Start Survey on Main Street for Widening Project

Highway Engineers From Cook County Begin Detail Work Monday

Engineers from the Cook county highway department started a survey of Main street from the Northwest highway west to the creek bridge at the city limits on the Cook-Lake county road Monday. Their work is preliminary to a plan to widen the street with concrete paving. The proposed street widening was first included in the 1937 highway program. Cook county is seeking federal assistance for the entire project and officials are of the opinion that it will be granted. Information concerning the project was obtained when Village President Earl Hatle and Village Engineer John Carroll conferred with the Cook county highway department last August concerning the widening. The village board considered a tentative plan of widening the street but abandoned that following the conference with President Hatle and Trustee Carroll.

The exact amount of work and the width of the new section will be determined until the completion of the present survey. When the matter was first discussed it was learned that an asphalt concrete slab on both sides of the present strip was contemplated. The Illinois state highway department started a crew of men working on safety, raising preparation to out-facing approaches to the road over the Elgin and Elgin roads at the intersection of the Elgin and Algonquin roads.

"Sing Baby Sing" Week-End Feature for Movie Patrons

"Anthony Adverse" Starts Run Wednesday; Double Bill Tuesday Night

Little Jane Withers and her two new screen pals, Irene S. Cobb and Slim Summerville, form a triumvirate of merry-makers in "Pepper," playing the local theatre Friday night.

On the surface, Jane is the mischievous terror of lower New York, but actually she is a half-pint Robin Hood, who fights for her poor people, rights wrongs, cures a dyspeptic old millionaire, and exposes a ring of fakirs posing as nobility.

"Pepper" is ideal entertainment for every member of the family, old and young, and the short subjects which include a comedy with a cast of trained monkeys, a musical, and a musical, will add variety to the bill.

Saturday brings Robert Young in "Sworn Enemy." It is a story of two brothers, one of whom is killed because he knew too much about the underworld, the remaining brother avenges him.

In addition to "Pepper," the featured players include Lewis Stone, Joseph Calleia, Nat Pendleton and Florence Rice.

"Killer Doo" is a special short subject booked for this bill; with Pathe news and Carousell added.

"Sing Baby Sing," the Sunday Monday feature number, is a musical jamboree well in the front ranks of the current hit parade. It whistles with laughter, tingles with tunes, sizzles with swing and blazes with names—names which carry the assurance of screen delivery.

Patsy Kelly and Ted Healy form the comedy team; Alice Faye, Adolph Menzel and Gregory Ratoff are the leading characters in the story, while the Ritz Brothers edge in with their hilarious musical clowning.

Two short subjects in color, Populart Science and cartoon, and late descriptive news are additional items of interest for the Sunday-Monday bill.

Next Tuesday, bargain night of the week, a double feature program will be offered. The first number will be "Wodehouse's," "Thank You, Jeeves," with Arthur Treacher as Jeeves; the second is the widely publicized drama of convict parole, "Don't Turn 'Em Loose."

This film comes to the Catlow direct from its Chicago run; in its cast are Lewis Stone, James Gleason, Bruce Cabot and Betty Grable.

"Thank You, Jeeves" will begin at approximately 7:00 and 9:00 p. m.; "Don't Turn 'Em Loose," about 8:00 and 10:00 p. m.

"Anthony Adverse," one of the really important productions of the season, will have its showing locally next Wednesday, Thursday and Friday night.

Freddie March plays the title role, and the supporting cast of over 2500 players include such names as Olivia de Havilland, Claude Rains, Ralph Morgan, Anita Louise and Donald Woods.

Feature hours are announced for 7:10 and 9:35 p. m.

Barrington Woman's Club

More than 72 women gathered in the library room to hear a review of the novel, "Gone With the Wind," by Margaret Mitchell, a book of over 1000 pages and many characters, very capably handled by Mrs. Earl Campbell, Tuesday afternoon. Mrs. Campbell opened her remarks with a short biography of the author. Margaret Mitchell was born and raised in Atlanta, Ga., which is also the scene of much of the novel. Her parents were authors on southern history and she grew up listening to stories of the Civil war days and the reconstruction that followed. She spent seven years on the book, a first novel. "Critics acclaim it a 'great novel.' It is a book to own and re-read."

The speaker went expertly through the plot of this splendid book, giving good pictures of the characters and keeping a continuity in spite of the need to cut so sharply. Mrs. Campbell so interested her listeners that many wish to read the book, and others feel she has given them more a reason as to why they should not read the book personally.

