Strange Action of Young Man at School Suspicious

Stranger Loitering in Upper Friday Afternoon

The intrusion of a strang man in the second foor of the Barriagton public school building and subsequent events created excitement early Friday afternoon. A girl in the freshman class arrived at school a few minutes target and the school and school and standing pear the music room door apparently observing the class. When she proceeded down the hall to the girls lockers, incated in the spiddle of the corridor, the school had been compared to the school and man school girl. When Mr. (Waton came into the corridor; he man had the school and the school and saw the man getting in his cartanged the school and saw the man getting in his cartanged the school and modiately school school and saw the man getting in his cartanged the school and immediately school school and immediately school bear to school and immediately school school and immediately school bear to saw in the school and immediately school bear to saw it in saw it is sent to the school and immediately school board. As the incident occurred at school it lies within the man school to the board to make the school of the board to make the school to the board to make the school of the board to make the school to the board to make the school of the board to the school of the board to make the school of the board to the school of the board to make the school of the b

jurisdiction of the pos-any charges.

According to E. S. Smith, superintendent of the public school the state's either office of the control of the state's office to Cook county will take actic whenever identification can be a tablished.
