Automobile dealers have
received this week and earlier,
1937 models of their respec-

new cars already on the display
rooms and others to be presented
to the public within a week or two.

Decker Motor Sales has an-
nounced the new 1937 Plymouth
with a list of new features
which make the interest of the
motoring public. Standard Motor
Sales has placed the 1937 Ply-

ier bodies, more streamlined lines
and many new features.

The Standard Motor Co. will
have new Chrysler cars with-
in a week or ten days. However
they have one of the new De-
cker on hand, a strikingly mod-
ern appearing car with a de-
signed body of lines and many new
features.

Decker Motor Sales has one
of the 1937 Lincoln Zepps on
the lot, a low slung machine of
streamlined design. It has
been moved in from the show-
rooms, and has added com-
fort to its line, a model that
is expected to be a heavy seller.
Zepp's advertising the "flowing ride" comfort.
The new models will be announced
within a short time.

Decker Brothers and Collins
have a variety with the Silver
Chrysler Pontiac of 1937, and the
black in four outstanding mod-
els. All of the Buicks have
more powerful motors and
streamlined bodies. The body lines
are rounded and striking.
Following on the heels of two
highly successful years, Pontiac
has the 1937 and 1938 models
with two lines of cars (delete six
and delete eight) that are longer
and more roomy, lower, even
more roomy, faster acceleration,
and higher top speed.

Local Time Plan Awaits Action of Chicago Council

**Village Resolution Calls for
Change to Standard
Time Sunday**

According to late reports
Thursday morning, the change
in Chicago time will not be made
until November 15. If this is
correct, Barrington is expected to
stay in standard time and not change
clocks until that date.

The return to central standard
time in the village of Barrington
will be simultaneous with a time
change by the city of Chicago. It
was learned in a canvass of local
organizations Wednesday.

The village now has in effect
a resolution calling for the change
from daylight saving time to cen-
tral standard time Sunday, Nov-
ember 8.

A report from the information
received from Village President Earl
Hutje, a resolution is to be pre-
sented to the city council of Chi-
cago today, Thursday, calling for
the return to time on Sunday,
Nov. 8, at 2 a. m.

istered for the course. Others who
wish to join may do so by being
present at the first meeting next
Monday, according to Mrs. K. K.
Lillian, president of the P-T-A.

The only expense of the course
is the purchase of a text book dis-
tributed by Red Cross at a nominal
fee. The course is not limited to
P-T-A. members.

The course includes personal
and household hygiene, care of
babies, the sick and aged in the
home, improvisation of sick room
equipment, methods of meeting
household emergencies, disease
prevention, protection and preser-
vation of individual and commu-
nity health.

There will be no sessions for all

Superintendent of Schools E. St.
Smith announced this week. The
annual programs in commemora-
tion of the day will be held Tues-
day afternoon. Classes of St.
Anne parochial school will also be
dismissed for Armistice Day.
Father P. Hayes stated.

No classes for the high school
will be held Thursday afternoon
or Friday but the grades will
be in session. The high school
faculty will attend a state teach-
ers convention on these two days.

Arthur Castle, Alvina Kocher
and Robert Koehn, chorus repre-
sentatives, Mary Baas and
Elsner, hand representatives, and
Hayward Olmsted and Vernie
Jeppson, Broncho staff members,

Homecoming Proves Successful Despite Inclement Weather

Homecoming for Barrington
high school was well attended
despite the inclement weather Sat-
urday and many alumni mem-
bers came from out-of-town for the
football game and reception which
was held at the school auditorium
after the game.

The Barrington Branches were
successful in defeating their an-
cient rivals, the Libertyville high
school Wildcats, by a 5 to 0 score
in a contest that was flooded by a
downpour of rain all afternoon.
The winning marker was scored
on a blocked punt that Cadwall-
ler fell on behind the Libertyville
goal line.

Shinner's Market, 104 E. Main
street, was awarded the prize for
having the best decorated window
in the contest sponsored by the
Lions club. The parade which
was planned for before the game
was postponed until Tuesday af-
ternoon when the weather again
caused another cancellation and
abandonment of the idea.

