Increase

New building in the Chicago suburban region shows again in the survey for the month of August the same large increase over last year which has been recorded in every month of 1936. The figures are \$2,018,115 for August 1936 and \$1,558,357 for August 1935. This increase of a half million dollars represents a gain of 30 per cent.

Suburban building thus far in 1936, roughly speaking, has doubled that for 1935, the totals for the eight months of 1936 being \$9,062,000 for 1936 and \$7,000,000 for 1935.

It is again apparent that the construction of new homes is responsible for the tremendous improvement in suburban building.

Forty-six of the 56 suburban communities reporting itemize their August figures and report the beginning of construction of 118 new homes for which permits were issued in amount of \$1,065,340. These towns also report repairs, alterations and addition to homes valued at \$146,193, so that approximately \$1,211,533 of the \$2,000,000 August total represents new homes and work on existing homes.

Barrington kept pace with comparative averages of other communities when building permits were greatly higher than August of last year and July of 1936. The total for the month was \$10,477 and September will exceed that figure by a large margin, according to present information.

## Mrs. Emily Trimble, 71, Dies Thursday Morning; Resident Here 35 Years

Mrs. Emily Trimble, 71 years old, widow of Robert Trimble, of Barrington township, 4 miles south of the village, died early Thursday morning at her home.

Mrs. Trimble died of a heart ailment after a short period of illness.

Mrs. Trimble was born at Thornton, Ind., on January 20, 1865 and became the bride of Robert Trimble on June 19, 1883. She had made her home in this vicinity for the last 35 years.

She is survived by eight children, Mrs. John Carr, Pulten, N. Y., Mrs. D. M. Stewart, Ralph, Scott, Owen, Howard and Mrs. Harry Hellogg, all of Barrington, and Frank of Chicago.

Funeral arrangements are incomplete at present, awaiting arrival of other members of the family.

Archaeologists digging at Sakkhar found a life-sized statue of an Egyptian king surrounded by a stone cabinet through which two holes were pierced at eye level, so that the king might look out.

## Roger Bacon

Roger Bacon, English scientist and publicist, was born about 1214. The most learned man of his day, he is reported to have advocated the change since made in the calendar, to have invented gunpowder, and to have manufactured magnifying glasses. His great work, "Opus Majus," which urges philosophical reform, is noted for its learning and prophecy.

## Conference Race Promises Close Fight for Title

Less Competition: Fast Team Puts B Men in Top Ranks Of Conference

The prospects of this year's football squad are fast becoming as the men of the picture in shape for the season as upon them.

One year's squad will not be as good as most teams have been, but it is destined to be a very fast one.

For the boys have merely been working to get themselves in shape to take it. Friday afternoon practice will start between the squads and the teams will be working on plays, passing, etc.

Coach Cort, Cadwallader, Moxley and Tichy have been working in the back field. Mountain and Knevel will start between the line and back. However, it will take a little more time before definite position will be taken by the players.

The first conference game for Barrington will be played here October 10. The game will probably be a close one this year will probably not be a very strong giving the locals a chance to check up their first view. There will probably be a game with out of town teams in the conference.

The team is a lightweight and Frohman's squad also have some very good players which will even make their way up to the top of the class.

## 4 Schools Drop Gridiron Sport for Fall Softball

Lack of Playing Material Causes Smaller Schools to Drop Football

Representatives of Palatine, Bensenville, Woodstock and Elmhurst schools met at a Wednesday afternoon session to decide on a fall season. The football to be played in the fall season will be played September 17 at Bensenville at Palatine and Bensenville. The game will be played at Bensenville. Each team will play one game with each opponent. The game was chosen in preference to football since the smaller schools lack a sufficient amount of football materials each term. A small number of games will be played. The schedule is as follows:

September 17

## Barrington Polo Club Wins Match With River Trail

The Barrington Polo club played its first competitive match against the River Trail polo club from Morton Grove Saturday night at the Forest View academy and emerged victorious in a one-sided 22 to 2 victory.

The starting line-up for the Barrington riders was Lewis Krieger in No. 1 position, Tony Bateman in No. 2 and Duke Bowen in No. 3. Bob Buckley and Jerry Corbett were spares.

The line-up for the River Trail outfit was Jack Stoddard, Paul Vorhees and Scotty Haasler with Tony Connors as spare.

Jerry Corbett and Duke Bowen led the Barrington team over the rather weak trail outfit by scoring seven goals apiece.

## Men and Women Meet to Organize Bowling Leagues

Bowling Alleys Reconditioned for Opening of Strong Season

The season of bowling is fast getting under way at the Barrington Recreation Hall. The different leagues are beginning to organize for another strong season.

A group of women met Tuesday evening to discuss the possibilities of forming a larger league than last year's. It is hoped that a group of at least 32 can be formed for an afternoon and evening league.

There will be a men's meeting Thursday evening at 8 o'clock to organize a Tuesday and Thursday men's league.

The league will be open every afternoon and evening beginning September 16. Anyone interested in joining one of the leagues should get in touch with Conrad Lipofsky, manager of the Barrington Recreation Bowling Alleys.

## Locals May Play Elgin All Stars at Home Sunday

With the baseball season practically at a close, it is quite difficult for the locals to find opponents for a game.

The Bears have no game definitely scheduled for this Sunday, but it is probable that they will play the Elgin All Stars, the cream of the local teams on the home diamond. The Bears may play the Elgin Semi-Pro at Elgin, but the home game is the most probable of the two.

