Legion Program

Altruistic Says
Past Commander

L. J. Fenlon Speaks at
Installation Here
Thursday

The program of the American Legion is an unselfish one which every member of the Legion and the Auxiliary and all other good citizens can subscribe with local organizations. L. J. Fenlon, past department commander, declared at the joint installation of service clubs held in St. Anne parish school Thursday night.

Mr. Fenlon was the principal speaker at the installation which was attended by 200 men and women, many of them visiting Legion and Auxiliary members from other communities.

The Legion is pledged by its program to use its influence to insure adequate and proper care of disabled comrades, to watch out for the welfare of widows and orphans of service men, to cooperate through the posts with local organizations for community betterment and to uphold the constitution of the country.

He declared that the country should have adequate preparation to insure peace. If America had been prepared in 1914 the World War might have been avoided, he said, and added that in 1918 we were no better prepared for peace than we had been for war four years earlier.

One of the most deplorable conditions following the war was lack of proper means of hospitalization for sick and wounded veterans. That situation gave the Legion an opportunity to offer a service which helped build its firm foundation as an organization.

Officers of the Barrington post were installed by George Rohde, district commander. Joseph Bern, continued on page 5

Expenses of Clerk

Excessive, Kelsey
Tells Supervisors

H. D. Kelsey, Lake county supervisor from Cuba, directed an attack before the county board against the financial record of the county clerk's office established since Russ Alford filled the position last fall.

If the present rate of expenditures in comparison with receipts continues through Mr. Alford's term, Mr. Kelsey charged, "the office will have cost the county \$40,000 more than it did in an equal period of time under his predecessor."

From December 1, 1935 to September 1, 1936, the receipts of the clerk's office under Mr. Alford have amounted to \$32,872.78, the supervisor said. Under Mr. Henderson for the same period of time the receipts amounted to \$39,742.48, a surplus of \$6,869.68 more collections under Henderson.

During the same period of time the expenses of Mr. Alford's office amounted to \$22,926.57 as compared with \$18,590.63 expenses of Mr. Henderson's office for the same months of the previous year, an increase of \$4,335.94 under Mr. Alford, Mr. Kelsey added.

He said that the clerk employs too large a staff of assistants. The clerk, who was present at the board meeting, declared that the increase in expenditures was the result of paying off old bills.

The board has met to pass an appropriation for the coming year but postponed action because the finance committee did not have its report completed Tuesday.

No Roof Drainage

to Sanitary Mains
After November 1

Board Passes Ordinance Re-
quiring Separation
of Sewers

No surface drains or down spouts may drain into the sanitary sewerage system in Barrington after November 1, 1936, according to an ordinance which was passed at a meeting of the board of trustees Monday night.

The ordinance is for the purpose of making completely effective the separating of storm and sanitary sewers. The new disciplinary plan is designed to take care of all flow from the sanitary mains at the present time or after a considerable growth of the community. It might not take care of a flow increased many times by a down-pour of rain. There would also be danger of the mains becoming congested and causing backflow into basements.

The ordinance, as published on page 6 of this issue of The Review, states in part: "It shall be unlawful for any person or corporation owning property in the village of Barrington to maintain any such premises any surface drain or downspout of any kind whatsoever, for the purpose of carrying storm waters into the sanitary sewers of the village of Barrington from and after the 1st day of November, A. D. 1936."

In some places it is possible to direct the flow from downspouts to the storm sewerage basins. At other places, the water will have to flow over the ground to seek the nearest basins.

"Mary of Scotland" at Catlow Theatre Thursday, Friday

"Texas Rangers" and "Road to Glory" Coming Next Week

In Katherine Hepburn's portrayal of the fiery Mary Stuart in the production, "Mary of Scotland," which closes its run Friday night, movie goers are offered the vivid story of the queen who threw away her crown for the love of a man.

"Mary of Scotland" is being presented as a benefit for the "B" and "D" of the Methodist church. Chas. the wily Chinese detective, has need of all his sleuthing powers to solve the cunningly contrived mystery set for him in "Charlie Chan at the Race Track." This film, which will be the feature number on Saturday's bill, has all the flavor of the padlock and course and sweeps to a climax that will leave all cheering.

The Texas Rangers, Oddity, comedy, and the featured 9 p. m. gift event are added items of interest for the Saturday program.

The "Texas Rangers," billed for Sunday and Monday, presents the epic events which led to the founding of the Lone Star state. Fred MacMurray and Jack Oakie, cast in leading roles, appear as outlaws who join the Rangers and take the famous oath to subdue Indians, kill or capture murderers, break up gangs of cattle thieves and make Texas a safe home for its citizens.