An invitation has come from the Portage Park Woman's club inviting officers and members of the local club to attend its Reception Day meeting Friday afternoon, Nov. 13.

On Tuesday afternoon, Nov. 17, the two Plains Women's club will hold its guest day meeting to which members of the Barrington Woman's club are invited. The program is "Zeller," characterist.

Tuesday, Nov. 17, is the date of the next baby clinic to be held in the library room. Tuesday, Nov. 17, at eight p. m. in the Junior Woman's club will hold a regular meeting in the assembly room of St. Anne school for which they have extended an invitation to all members of the senior club. The principal speaker will be Mrs. Hager of Hager's Pottery in Dundee. She will bring with her a miniature kiln and will demonstrate and explain the whole process of making, coloring and glazing pottery.

The regular meeting of the Barrington Woman's club for November will be held Wednesday afternoon, Nov. 18 at the Methodist church. The program is to be "Zeller," characterist. The meeting will open at 2 o'clock. Mr. Zellner brings with him gorgeous drapes and effective lighting assists in the display of portraits characters from history and literature and the rapidity of change is remarkable, the average being 20 seconds and some as quick as six or eight seconds. Some of the characters he portrays are Robert E. Lee, Lincoln, John Jay, King Lear, and Theodore Roosevelt.

On last Thursday, Nov. 5, Mrs. L. Higgins and Mrs. F. Zuehlke drove to Chicago to attend the Fourth Party for the Little Wanderers taking with them our club's donations. They report a very enjoyable and informative exhibition and express satisfaction and appreciation for the "pioneer" sent in by our membership. Girl Scout Notes

Troop 11 of the girl scouts held a combination investiture and court of awards meeting Thursday afternoon, Nov. 5. All of the ceremonies were beautifully done and the guests were impressed and inspired. Two new girl scouts joined the troop and received their pins.

Next on the program, the girls who had completed their work were made first class girl scouts which is the highest class in the rank. This first class girls were awarded goldfish badges they had earned. All had done splendid work and some had done a great deal of judging from the badges they had earned.

After the court of awards, which by the way was scheduled for last spring but had been postponed, refreshments were served by the patrol leaders and assistants. A short open court of honor was held by the troop to plan its next meeting and hear reports.

Miss Bonnie Jean Clark is captain of the troop and its sponsor is the Barrington Woman's club. Girl scouts paraded in uniform Armistice Day.

Total circulation for October was 1920.

A number of new books for Book Week have been made their appearance this week in the library and will be on display during the next week.

Book Week

In celebration of Book Week, November 15 to 21, the Barrington public library will have a special showing of books in the display window of the Park Avenue Barber shop. The window will be divided into three parts; one for children, one for young people, and one for adults.

Visit this window and see some of the new books your library has for your enjoyment. About 75 new titles have been added to the library shelves. A special table of books will be on display also in the library.

Of special notice to parents of children in the grades who have fines of less than one dollar is the decision of the library board to erase all such fines from cards of boys and girls who will see the librarian during the week of Book Week.

The cooperation of parents in this move during children's week is urged and an invitation is extended to all residents to visit the library and gain new friends among the many fine books to be found there.

New and attractive book-marks will also make their appearance during Book Week, and will be placed in books withdrawn during that period.

"No Books"
Suppose there were no books! No books to read in cozy nooks! No books to feed the hungry mind And teach the art of being kind.

No books to while one hour away. To link today with yesterday; No books to charm us for a while. To bring a tear or lure a smile.

But here are books, praise God above!

If we have books and we have love We can dispense of other things; "No books, no crowns, that make us kings."

Oliver Dobson, Librarian.

Library News

The book circulation for the month of October again took a decided jump with an increase of 311 books over September. Twenty-six new patrons were added to the group of borrowers.

Final Local Tabulation
Shows G.O.P. Percentage
Gain Over Last Year

As a final resume of the local vote cast at election November 2 it can be pointed out correctly that the republicans registered a percentage gain throughout the four town territory of Elgin, Cuba, Barrington and Palatine since the democratic gained throughout nearly all of the balance of Illinois.

Selecting one office filled by election two years ago and this year, that of congressman, the G.O.P. showed a gain in nearly all of the eight precincts. Republican Congressman Church led democratic Candidate Malone 1039 to 828 in Cuba and Elgin.

This year he led democratic Candidate Wightman 1346 to 676. Democratic Congressman Candidate Peacock only 955 to 1410 in Barrington and Palatine two years ago.

