

"It's Love Again" Week-End Feature Billed at Catlow

"To Mary—With Love" Closes
Friday; To Show "The
Green Pastures"

Marriage is the beginning and not the end of "To Mary—With Love," the picture now playing the local theatre.

The affection pictured in the life of these two as portrayed by Myrna Loy and Warner Baxter, is a deeply rooted love that weathers the trials, the sorrows, the misunderstandings and the delinquencies that shadow the years.

To meet the vicissitudes of marriage life gallantly and to sail at long last into the haven of content is the theme of this story.

"To Mary—With Love" closes Friday night to make way for Bret Hart's Western classic, "M'Lisa."

This yarn of a spiffy orphan, fathered by desperadoes and mothered by dancing girls, is told against the moving panorama of a gold-rush town.

Anne Shirley, John Beal and Guy Kibbee are starred in the important roles.

Short subjects to be seen on this bill include Pathe news, cartoon, Sportland and comedy. In addition there is scheduled the regular 9 p. m. gift event.

Jessie Matthews, the toast of London, makes her bow to local audiences Friday and Monday in the picture, "It's Love Again."

This pliant and versatile star, with Bonnie Hale and Robert Young, offers grand entertainment in the story of an unknown chorus girl who impersonates an exotic East Indian princess, and as such penetrates the inner circles of society and wins, eventually, the star part in London's musical hit.

"It's Love Again" sparkles with comedy, new songs and an entirely new meter of the dance.

With it will be screened a color cartoon, comedy and late descriptive news.

Harry Carey, Hoot Gibson, Tom Tyler and Henry B. Walthall head the cast in the Western number, "The Last Outlaw," which will be presented Tuesday as the bargain offering of the week.

It is a rapid-paced yarn of the challenges of the Old West against the new order.

Marc Connelly's fable, "The Green Pastures" will be screened Wednesday, Thursday and Friday. As a stage play it held the attention of audiences in metropolitan centers for over five years.

As a picture it is filmed on a scale impossible on any stage, and it is heralded with unprecedented praise from coast to coast.

This modern "divine comedy" tells the story of the creation, the fall, and the glory of heaven as seen through the eyes of an old negro preacher who teaches his

pickaninnies the ways of the ancient world.

It is highly amusing with the humor of the old ditty South, yet tenderly reverent in the moving and majestic scenes of biblical lore.

The features hours for "The Green Pastures" are announced for 7:30 and 9:30 p. m.

Pelicans Eat Fish
Pelicans had a bad reputation for eating fish the fishermen would like to catch, but a study show that white pelicans live largely on trash fish, such as carp.

Passengers in the smoking compartment on my train were arguing about why railroad business is picking up.

A factory owner said it was because of this new Free pick-up-and-delivery of less than carload freight. This is door-to-door service with no extra charge added to the freight bill.

A traveling salesman said it was because so many passenger and freight trains now run on faster schedules.

There was a school principal in the group and he said it was because train travel is so much cheaper for passengers. He said passenger fares are at the lowest point in history, with substantial reductions if you buy a round-trip ticket—and no more surcharge for riding in sleeping cars.

One man, a farmer, said he liked something he could depend on, that's why he was traveling by train.

Another man, a newspaper reporter, said people were in favor of railroad travel because it is by far the safest. He quoted a lot of statistics from a book called, "Live and Let Live."

A banker we all know by name said railroad tax payments mean a lot in this state.

We are proud of railroad achievements, appreciate the public's good will and increased patronage, and pledge continued progress.

Pure Milk Farmers Given Price Raise for Grade A Bait

Pure Milk association members shipping Grade A milk will receive a price differential increase of 1 cent per hundred pounds of milk effective as of September 1, 1936, association officials announced last week following negotiations with Chicago milk distributors.

This increase means that Pure Milk association dairy farmers shipping Grade A milk will now receive 58 cents above the average commodity price each month for 100 per cent of their base production allotment for one hundred pounds of milk testing 3.5 in butterfat content. One hundred pounds of milk equals 46.5 quarts.

New CCC Enrollment of Lake County Boys

Announcing a new enrollment period for membership in the Civilian Conservation Corps, representatives announced Monday that there is room in the CCC for a large number of youths who register and are found eligible from Lake County. No definite quota has been set.

The enrollments this period will be accepted from October 1 to October 15 and must be made originally to the town supervisors, according to a new regulation set down when poor relief administration was turned back from the IERC to the towns. H. D. Kelsey will handle applications for Cuba town and Harry Wash for Elia.

In making application for places in the CCC, Lake county youths must first contact the supervisors and obtain a written assignment which, in turn, will be turned over to the officers of the IERC. Preliminary examinations will be conducted at relief offices by physicians from Fort Sheridan. The CCC takes young men between the ages of 17 and 28.