**Local Vote Sets New
Record; Ratio
Two to One**

Complete returns of votes
cast in Barrington and Pala-
tine towns in Cook county and
Cuba and Elia towns in Lake
county will be found on page
8 of this issue of The Review.

Riding the crest of an over-
whelming vote President Frank-
lin D. Roosevelt led the democratic
party candidates into office by
sweeping 46 states and taking Il-
linois with a plurality estimated
at 550,000 votes. The nation-wide
victory mark of the democratic
party failed to cut in on the nor-
mally republican precincts of
Cook county in the towns of Pala-
tine and Barrington and in Elia
and Cuba townships of Lake
county.

The voting locally was the
greatest in history, as was the na-
tional and state total. In pre-
cinct 1, 2 and 3 of Barrington
town a total of 1625 votes was
cast with the republicans garner-
ing 994 straight tickets and the
democrats 381. The percentage in
the final voting for candidates was
estimated at 2 to 1 favoring
republicans.

Precinct 1 gave the republicans
395 straight and the democrats
184. Republican straight in pre-
cinct 2 were 116 with 77 demo-
crats. Democrats in precinct 3
received 140 straight and republi-
cans 273.

The greatest vote ever polled
was brought out in Cuba town
Tuesday when 1228 voters went
to the polls. Republicans received
760 straight ballots and demo-
crats 275. The town of Elia also
brought out the greatest vote with
the democrats getting 394
straight and republicans 409. In
each of these local and nearby
districts the republicans made sub-
stantial gains over their 1932 and
1934 totals.

The Cook democratic slate of
Cook county was carried into
office with the great Chicago
vote although all trained in
all precincts of Barrington and
Palatine towns.

Republican county candidates
in Lake county were successful
in defeating their opponents with
pluralities ranging from 6520
votes down to 5080. Landon led
Roosevelt in the county vote with
incomplete returns of 46 precincts
out of 75 by 105 votes. Brooks
led Governor Horner in the same
return by 3206 votes and Glen-
den Senator Lewis by 1209 votes.

Lake county candidates return-
ed to office are: L. J. Wilmut,
clerk circuit court; Howard L.
Scott, recorder; Charles E. Mason,
state attorney; Dr. John L. Tay-
lor, coroner; Robert J. Pearnall,
county auditor.