An unusual picture will be presented as the bargain night offering next Tuesday. It is titled, "Two in Revolt," and has its stars, "Warrior," the wild horse, and "Lightning," the devoted dog. These two pit their instinctive cunning against the wiles of man, and their desperate battles for freedom provide the thrills of the picture. Science, comedy and Curiosity are loaded to be shown with "Two in Revolt."

The huge raft assembled to create "The Road to Glory" will be shown to play next Wednesday and Thursday. It is topped with the names of three outstanding stars, Fredric March, Warner Baxter and Lionel Barrymore. "The Road to Glory" is spoken of as the season's most impressive picture, in it are re-enacted the story of conflict, the heart break of love, and the glory of courage. It is a cross section of the Great War but its meaning sums up the most powerful belief for continued peace.

IT IS OUR RESPONSIBILITY

The following sound advice was included in letters sent out to Deep Rock patrons this week by M. A. Jurs:

"Most adults are capable of watching out for themselves on streets and highways. But the youngsters are not. That is why almost 10,000 children of school age are killed accidentally every year in the United States.

"They do not have the judgment which enables them to cross the streets safely. They are excitable; they are intent on their games; they do not REALIZE the dangers they face.

"Thus, it is up to the adult driver not only to watch out for himself, but to watch out for the children, too. A child on the curb is a danger signal. We must expect kids to do the unexpected—and prepare for it. Following this simple rule will make this neighborhood safe for our children during the long school year ahead."

The local Bronchos again suffered defeat when they met the football eleven from Grant high school on Grant's field at Fox Lake Friday afternoon. Grant held the Bronkos to a 6-0 score.

Friday's game was a well-balanced game from the standpoint of playing, both teams being about equal. Grant kicked off sending the ball deep into Barrington's territory where it was returned for a short distance. Grant won the only touchdowns of the game in the first quarter. The ball was on the 5 yard line; sharp Grant's hefty full back, took the ball and plunged through the line of scrimmage to score. Grant attempted to punt for the extra point but failed.

The entire game was played in a seaway fashion, both teams being on the verge of scoring several times. Barrington was in a scoring position several times but failed because the receiver could not hang on to the slippery ball. The Bronchos succeeded in finding holes in Grant's line advancing the ball frequently. In the last quarter Grant punted and Barrington returned the ball deep into Grant's half; at the final whistle the Bronchos held the ball on their own 15 yard line.

Barrington had the edge on Grant in first downs and penalties. The home boys had ten first downs to the opponents eight. Grant was pounced six for 50 yards. Barrington was set back 3 for 15 yards.

Jack Mountain, one of Barrington's dependable tacklers, received an injured shoulder in Friday's game and will be out of the lineup for two or three weeks which is rather a setback to the team. Mountain will probably be back in time for the homecoming game with Libertyville October 31.

Mrs. Otis Oldest at Dearborn Family Centennial Sunday

Mrs. Anna Dearborn Otis, Mrs. Grace Cannon, and Mr. and Mrs. William Cannon and son William Jr., 508 S. Cook street, attended the Dearborn family centennial celebration held at the old family homestead in Northfield township, northeast of Des Plaines, Sunday. Thirty-six direct descendants of Richard and Hannah Dearborn assembled for the reunion. Mrs. Otis was the oldest in the family's four-generation group and Billy Cannon Jr., the youngest.

Among the incidents recalled by members of the family Sunday

was one concerning the purchase of a 140 barrel of flour in Chicago one year; great was their sorrow when the flour proved to be musty and they had to go breadless that winter.

It took their parents 13 weeks to cross the Atlantic ocean; after more long weeks of travel, they settled on the land their descendants still own. A sheep skin copy of the original land title, signed by President Tyler, is a prized family possession.

Taken to Hospital

Mrs. George Atkins became seriously ill Sunday and was taken to the Sherman hospital, Elgin, in the Foxchase ambulance. Mrs. Atkins was reported improving Tuesday afternoon.

Barrington Has Largest Group at N. W. Suburban P.T.A. Council Friday

Barrington had the largest representation of towns in the northwest suburban area at the P.T.A. council meeting held in the Methodist parish house, Arlington Heights, all day Friday.