## Tower Lakes School to Observe Annual Constitution Day

Constitution Day, Sept. 17, will be celebrated at Tower Lakes by a musical and social program at the Tower Lakes school.

The remodeling of Tower Lakes school has just been completed. A recreation and assembly room has been created, running water system installed, the grounds landscaped, and the building repainted inside and out.

Interested friends and neighbors are invited to the meeting and exercises on that evening, and also to look over the remodeled building. William H. Bell, secretary of the Tower Lakes school board, announced.

## Townsend Rally Is Planned by Clubs

O. D. Eiters, 403 N. Cook street, announced this week that there is to be a rally of Townsend clubs with Dr. Francis E. Townsend as the main speaker at Eithardt's Grove, one mile west of Park Ridge on Touhy avenue, Sunday afternoon, Mr. Eiters announced that a group of local persons plan to attend the rally, which is

expected to be the largest gathering of Townsend members to date. Mr. Eiters also stated that the local attendance at the meeting held a week ago at the Catholic hall, 116 W. Station street, was 72 persons and added that the local organization is grateful to the organization for sending Mrs. Mamie Stark and Mrs. Geneva Burnham, concert singers, to appear on the program that evening.

There are to be no more meetings of the Barrington club until further notice, it was reported.

## Representatives of Local Groups Attend Road Light Exhibit

Approximately 20 local persons representing the village, park, school boards, Lions club, and other organizations attended the lighting exhibition on Skokie road Wednesday night.

It was reported that over 1000 persons from nearby communities attended the exhibit of sodium vapor lighting for highways which was sponsored by the Public Service company of Northern Illinois through its branch office manager.

M. H. Schreiber, manager of the local office, escorted a number of the Barrington group to the lighting display.

## Church Says Poor Man Pays for Waste

Continued from page 1

in the history of the nation. However, he represented the minority and fought for three and one-half years against what he termed the extravagance of the administration. In answer to the promise that no additional taxes will be necessary, Congressman Church declared that he was being taxed from every angle already.

"The taxes are deceitful, hidden taxes in order that you may not know. When you buy a five dollar pair of shoes you pay 43 hidden taxes. When you buy a car you pay 62 hidden taxes. When you buy a coat for your wife you pay 63 hidden taxes. When the cost costs \$15 you are paying \$6.86 of that amount in hidden taxes."

"It has been computed that the average middle class man pays 2700 hidden taxes on the things that he buys for everyday use, 1500 taxes on the things his wife buys and 1200 taxes on the things he himself uses."

The 53 homeowners which have been built for unfortunate farmers in Lake county have been completed but only 35 families have been placed on those farms although there have been 1100 applicants for them. Mr. Church said he declared that the other 27 would not be selected until after election as each of the nearly 1100 have hopes of being given the favor. They will be left in their home

pretexts to vote, the congressman predicted.

The meeting was called together by County Supervisor H. D. Kelsey who stressed the importance of the present period. He said the history of America had three periods of great stress and importance, those of Washington, Lincoln and Landon. He introduced the chairman of the evening, Rudolph Berg, Cuba town district committeeman.

Among the visiting party representatives introduced by Mr. Berg were the following: George H. Eubank, candidate for lieutenant governor; Ben Miller, county chairman; Dr. A. G. Gieske, Barrington town committeeman; State Senator Ray Padock; L. J. Wilnot, clerk of circuit court; John Taylor, county coroner; Howard Scott, recorder of deeds; Lake County State Attorney Charles Mason; and Mr. Church and Mr. Lyons.

Each of the visiting representatives delivered a short talk. Music and entertainment was furnished by the high school band, the Skokie Valley Boys and Mildred Zickberry.

Visit Home

A number of members of the Women's Union of St. Paul church visited the Old Polka home and orphanage at Bensenville Wednesday, taking baskets of coffee cake and cookies with them as a treat for the old folks and children.

## Re-Registration

### Required for All Voters in Cook

### Unnecessary in Lake; Time and Place to Register Given

Registration days for voters in Barrington, Palatine, Cuba and Elia towns have been announced this week by local officials. The dates for the towns of Barrington and Palatine are Saturday, September 24 and Sunday, October 4. Henry S. Sott, town clerk announced. For the towns of Cuba and Elia they are October 13 and 27, both being Tuesdays.

Rallies by county election commissions concerning registration days vary for Cook and Lake counties.

It is compulsory that each individual voter register or re-register in all Cook county towns, including Barrington and Palatine in order to be eligible for voting at the November 2 election. The places of registration will be open from 6 a. m. until 9 p. m. on both days.

In Lake county it is not necessary that voters whose names have been on the books re-register. However, their names must be on the books to enable them to vote. Those who did not vote at the last election four years ago or the election two years ago or who primaries this spring should take the precaution to determine if their names are on the list. Cook County Supervisor H. D. Kelsey advised. All new voters in the towns of course must register.

The names on the present list will be copied in the new election books. Mr. Kelsey added, but to eliminate possibility of oversight he suggested that Lake county voters visit their registration places and inspect their books. They may examine the poll books at their registration places between October 13 and 27 to determine if their names are properly recorded.

The polling or registration places in this district and the precinct outlines are published below.

**Cook County**

Barrington precinct 1—registration place in Berg's Garage, 111 E. Station street; precinct includes village of Barrington south of Cook street and east of Hough and sections 1, 12, 13 and 24.