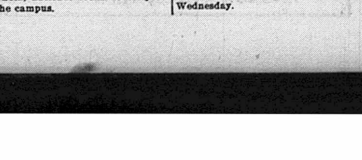

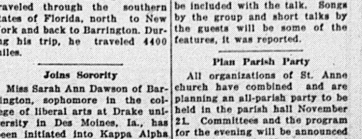

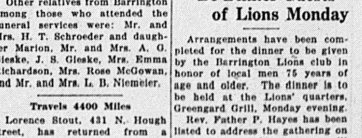

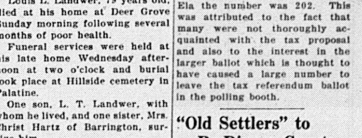

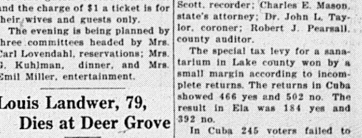

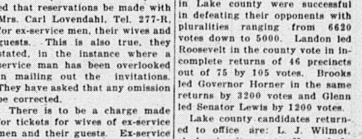

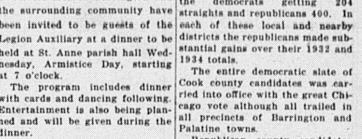

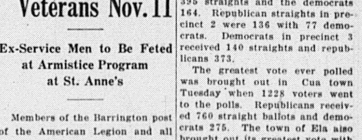

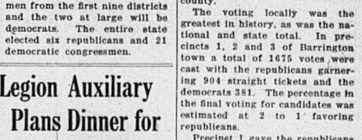

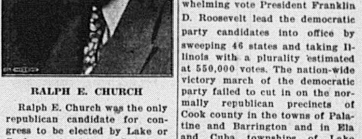

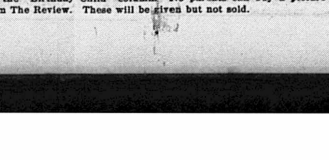

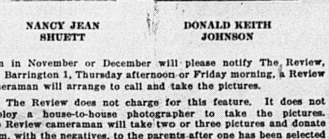

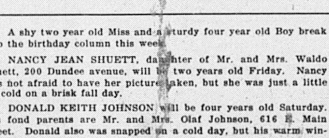

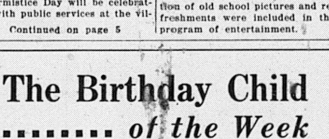

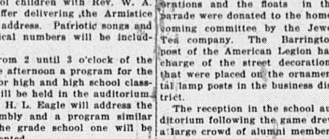

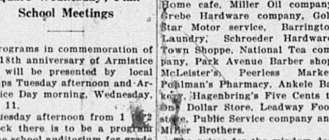

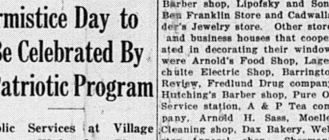

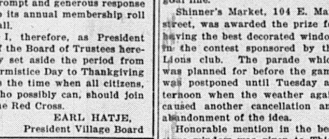

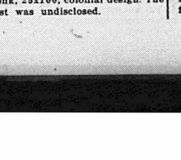

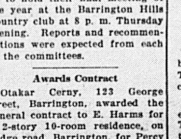

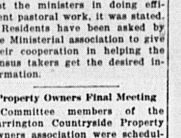

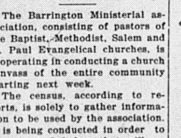

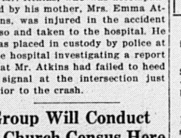

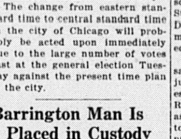

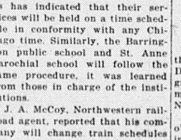

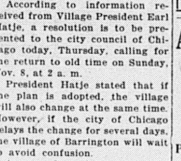

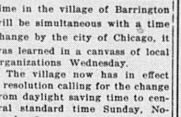

The special tax levy for a san-
itarium in Lake county was a
small margin according to in-
complete returns. The returns in Cuba
showed 466 yes and 562 no. The
result in Elia was 154 yes and
592 no.

In Cuba 245 voters failed to
mark the smaller ballot and in
Elia the number was 202. This
was attributed to the fact that
many were not thoroughly ac-
quainted with the tax proposal
and also to the interest in the
larger ballot which is thought to
have caused a large number to
leave the tax referendum ballot
in the polling booth.

**"Old Settlers" to
Be Dinner Guests
of Lions Monday**

Arrangements have been com-
pleted for the dinner to be given
by the Barrington Lions club in
honor of local men 75 years of
age and older. The dinner is to
be held at the Lions' quarters,
Greengard Grill, Monday evening.
Rev. Father P. Hayes has been
listed to address the gathering on
that evening and a program will
be included with the talk. Songs
by the group and short talks by
the guests will be some of the
features. It was reported.

Plan Parish Party
All organizations of St. Anne
church have combined and are
planning an all-parish party to be
held in the parish hall November
21. Committees and the program
for the party will be announced
later. Father P. Hayes reported
Wednesday.

Three Motorists Are Fined for Exceeding Village Traffic Laws

Three motor traffic violations were heard by Police Magistrate A. D. Church Saturday. J. Koppe, Evanston, was fined for speeding 40 miles an hour on Main street between Hough and Northwest highway. C. Anderson, Batavia, was fined for traveling 41 miles per hour on Hough between Russell and Hillside. V. L. Miller, Barrington, also appeared in answer to a charge of traveling 46 miles an hour on Hough between Hillside and Russell.

