Local Time Plan Awaits Action of Chicago Council

Village Resolution Calls for Change to Standard Time Sunday

According to late reports Thursday morning, the change in Chicago time will not be made until November 15. If this is correct, Barrington is expected to stay in accord and not change clocks until that date.

The return to central standard time in the village of Barrington will be simultaneous with a time change by the city of Chicago. It was learned in a canvass of local organizations Wednesday.

The village now has in effect a resolution calling for the change from daylight saving time to central standard time Sunday, November 8.

A report from information received from Village President Earl Hatje, a resolution is to be presented to the city council of Chicago today, Thursday, calling for the return to old time on Sunday, Nov. 8, at 2 a. m.

President Hatje stated that if the plan is adopted, the village will also change at the same time. However, if the city of Chicago delays the change for several days, the village of Barrington will wait to avoid confusion.

It was indicated that the church services will be held on a time schedule in conformity with any Chicago time. Similarly, the Barrington public school and St. Anne parochial school will follow the same procedure. It was learned from those in charge of the institutions.

J. A. McCoy, Northwestern railroad agent, reported that his company will change train schedules to central standard time Sunday. The change from eastern standard time to central standard time in the city of Chicago will probably be acted upon immediately by the railroad.

A PROCLAMATION

The annual membership roll call of the Chicago chapter of the American Red Cross extends from Armistice Day to Thanksgiving.

This year, more than ever, the Red Cross needs generous public support to enable it to meet record breaking demands for its necessary services in the fields of veteran aids, disaster relief, accident prevention, and health preservation.

Little from the community and contribute so much, and since the Red Cross is recognized as a great and necessary factor in meeting present needs and as an agency of inestimable value in meeting emergency needs, I urge a prompt and generous response to its annual membership roll call.

I, therefore, as President of the Board of Trustees hereof, set aside the period from Armistice Day to Thanksgiving for the annual roll call of those who possibly can, should join the Red Cross.

Homecoming Proves Successful Despite Inclement Weather

Homecoming for Barrington high school was well attended despite the inclement weather Saturday and many alumni members came from out-of-town for the football game and reception which was held at the school auditorium after the game.

The Barrington Branches were successful in defeating their rival, the Libertyville high school Wildcats, by a 9 to 0 score in a contest that was flooded by a downpour of rain all afternoon. The winning margin was scored on a blocked punt that Cadwallader hit on behind the Libertyville goal line.

Shinner's Market, 104 E. Main street, was awarded the prize for having the best decorated window in the contest sponsored by the Lions club. The parade which was planned for before the game was postponed until Tuesday afternoon when the weather again caused another cancellation and abandonment of the idea.

Honorable mention in the best store window was given to The Barber shop, Lipofsky and Sons, Ben Franklin Store and Cadwallader's Jewelry store. Other stores and business houses that cooperated in decorating their windows were Arnold's Food Shop, Leach's Electric Shop, Barrington Review, Fredlund Drug company, Hutchings' Barber shop, Pure Oil Service Station, A & P Tea company, Arnold H. Sasa, Moeller Cleaning shop, Sax Bakery, Webster's Apparel shop, Sherman's Home cafe, Miller Oil company, Grebe Hardware company, Gold Meister's, Poorless Market, Laundry, Schroeder Hardware, Town Shoppe, National Tea company, Park Avenue Barber shop, Melister's, Poorless Market, Poplman's Pharmacy, Ankele Bakery, Hagenberg's Five Cents to a Dollar Store, Leadway Post office, Public Service company and Miller Brothers.

The reception in the school auditorium following the game, dinner and the parade were attended by the guests and their guests. Dancing, inspection of old school pictures and refreshments were included in the program of entertainment.

Auxiliary officials have requested that reservations be made with Mrs. Carl Lovendahl, Tel. 277-8, for ex-service men, their wives and guests. This is also true, they stated, in the instance where a service man has been overlooked in mailing out the invitations. They have asked that any omission be corrected.

Complete returns of vote cast in Barrington and Palatine towns in Cook county and Elia towns in Lake county will be found on page 8 of this issue of The Review.

Riding the crest of an overwhelming vote President Franklin D. Roosevelt led the democratic party candidates into office by sweeping 46 states and taking Illinois with a plurality estimated at 550,000 votes. The nation-wide victory march of the democratic party failed to cut in on the normally republican precincts of Cook county in the towns of Palatine and Barrington and in Lake and Cuba townships of Elia county.

The voting locally was the greatest in history, as was the national and state total. In precinct 1, 2 and 3 of Barrington town a total of 1675 votes were cast with the republicans garnering 848 straight tickets and the democrats 827.

The greatest vote ever polled was brought out in Cuba town Tuesday when 1228 voters went to the polls. Republicans received 760 straight ballots and democrats 275. The town of Elia also brought out the greatest vote with the democrats getting 494 straight and republicans 400. In each of these local and nearby districts the republicans made substantial gains over their 1932 and 1934 totals.

The entire democratic slate of Cook county candidates was carried into office with the great Chicago vote although all trailed in all precincts of Barrington and Palatine towns.

Republican county candidates in Lake county were successful in defeating their opponents with pluralities ranging from 6620 votes down to 6000. Landon led Roosevelt in the county vote in incomplete returns of 46 precincts out of 75 by 105 votes. Brooks led Roosevelt in the same returns by 2300 votes and Glenn led Senator Lewis by 1200 votes.

Lake county candidates returned to office are: L. J. Wilmut, clerk circuit court; Howard L. Scott, recorder; Charles E. Mason, state attorney; Dr. John L. Taylor, coroner; Robert J. Peersall, county auditor.

The special tax levy for a complete reapportionment of the county is a small margin exceeding for incomplete returns. The returns in Cuba show a large margin and the result in Elia was 184 yes and 392 no.

In Cuba 246 voters failed to mark the smaller ballot and in Elia the number was 202. This was attributed to the fact that many were not thoroughly acquainted with the tax proposal and also to the interest in the larger ballot which is thought to have caused a large number to leave the tax referendum ballot in the polling booth.

"Old Settlers" to Be Dinner Guests of Lions Monday

Arrangements have been completed for the dinner to be given by the Barrington Lions club in honor of local men 75 years of age and older. The dinner is to be held at the Lions' quarters, Greenwood Grill, Monday evening.

Rev. Lorenza Stout, 411 N. Hough street, has returned from a month's vacation during which he traveled through the southern part of Florida, north to New York and back to Barrington. During his trip, he traveled 4400 miles.

Other relatives from Barrington among those who attended the funeral services were: Mr. and Mrs. H. T. Schroeder and daughter Marion, Mr. and Mrs. A. G. Gleske, J. S. Gleske, Mrs. Emma Gleske, Mrs. Rose McGowan, and Mr. and Mrs. L. B. Niemieler.

All organizations of St. Anne church have combined and are planning an all-parish party to be held in the parish hall November 21. Committees and the program for the evening will be announced by the group and short talks by Rev. Father P. Hayes reported Wednesday.