The Birthday Child of the Week

Three birthday children have been photographed for the column this week. Pictured at the left is Mary Edith Titterton who will be two years old Friday, Oct. 3. Mary believes in sunshine and fresh air for her favorite doll so she has lots of use for the buggy. She is the daughter of Mr. and Mrs. Donald W. Titterton, 138 West Lake street, Barrington.

At the left and below is shy little Alice Vera Reese, who also has a favorite dolly, half as large as herself. Alice is not an October birthday child as she was born Sept. 19, 1934, but her picture was not obtained until after this column was started last week. She is the daughter of Mr. and Mrs. Walter Reese, Elia township.

And of course a boy is not happy if he has a dog. Keith Melvin Pederson has a hard time holding his dog, Toby, fine playmate and probably some protection. Keith is the three year old son of Mr. and Mrs. Frank Pederson, Poplar Creek farm in Hanover township. His birthday is today, October 1.

The Review would like to hear from parents of other October children Thursday or Friday of this week or not later than 9 o'clock Saturday morning. Before a picture can appear in this column it must be taken, developed and printed, the print sent away to an engraving plant and the engraving mailed back to The Review. Saturday morning will be the last time pictures will be taken for October birthday children.

The Review also would like to hear from parents of November children at this time.

By taking Alexander Taylor, 14-year-old son of Mr. and Mrs. James Taylor, 217 George street, to the Barrington police station and jail for questioning, the boy was deprived of his reputation and character, it is alleged in a suit for \$5000 filed against Henry Weist, special deputy sheriff, at Hillmore Country club, in circuit court at Waukegan Tuesday.

In the complaint filed by Attorney Frederick P. Sturiz, James Taylor, father of the boy, charged that Alexander was removed to Barrington on August 23 by Weist on a "pretextual" charge of being a "juvenile delinquent" and was held four hours for questioning. It is also claimed that it was necessary to spend \$12 for surgical and medical service on the boy as a result of the incident.

Brongs Tie in Football Opener; To Meet Blue Devils Here Saturday

Warren to Oppose Local Eleven in Conference Battle

0-0 Score Marks Contest With Niles Center in Heavy Rain Saturday

Week-End Slate
Friday, Oct. 2
Lake Forest at Libertyville
Saturday, Oct. 3
Warren at Barrington.
Grant at Arlington.

The Barrington Bronchos officially opened the 1936 football season by meeting the Niles Center eleven on the Barrington field Saturday afternoon and after 60 minutes of trying to score in an almost constant downpour saw the contest end in a scoreless tie. The Bronchos entered the contest as a green outfit, the backs and line carrying a majority of new men in varsity competition. Niles Center was the aggressor throughout the game, pushing Barrington back into its territory repeatedly and threatening to score on several occasions.

Slow on Offense
The Broncho line was slow in charging, allowing the Black-shirted Niles eleven to back-pierce the line and ends for consistent gains. With their backs to the wall, the Bronchos managed to show a sustained defense and took the ball on downs.

Niles Center made its greatest threat in the third quarter but a line play failed to pick up the necessary half-yard for a first down on Barrington's five yard line. With the field in a sloppy condition, making trick plays impossible, both teams were content to follow the conservative type of game.

Attempt Field Goals
With less than a minute to play before the first half, Grabenkrort, Barrington left half back, attempted a field goal from the 25 yard line but the sudden ball refused to go over the bar although the direction and distance were good. Niles Center was forced to attempt the same play late in the fourth quarter for a possible score. The ball was placed on the 25 yard line but ratty Bill Mountain, Broncho left tackle, broke through and smothered the kick.

Little Passing
Few passes were attempted during the first half. Only one aerial was completed, from Grabenkrort to left end Gaare for a gain of 12 yards. Three other tosses were incomplete. Niles Center also connected with one toss for 15 yards while throwing four bad ones.

Barrington was penalized four times during the contest for a total of 20 yards while Niles lost 20 yards on three penalties.

Niles Center made 11 first downs to Barrington's 7, which partially explains the fact that Niles made the greatest scoring threats.

Bob Caldwell, Barrington's quarterback, stood out during the last half of the game when he long punts took the ball off Barrington's danger zone on several times. Two of his punts were good for 40 yards, despite the conditions of the ball and field.

Warren Saturday
The Bronchos will make the initial bid for conference honors when the Blue Devils of Warren township high school at Gurnee come to Barrington Saturday.

MRS. ALBERTA MOORE of SANTA ROSA, CAL., was awarded the first prize \$500.00 and title for her recipe and menu.

Mrs. Moore's prize winning dinner is as follows:

Hors d'oeuvres, Roast Egg Noodles, Spring Beans Escalloped Tomatoes, Frozen Fruit Salad and Pumpkin Goody.

Duplicators give Warren slight encouragement for a successful season, but Coach Kelton can be expected to send a team onto the field that will give a hard battle. Kelton is working green men at present and by mid-season is going to strike fear into bigger outfits.

The fact that Warren is not experienced as should be for conference games at present is a point in favor of the Bronchos. If weather conditions permit, the speed of the locals may prove the deciding factor of the contest.