National Preaching Mission

The conviction is shared by millions of Christians that the Christian religion holds the answer to humanity's greatest need—a more abundant life. It is concerned for man's "daily bread" and also that all shall recognize that "man shall not live by bread alone." It reveals to men the love of God and bids them love their neighbor. Indeed, it declares that a man cannot at the same time hate his brother and love God. The Christian religion has a significant word to men on their relationship to wife, family, neighbor, job, wealth and personal conduct. It has the "word of God" concerning personal sin, unfaithful public servants, our obligations to life's unfortunate, its denunciation of war, its program for a just social order.

First and foremost stands the power of the Christian religion to develop within the individual a radiant, lean, wholesome, just and noble character—a transformed life. The biography of earth's noblest sons bears eloquent testimony to this power.

It is to bring vividly to the attention of the men and women of America, the significance of the religion of Jesus for daily life that the National Preaching Mission is instituted. It will be held in 25 large cities of America from November 19 to 22.

In Chicago during this period nationally famous preachers will bring inspiring messages to congregations gathered in the largest churches of the city.

The National speakers are assured for the Chicago meetings are as follows:

Dr. E. Stanley Jones, interna-

tionally famous preacher, mission in India, and author.

Muriel Lester, of London, the "Jesse Addams of London," founder and director of Kingsley Hall, famous Christian social settlement in London.

Dr. Lynn Harold Hough, dean and professor of Homiletics and Comprehensive Scholarship, Drew Theological Seminary.

Dr. Albert W. Beaven, president, Colgate-Rochester Divinity school, east president of Federal Council of Churches.

Dr. George W. Truett, pastor, First Baptist Church of Dallas; president, Baptist World Alliance.

Mrs. Harrie R. Chamberlin, of Toledo, Ohio, past president, Young Women's Christian Association of United States.

Rev. Oscar Fisher Blackwelder, minister, Lutheran Church of the Reformation, Washington, D. C.

Rev. George Irving, Secretary of Religious Work, National Council, Young Men's Christian Association.

Dr. Merton S. Rice, minister, Metropolitan M. E. Church, Detroit, Mich.; Lecturer, author.

Pastor Henry L. Hendrick, General Secretary of the Universal Christian Council and of the World Alliance for International Friendship Through the Churches.

The Very Rt. Rev. James E. Freeman, D.D., Protestant Episcopal Bishop of Washington, D. C.

Rt. Rev. Robert Nelson Spencer, D.D., Protestant Episcopal Bishop of West Missouri.

Mrs. Grace Sloan Overton, of Harlan, Indiana; chairman, Marriage and the Home Department, National Council of Federated Church Women.

Dr. Jesse M. Rader, Director of the National Preaching Mission; secretary, Commission of Evangelism, Federal Council of Churches.

Dr. Alexander Mackay, new president of Princeton Theological Seminary.

Following the metropolitan meetings thousands of communi-

cations such as Barrington will hold an eight-day Preaching Mission to challenge the attention of all thinking men and women.

The cooperating churches of Barrington are sponsoring such a

"preaching mission." The Rev. Dr. Frederick Frankendorf, former pastor of the Salem Evangelical church of Rochester, N. Y., will be the preacher. Dr. Albert W. Beaven, president of the Col-

gate-Rochester Divinity school, Rochester, N. Y., wrote me concerning Dr. Frankendorf, "You are extremely fortunate to be able to obtain the services of a man of such calibre for your meetings."

Men and women of Barrington are invited to attend all these services during the week of November 13 to December 4.

Rev. H. L. Eagle, Pastor, Methodist Episcopal Church.

Miss Florence Patten

Bride of Clark Sheeley
A beautiful fall wedding took place at the First Baptist church Saturday afternoon when Miss Florence Patten, daughter of Mr. and Mrs. W. T. Patten, 415 Washington street, became the bride of Clark Sheeley, son of Mr. and Mrs. Howard Sheeley of Coal Valley.

Rev. Charles R. Drussel officiated using the impressive singing service. The bride was lovely in a white satin gown made along princess lines. Her long silk veil held in place by a headband, fell softly over the train. She carried a shower bouquet of white roses and white sweet peas.

