

"China Clipper" Week-End Feature at Catlow Theatre

"The Great Ziegfeld" Starts
Four-Day Run Tuesday;
Matinee Friday

"The Road to Glory," which finishes its run at the Catlow theatre, tonight, tells the story of individual deeds of courage and sacrifice—an intimate cross-section which was a piece of the personal heroism that redeemed the sorrows of the Great War.

Warner Baxter, Fredric March, Lionel Barrymore and June Lang are starred. Features hours are announced for 7:15 and 9:25 p. m.

The intensely human story, the all-color photography and an outstanding cast, elevated the production of "The Trail of the Lonesome Pine" into a film-event of more than passing interest.

Moviegoers have urged a return screening of this picture, and it is due to this demand that it will be returned Friday night. It will be remembered that Sylvia Sydney, Fred Stone, Fred MacMurray, Henry Fonda and Spangley McFarland take the leading roles; due to the length of the film, starting hours are set for 7:15 and 9:10 p. m.

Patsy Kelly has developed a group of enthusiastic followers who will welcome her Saturday night in her feature-length comedy titled "Kelly the Second."

Charlie Chase, Port Kellon and Guin Williams are co-starred in this yarn in which Patsy trains a truck driver for pugilistic honors.

Comedy, Sportland, Pathe news and the 9 p. m. gift event are added items of interest for the Saturday bill.

Not until American spanned the world's greatest ocean—the Pacific—could the most audacious of all air dramas be filmed. From the log of this first flight has evolved the production, "China Clipper." It will play the local theatre Sunday and Monday.

Pat O'Brien, Rose Alexander and Beverly Roberts were chosen as stars for this story which has for its setting the earth's mightiest ocean.

Bob Benchley's timely slant on "How to Vote" will easily poll the biggest laugh of the season in this short subject, with a new Silly Symphony cartoon in color and late descriptive news reel, completes the Sunday-Monday program.

The Catlow theatre is announcing an extended run of the original 3-hour production of "The Great Ziegfeld." It is scheduled for five screenings, with one show only each of the four nights shown: Tuesday, Wednesday, Thursday and Friday; with a matinee Friday, beginning at 2:45 p. m. The evening shows begin at 8:15 p. m.

"The Great Ziegfeld" has the greatest cast in the history of talking films. William Powell, Myrna Loy, Louise Rainer, Frank Morgan and Fannie Brice are the stars.

Local Pastors Are Joining National Preaching Mission

Plan Eight-Day Session
Conclusion of Other
Programs

A series of articles pertaining to the National Preaching Mission being conducted in many parts of this country is to be published in the Barrington Review and will be written by members of the Barrington Ministerial association. Following the Preaching Mission in Chicago, it is planned that one be conducted locally.

The first of the series of articles is written by Rev. Hermann J. Koenig, pastor of St. Paul Evangelical church, and is as follows: This fall a National Preaching Mission is being conducted in various strategic centers which eventually is scheduled to bring a thousand of nationally famous preachers into 25 of the large cities of our country. The purpose of this joint undertaking on the part of the cooperating denominations is to dramatize the fact before our nation that Christians are convinced that the promises of Almighty God, "My Word shall not return unto me void, but shall accomplish that which I please," is as true and potent as it ever was.

All Christian workers read and appreciate the fact that the preaching of God's Word, Sunday after Sunday, from the various pulpits throughout the length and breadth of our land cannot be supplanted by any united effort such as this National Preaching Mission. Nor is that the purpose of the mission. Its aim is to emphasize the unshaken faith of Christians in the power of the spoken Word of God, in the confident expectation that such a united demonstration will bring about that many who have become numb in the pursuit of a transitory thrills and satisfactions of life that they have no time or interest in the Word of God, may be won to a renewed study of the Bible and a rededication to the timeless truths of the Christian faith.

In Chicago the National Preaching Mission will be held November 18-22. From the bulletin of the Federation of Churches we learn that, "there will be approximately 20 of the great preachers from our own and other lands visit Chicago during those days, preaching in strategic centers, conducting seminars for ministers and laymen as well as to you people."

Following the Chicago Preaching Mission, the cooperating churches of Barrington will sponsor an eight-day preaching mission in our village. The dates have been definitely set for the week beginning Sunday, Nov. 29, and continuing each night (excepting Saturday) until Sunday evening, December 6.

The local ministerial union requests all organizations of our community who are interested in the spiritual and moral welfare of our village to give of their own free will to the local preaching mission the right of way that week. We are convinced that great good will come from this united effort and want you to share in it.

In subsequent articles pastors of the village will discuss the preaching mission and its purpose as they see it; they will also keep you informed concerning the details of our plans as they take more definite shape from week to week. Please look for these articles, read them, and pray for the success of this most important undertaking.