The eleven members of the local group who attended the sessions were Mrs. K. K. Lillen, Mrs. Standford Rieke, Mrs. Albert Wilkins, Mrs. Donald Blumman, Mrs. Harlow, Mrs. Cecil Kellam, Mrs. Hugh Calkins, Mrs. Ward Olmsted, Mrs. P. R. Drower, and Mrs. Leslie McClure.

The morning was devoted to group programs on home management, child study and the P.T.A. magazine. Following luncheon and excellent music by the Mothers Chorus of Park Ridge P.T.A. guests heard a talk by Mrs. Laura Hughes Lundy of the Illinois League of Women Voters.

"The future of our country depends upon all citizens having a good education," Mrs. Lundy said. "Education must fit the child of today to face American problems in the year 2,000."

The speaker then outlined "each citizen's three jobs in education:

1. to support the school with taxes, see that the money is well-spent and that well-trained persons hold all school jobs; 2. protect schools from political control; 3. see that taxes are levied on luxuries to raise the necessary funds.

In conclusion, she advocated a central school board as the solution of many problems.

A group of local women will attend the P.T.A. district meeting at Des Plaines, Wednesday, Oct. 21, according to Mrs. Lillen, club president. The program for district 25 will include a panel discussion on school education directed by Mrs. Holland Flieger, state chairman.

Mrs. R. Benitt to Speak at Reciprocity Program in Palatine Tuesday

Mrs. R. A. Benitt of Barrington will be the principal speaker at a "Reciprocity Day" program of the Palatine Woman's club to be held in the high school community room, Palatine, Tuesday afternoon. Mrs. Benitt's subject is to be "Adventuring Down the Andes."

Members of the Barrington Woman's club have been invited to attend the program, which will begin at 2:30 p. m. All clubs of this district will be guests of the Palatine group.

Ela Township High School Wins Crown in Softball Loop

Winning the final game with Palatine 5-4, Ela township high school made a clean sweep of the six game schedule between four Northwest conference high schools not playing football. The four schools were Palatine, Bensenville, Wauconda, and Ela of Lake Zurich.

In four of the games Ela scored 20 or more runs per game, doing so at least once against each opponent. In the final game, however, Ela and Palatine had a nip and tuck battle.

The final standings, giving Ela the mythical championship, were as follows:

Team	Won	Lost	Pct.
Ela	4	0	1.000
Palatine	3	3	.500
Bensenville	3	3	.500
Wauconda	0	6	.000

Dog Association to Hold Trials on Magnuson Estate

Midwest Field Trials Open to Public on Saturdays and Sunday

The second annual field trial to be held in this area will be conducted on the Magnuson estate, Algonquin road four miles east of Dundee, Saturday and Sunday with dogs of the retriever class furnishing the competition. Martin J. Hogan, prominent dog trainer and one of the judges for the event, announced that 40 or 50 dogs from all parts of the country will be in the competition.

Over 1000 persons availed themselves of the opportunity of watching these dogs from the Chesapeake, Labrador, Golden, straight hair and curly hair in novice and champion classes. Hogan's estate last year.

The field trials are held by the association in the interest of dogdom and sporting life. As explained by Mr. Hogan, the purpose of the meet is three-fold, first, to improve the working qualities of different breeds; second, conservation of game—approximately 50 percent of the birds shot are not recovered by hunters without dogs; thirdly, a sporting event arranged for the public interest and to identify hunting conditions.

Phasants and wild ducks will be used in the field trials that are to start at 9 o'clock each morning and finish at 5 o'clock. The birds will be scattered through the wild cover to supplement the present stock on the Magnuson estate. Trials will be held on land and water.

Judges for the event will be Mr. Hogan and Dr. A. G. Gifford of Oshkosh, Wis. The list of kennels includes those of Anthony Bliss, I. A. Carleton, J. H. Davidson, David Seale, James Meigs, David Tucker, T. Conley, Gordon Kelly, William Walker, Harold Ward, J. Gould and many others.

Guests for the event will include Jay Graham, member of the United States Olympic gun team, Walter Peacock, G. McDermott, Dr. Paul Magnuson and Paul Magnuson Jr.

There will be no admission charge made for spectators and the association has extended an invitation to the public to attend on both days.

First Story Hour at Library Oct. 31

The first "story hour" meeting of school children and the librarian this year will be held at the public library Saturday afternoon, Oct. 31, under the leadership of Miss Olive Dobson.

Children from grades one to five may register for the class story-reading will take place from 2:30 to 3 p. m. each Saturday during the winter months.

In former years, the Illinois juvenile jury will include a special program suitable to the day and children may come in costume if they so desire.

All meetings will be held in the library.