At the strains of Lohengrin, with Mrs. Alta Bennett at the organ, the bridal party took their places in the front of the church before an embankment of palms, ferns, and beautiful white and yellow chrysanthemums. The bride was given away by her father, Mrs. Arthur Janke, who served her sister as matron of honor, wore a dark green velvet gown with a train of the same color. Miss Lucille Sheeley, a cousin of the groom, and Miss Jane Kotel were as bridesmaids. Miss Sheeley was in Dubonnet velvet while Miss Kotel wore moss green velvet. Both had turbans the color of their floor length gowns and each carried an arm bouquet of chrysanthemums. The bride, Mrs. Sheeley, small niece of the bride, served as a pretty little flower girl, strewn white rose petals before the bride.

Seaton Hardin attended the groom. Charles and Kenneth Sheeley, brother and cousin of the groom, were ushers. The guests from away included Mr. and Mrs. Henry Sheeley, grandparents of the groom, who are 80 and 78 years old. Their home is in Orion. Other out of town guests were Mrs. Ira Woodley and sons Glen and Willie, also of Orion, Mr. and Mrs. Howard Sheeley and son Charles and Mr. and Mrs. Benton Hardin of Coal Valley. Mrs. Fred White of Peoria and Mrs. Patten McKimhan of Chicago. Mr. and Mrs. Sheeley will make their home in Moline.

The Visiting Nurses held their first meeting at the club Monday and report a good turn out. Any one interested in this work is urged to attend the meetings, which are held each Monday.

Mr. and Mrs. Malcolm Shroyer entertained at tea last Sunday for

known persons who represent the bygone era of the wild west in the days of the trail herds, this week.

The Lees were guests of the Rosses from Saturday until Tuesday and during that time many friends called at the Ross home to meet the visitors and listen to the songs and romances of Powder River Jack, collected during his colorful career.

Neither Mr. or Mrs. Lee can be rated as professional entertainers, although their ability to enthrall their listeners has placed them in great demand. Powder River, as Mr. Lee prefers to be called, has written and collected many old ballads of the cowpunchers of the west. These he has put in book form.

He is an entirely different figure than represented in fiction. A tall six-footer, well built with a tanned skin, he stands erect and carries his years gracefully. His wavy silver hair accentuates his bearing. He dresses quietly in short boots, buckskin shirt and whipcord pants stuffed into his boots.

A self-educated man his language is equal to that of the student and his quiet, easy philosophy shows his tolerant, kindly nature.

Powder River Jack and his wife lived the early life of the west and at one time were members of Buffalo Bill's Wild West show that toured the country. They make

"My American Wife" Feature Sunday, Monday

"Swing Time" Closes Saturday at Catlow; "State Fair" Billed Again

Whirling to new prestige in their sixth consecutive dancing triumph, Fred Astaire and Ginger Rogers set up a record in "Swing Time."

This most tuneful and original of their offerings opens tonight at the Catlow theatre, and continues through Friday and Saturday.

With Victor Moore, Eric Hlore and Helen Broderick given lavish opportunities in support of the stars, laughs run in a steady stream throughout the film.

Astaire and Rogers have four special dance numbers, set to the tune of songs that are hits of the present hour.

"Swing Time" will be preceded by the showing of the new Silly Symphony cartoon, "The Three Little Wolves," already being heralded as the cartoon hit of the entire year.

"My American Wife," playing Sunday and Monday, is another "Rings of Red Gap," having the same western flavor.

Francis Lederer, Ann Sothern, Fred Stone and Billie Burke have leading roles in this story of a social climbing mother.

Lederer, cast as the seignior of nobility, marries the daughter of her wealth, and returns with the family to its Arizona cattle ranch. Here the tenderfoot count finds he likes Western ways much better than pretence of society, and much to the disgust of his mother-in-law, he turns cowboy.

In addition to the feature, the Sunday-Monday bill will include

a new Popeye cartoon, comedy, news and community singing.

