Warren lost their first game of the season to Grant at Fox Lake. The Blue Devils of Grant defeated the Bronchos by a 6-0 score last afternoon.

Bronchos Threaten Grant at Fox Lake. The game was a close one, with Grant leading 6-0 in the second quarter. A great deal of passing was done by the boys, but they were unable to bring it up to the five yard line. Another gain of two yards was made. Cadwallader attempted to pass, but the pass was completely ending the first quarter.

Warren Scores. The first of the second quarter was mostly line play. Fumbles were made on each side. During the half, W. Phillips passed to C. Phillips, who carried the ball up the two yard line. C. Phillips kept the ball around the end in the next play for a touchdown with two minutes of playing time left. Warren failed to make the goal after the touchdown. Barrington received the kick-off and drove. They succeeded in carrying the ball for a first down. Cadwallader passed to Phillips for a gain of 15 yards. The half ended with the ball in the Bronchos' territory.

American "Devil's Island"

Fort Jefferson, Fla., called the Devil's Island of America, ranks as the largest all-masonry fortification in the Western World. It was abandoned as an active defense in 1875, but during the Civil war it was the most dreaded of all federal prisons. Shark-infested depths between the prison and the mainland cut off every hope of escape.