Start Canvass for Annual Red Cross Membership Drive

Harrington Woman's Club and Junior Unit Handling Program

The annual drive for members of the American Red Cross will start today, Thursday, with a committee from the Junior Woman's club of Barrington under the supervision of a committee headed by Mrs. A. C. Lines, the Barrington Woman's club representative, making a house-to-house canvass.

In addition to the committee drive in the village, a group of three workers will make contacts in the country area.

As in other years, the membership drive started Armistice Day and will continue until the Junior evening Day. Mrs. Lines reported the committee is striving for an increase in membership this year and hopes that the number will exceed by 25 per cent the registrations of other years.

Final plans for the drive were completed at a meeting held at the home of Mrs. Lines Monday evening. At that time workers from the Barrington Woman's club and the Junior Unit were assigned to their respective areas and assigned different individuals to make personal calls.

Those setting out on the Junior committee are as follows: Misses Patricia DeBolt, Isabel Haase, Dorothy Heaton, Marion Jans, L. Bieks, Emma Walshaw, Florence Cook, Frances Mac-Swick, Myrtle Olson, Marie Coughlin and Mrs. Harry Berghorn.

Miss Agnes Welch has been appointed to take charge of the drive for enrollment at the public school. The grade school children make contributions each year and the individual grades are given memberships. Each child who contributes to the organization will receive a pin bearing the title "I Serve."

Workers will be stationed at the First National bank Saturday evenings during banking hours to receive memberships. Mrs. Lines stated: "Those not having been contacted may enroll at that place, she reported. Mrs. Harold Grebe and Mrs. Reuben Plagge are also members of the committee assisting Mrs. Lines.

A trailer featuring Shirley Temple and outlining the work of the American Red Cross has been shown at the Catlow theatre during the past week.

Performance, Beauty and Safety Mark Chevrolet's Completely New Cars

Chevrolet's 1937 engine is completely new, but adheres closely to time-proven Chevrolet engineering principles. It is of six-cylinder valve-in-head type, smoother, more powerful, more economical, and lighter.

A representative model from Chevrolet's new line, typifying its beauty and grace—the Master De Luxe Sport Sedan with trunk. Note the distinctive "speed line" extending back from the side of the hood.

Unified construction joins the floor, cow assembly, panels, and Turret Top of Chevrolet's all-aluminum, all-steel body, to form one integral structure, welded in all joints, and reinforced and braced for permanent silence and safety.

Beauty and utility mark the new Chevrolet instrument panel. The windshield is of greater area, with narrow corner posts, affording better vision.

Luggage capacity in Chevrolet's new trunk models has been greatly increased, as has interior luggage space in other models.

New power, economy, durability, safety and comfort, coupled with striking new beauty, characterize Chevrolet's new models for 1937. They are offered in two series, Master and Master De Luxe, virtually identical in appearance.

Chevrolet's fully-enclosed Kneecap is furnished at no extra cost on the Master De Luxe model and new Synco-Meat transmission, and safety plate glass all around at no extra cost, feature all models of both series.

L. J. Wilmet, Recorder Howard L. Scott and Auditor Robert J. Pearson for the four year term starting December 1.

Application Forms for Illinois Auto Licenses Released

Distribution of registration forms for 1937 automobile licenses began this week. Secretary of State Edward J. Hughes announced.

First shipments of application blanks were made to city and county clerks, sheriffs, public notaries, police stations, newspapers and various motor clubs throughout the state. The license forms also will be distributed by special arrangement with filling stations and garages.

The Barrington Review was the first to receive the new blanks here. They are now available to all citizens.

To expedite early delivery of license plates, Secretary Hughes urged motorists to fill out applications as soon as possible.

motorists applying for plates for newly acquired used cars must furnish evidence of ownership in the form of a properly endorsed certificate of title.

Secretary Hughes urged motorists to check the schedule of fees before applying for licenses. Through Secretary Hughes' efforts the legislature made the following reductions which went into effect last year for the first time: 16 plates reduced to \$6.50; 12 plates reduced to \$10.50; 20 plates reduced to \$17; 24 plates reduced to \$22; motorcycle fees were reduced from \$4 to \$3.

Illinois' 1937 license plates will be canary yellow with black numerals. Numerals on the plate will be black and the background will be black and yellow. The year and name of the state will be stamped "19-111111-37" above the license numbers instead of below as on this year's plates.