Next Tuesday, the Jones family will have another inning when "Back to Nature" will be presented as the bargain offering of the week.

In this number, the happy-scrappy family takes its annual camping tour, and their experiences with car and trailer furnish a full evening of laughter.

A group of excellent short subjects will round out this bill.

For those who missed it before and for those who have requested to see it again, the Catlow is bringing back, next Wednesday and Thursday, that unforgettable picture, "State Fair."

If Will Rogers were to be remembered for any single one of the characterizations he brought to the screen, his "Abel Frake" of "State Fair" would undoubtedly be the one.

A great group of stars around the beloved humorist in this feature, headed by Janet Gaynor, and including Lew Ayres, Sally Eilers, Louise Dresser, Norman Foster and Victor Jory.

The excitement, fun and romance that fall to the lot of the Frake family during its attendance at the State Fair are pictured in so truly a realistic fashion that this picture will be remembered as a joyous adventure.

Educational Leader Addresses Scouting Groups October 29

Dr. Ray O. Wyland, director of education and relationship of the national council of Boy Scouts of America, addressed scouts and their guests from the North-

DR. R. WYLAND

West Suburban council at a dinner-meeting held at the Maine township high school at Des Plaines Thursday evening, Oct. 29.

A high percentage of students and leaders in our educational centers are either boy scouts or former boy scouts.

A survey made in 1934 showed that 64 per cent of the midshipmen at Annapolis and 67 per cent of the cadets at West Point had been boy scouts.

The percentage of boy scouts was 72 among the Rhodes scholars, which is one of the highest national collegiate scholastic honors given.

In major school activities such as editors of publications, scouts held 75 per cent more offices than non-scouts, and, in team captaincies, chairmen of committees and members of committees, scouts exceeded others by 30 per cent, Dr. Wyland stated.

Dr. Wyland remarked that direct credit for the development of leaders was not asked by the boy scout organization, but that the facts indicated that the boy scout training was an influence to be considered in our youth.

The plan for the day included breakfast with ministers of the Protestant churches in the churches of the Missouri synod at 10:30 a. m.; at 2:30 p. m. meeting with priests of Catholic parishes; talk to school teachers in the council at 4:30.

Mrs. Dagmar Olumstad and Mrs. Bertha Murphy were callers at the home of Mrs. Alice Catronotta Thursday.

Mrs. Gustie Catronotta spent the week-end at her home.

Mrs. Charlotte Graham returned Thursday from a two weeks' auto trip which took her to Cleveland, O., Niagara Falls and to Northbay, Ontario, where she viewed the Dionne quintuplets.

She visited with Mrs. Chester Lenzing of Haeger's Bend who is quite ill. She returned to Chicago Saturday where she attended a Halloween party given for her niece, Miss Barbara DeAir.

Patricia and Joan Spiering, Marie James and Bertha Murphy, Pearl and Edith Olumstad of the Grove and Norma and Dolores Pobliski of Norwood Park were guests at a Halloween celebration party given for Miss Alice Catronotta in her home Saturday.

Dolores Greco attended a Halloween birthday party at the home of Patricia Welisk Saturday.

Patricia celebrated her fifth birthday.

The mothers were guests at a Halloween party at the Oak Glen school Friday afternoon. The pupils furnished a program and the teacher, Mrs. Mae Cheek, furnished refreshments.

Mr. and Mrs. Renee Lamoureux visited with relatives in Milwaukee, Wis. over the week-end.

Hakon Mueller, scoutmaster, was in charge of the party sponsored by the boy scouts Saturday evening and to which all the children of the Grove were invited.

They met at Hakon's home at 8 o'clock and listened to ghost stories. From there they had a ghost walk which took them to the cemetery on Algonquin road. They then walked to the village hall where games were played and hot chocolate and doughnuts were served.

Mrs. Ida Nagel, Mrs. Rose Stillier and Mrs. Jennie Vynalek were hostesses.

Mrs. Ellen Waagen and Mrs. Bertha Waagen visited with Mrs. and Mrs. T. Eckroll in Chicago Sunday.

Members of the Grove Choral club met at the home of their leader, Mrs. Hazel Cherney, Monday evening, for practice.

Mrs. Edith Miller, Maile Spiering, Florence Smith, Ellen Waagen, Bertha Waagen, Arlene Lamoureux and Alice Catronotta were guests at the home of Mrs. Eva Dillon for lunch and bridge Monday.

Home-Comers See Bronchos Defeat Libertyville Wildcats by 6-0 Score

Bronchs Have Open Slate Saturday; Leyden Is Next

Bronchs Score First Touchdown of Season in Homecoming Game Saturday

Week-End Slate

Friday, Nov. 6
Leyden at Warren
Lake Forest at Grant
Saturday, Nov. 7
Libertyville at Arlington

With a 12 to 7 defeat of last year's mud the local gridmen found their way to a 6 to 0 victory in the homecoming game with Libertyville at the Northside park Saturday afternoon. A similar score in the reverse order has followed the Bronchs through most of the season with the exception of the two tie games at 0 to 0.

The Bronchs had tough sledding in the first quarter due to the fact that they were bucking a strong wind. The locals did, however, succeed in the working the ball as far as the Wildcat 40 yard line. Well into the last part of the first period Libertyville had the ball on the Bronchs' 10 yard line, but the Bronchs' line succeeded in putting them for their downs. Graham, with the backfield in the end zone, got off a nice punt, sending the ball out of the danger zone.

In the second period the Bronchs and the wind at their backs. Cadwallader and Grabenkort did a nice job of punting, but the ball was so slippery that it was difficult for the receivers to get full possession of it.

Bronchs Score
The third quarter brought forth what the Bronchs have been waiting for all season—a touchdown. A strong wind and several punts took the pigskin deep into the Wildcat's territory. The Bronchs lost the ball on downs.

Libertyville punted on their first down and several Bronchs rushed in to block it, knocking the ball back behind Libertyville's goal. With a nice fast sprint Cadwallader succeeded in falling on the ball, a fraction of a second before the Wildcat. After the touchdown which was the first score of the season for the Bronchs, both teams fought hard for the rest of the game. The Wildcats made several drives in an effort to tie the score while the Bronchs held their own.

Grabenkort's punting was what to watch, sending the ball 40 yards several times. Once again the mud laden ball

he recovered, punting the leather up to the opponents' goal from a spot near the equator. Cadwallader was right in there dodging holes in the line for lengthy runs. Mountain was doing a nice job of tackling, as always, throwing the opponents for short losses. The team as a whole played a nice game throughout.

Tichy, the Bronchs dependable quarterback was out of the game due to an injured arm received in the game at Lake Forest the previous Friday. Shepard replaced Tichy, doing a fine job.

Start Survey on Main Street for Widening Project

Highway Engineers From Cook County Begin Detail Work Monday

Engineers from the Cook county highway department started a survey of Main street from the Northwest highway west to the Ryan creek bridge at the limits on the Cook-Lake county line road Monday. Their work is preliminary to a plan to widen the strip with concrete paving. The proposed widening work has been included in the 1937 highway program of Cook county. The county is seeking bond assistance for the widening program and officials are of the opinion that it will be granted.

Information concerning the project was obtained when Village President Earl Halje and Village Trustees John Carroll conferred with the Cook county highway department last August concerning the widening. The village board had considered a tentative plan for doing the work itself but abandoned that following the conference by President Halje and Trustee Carroll.

The exact amount of work and the width of the new section will not be determined until the completion of the present survey. When the matter was first discussed it was learned that a right-of-way concrete slab on both sides of the present strip was contemplated.

The Illinois state highway department started a crew of men tearing out safety railing preparatory to resurfacing approaches to the viaduct over the E. J. and Railroad at the intersection of routes 6 and Algonquin road Monday.

Lee, professor of economics at Illinois; Col. Allen Pope, president of First State corporation, and Dr. Walter L. Linsell.
